## ATTACHMENT A

### EMS User Fees

(A) User fees charged to licensees providing 9-1-1 emergency medical transport have been calculated based on the following factors:

1. The total number of patients transported by all licensees and by each licensee as a result of 9-1-1 dispatch. For purposes of this rule, a 9-1-1 dispatch means any medical incident assigned an EMS incident number.

2. The Bureau of Emergency Communications' records for the period July 1, 1992, through June 30, 1993.

3. The EMS Regulatory Program budget of \$256,491 for County fiscal year 1993-1994.

(B) The formula for calculating the user fee to be paid by each licensee is:

(EMS Program Budget) x (The percent of the system's

(C) The collection rates used for adjusting transports are:

AA	53.9%
Buck	53.4%
Care	62.1%

Percentages are based on 1991 data.

(D) Transport volumes for the base period were:

<u>Company</u>	<u>Number of Transports</u>	<u>Adjusted Percentage</u>
AA Ambulance	6,521	28%
Buck Medical	9,744	42%
Care Ambulance	5,951	30%
Metro West	6	N/A
Total	22,213	

(E) User fees for fiscal year 1993-1994:

<u>Company</u>	<u>Total User Fee</u>
AA Ambulance	\$71,887
Buck Medical	\$107,832
Care Ambulance	\$77,022
Metro West	\$200
Total	\$256,941

Note: Metro-West Ambulance, because of transports totaling less than one percent (1%), which cannot be adjusted for collections, will be charged a flat fee of \$200.

RE: Library General Obligation Bond Issue

### I. Recommendation/Action Requested:

Approve resolution authorizing the negotiated sale of \$22,000,000 Library General Obligation bond issue and appointing Underwriters, Bond Counsel, Paying/Registrar Agent and Authorized Officer.

### II. Background/Analysis:

On May 18, 1993 the voters approved a \$31,000,000 Library G.O. Bond measure. On January 7, 1994 the Circuit Court ruled in favor of the County on the use of G.O. Bond proceeds for a temporary lease. Facilities working with Library staff have advised us of the construction time lines and estimated costs associated with renovating the Central Library and expansion of the Midland Branch Library. Based on these estimates we are recommending that we incur two G.O. Bond issues. The IRS regulations require that all bond proceeds be spent within three years and this \$22,000,000 issue is the estimated amount that can be spent in the three year time frame. Based on the current market conditions the interest rate is estimated to be about 5%.

III. Financial Impact: No financial impact to the General Fund. The property tax levy to pay for the retirement of the G.O. Bonded debt has been levied at \$1,958,561 for fiscal year 1993-94. The estimated levy needed for 1994-95 will be approximately \$1,500,000. The 1993-94 rate per thousand is \$ .07 (7¢ on a \$100,000 home) and the estimated rate per thousand for 1994-95 will be \$ .05. The remaining \$9,000,000 of authorized G.O. Bonds will be issued in one to three years and will depend on the construction progress.

IV. Legal Issues: The Bond resolution contains all legal requirements that need to be disclosed and was reviewed by all parties involved.

V. Controversial Issues: The only issue that may be controversial is whether to capitalize the interest earned on bond construction funds. The Board has three options as it relates to interest earnings on the construction bond proceeds that will be spent over the three year period. Option 1 is to transfer the interest earnings to the debt retirement account which will reduce the amount of property tax levy in the first three years only. Option 2 is to capitalize the interest earnings, or use the interest earnings for construction purposes, and reduce the total bond issue by the interest earnings capitalized. Option 3 is to capitalize the interest earnings and not reduce the total bond issue.

It is our recommendation that we capitalize the interest on this issue and that when we issue the remaining bonds, in the next year or two, the Board will have better information on the total construction costs due to inflation or unanticipated construction costs and will be in a better position to make a final decision on whether to capitalize the interest earnings.

