SUBJECT: General Fund Contingency Request of \$50,000 for the Department of  
Community Justice for Counterpoint Outpatient Program (Budget Modification  
DCJ-04-19)

---

The Department of Community Justice (DCJ) is requesting the \$50,000 of funds placed in contingency for the Counterpoint outpatient program, which offers specialized treatment for youth and their families where inappropriate sexual behavior is an issue. The funding will allow the program to continue treatment for approximately seven youth who are not under the jurisdiction of Juvenile Services Division making it possible for these youth to complete their treatment.

The FY 2019 Adopted budget included a Budget Note earmarking \$50,000 to fund Counterpoint Outpatient program. If this request is approved, there is no impact to the regular General Fund contingency.
