

BEFORE THE BOARD OF MULTNOMAH COUNTY LIBRARY DISTRICT

ORDER NO. \_\_\_\_\_

**Order Consenting to the Area 93 Transfer Plan Agreement and Declaring that Area 93 is Withdrawn from the Multnomah County Library District.**

**The Multnomah County Library District Board Finds:**

- a. The legislature enacted into law HB 3067 (2013) which provides for the transfer of Area 93 from Multnomah County to Washington County upon approval by both counties.
- b. In accordance with HB 3067 (2013), both Counties approved a transfer plan agreement ("Agreement") whereby Area 93 is transferred from Multnomah County to Washington County.
- c. The Agreement provides that upon the operative date, Area 93 residents will become part of the Washington County Cooperative Library Services (WCCLS) and be assigned to the Cedar Mill Community Library. However, an intergovernmental agreement among the library systems in the region (including WCCLS and the Multnomah County Library District) allows any resident to receive free library services from any of the participating counties. This means Area 93 residents may continue to receive library services from the library of their choice in either county.
- d. As evidenced by their signatures below, the Board consents to the attached Agreement and pursuant to sections 3 and 4 of HB 3067, declares that Area 93 is withdrawn from the Multnomah County Library District.

**The Multnomah County Library District Board Orders:**

1. That pursuant to HB 3067 (2013) and corresponding Multnomah County Board of Commissioners approval of the Area 93 Agreement, the Board hereby consents to the withdrawal of Area 93 from the boundaries of the Multnomah County Library District, effective beginning FY 2014-15.

2. That certified copies of this Order will be filed with the Multnomah County Assessor and the Oregon Department of Revenue as required by ORS 308.225.

ADOPTED this \_\_\_\_ day of \_\_\_\_\_, 2013.