VI. Link to Current County Policies: Is consistent with County policy established by the Board on this issue.

VII. Citizen participation: None

VIII. Other Government Participation: None

RESOLUTION NO. 94-22

WHEREAS, the Board of County Commissioners of Multnomah County, Oregon (the "County") on February 18, 1993 adopted Order No. 93-53 submitting to the voters of the County at a measure election on May 18, 1993, the question of contracting a general obligation bonded indebtedness in an amount not to exceed \$31,000,000 to finance the renovation of the Central Library and reconstruction/remodeling of the Midland Branch Library, to possibly acquire additional land for the Midland Branch Library and to pay the cost of issuance of the bonds (the "Project").

WHEREAS, at the election held within the County the voters of the County voting at the measure election approved of the issuance of the general obligation bond indebtedness.

WHEREAS, the County shall issue the approved bonds in more than one series of bonds; the first series to be designated as the General Obligation Library Bonds, Series 1994, in the amount of \$22,000,000 (the "1994 Bonds").

WHEREAS, in order to promptly proceed with the Project it is necessary and desirable for the County to authorize the issuance and negotiated sale of the Series 1994 Bonds which shall mature over a period not exceeding twenty (20) years.

NOW, THEREFORE, BE IT RESOLVED:

Section 1. Issuance of Bonds. The Board of County Commissioners (the "Board") authorizes the issuance and negotiated sale of \$22,000,000 of its 1994 Bonds. The 1994 Bonds shall be issued in denominations of \$5,000 each, or integral multiples thereof, as negotiable general obligation bonds of the County and shall bear interest at a true interest cost not to exceed six percent (6.00%). The County authorizes the Finance Director or any other person designated by the Chair of the Board (the "Authorized Representative") to determine and designate the dated date, the maturity dates, the principal serial maturities, the optional redemption dates and premiums, if any, and the term bond maturity or maturities, with or without premium, and to determine the interest payment dates, underwriters' discount (not exceeding two percent (2.0%)),

original issue discount, if any, and to determine such other provisions as are deemed necessary and desirable for the sale and issuance of the 1994 Bonds.

If the Authorized Representative determines that it is necessary and beneficial for the County to capitalize the interest payable on the 1994 Bonds during the construction of the Project, the Authorized Representative is authorized to apply a portion of the 1994 Bond proceeds for this purpose.

Section 2. Title and Execution of 1994 Bonds. The 1994 Bonds shall be entitled "Multnomah County, Oregon General Obligation Library Bonds, Series 1994" and shall bear the manual or facsimile signature of the Chair of the Board of County Commissioners and shall be attested by the manual or facsimile signature of the Clerk of the Board of Commissioners. The 1994 Bonds shall be initially issued in book-entry form as a single typewritten bond for each maturity and issued in the registered name of the nominee of The Depository Trust Company, New York, New York in book-entry-only form. The 1994 Bonds will be issued without certificates being made available to the bondholder except in the event that the book-entry-only form is discontinued in which event the 1994 Bonds will be issued with certificates to be executed delivered and transferred as herein provided.

Section 3. Book-Entry-Only System. Ownership of the 1994 Bonds shall be recorded through entries on the books of banks and broker-dealer participants and correspondents that are related to entries on The Depository Trust Company book-entry-only system. The 1994 Bonds shall be initially issued in the form of a separate, single, fully registered typewritten bond for each maturity of the 1994 Bonds (the "Global Certificates"). Each Global Certificate shall be registered in the name of Cede & Co. as nominee (the "Nominee") of The Depository Trust Company (the "Depository") as the "Registered Owner", and such Global Certificates shall be lodged with the Depository until redemption or maturity of the Bond issue. The Paying Agent shall remit payment for the maturing principal and interest on the 1994 Bonds to the Registered Owner for distribution by the Nominee for the benefit of the bondholder (the "Beneficial Owner" or "Record Owner") by recorded entry on the books of the Depository participants and correspondents. While the 1994 Bonds are in book-entry-only form, the 1994 Bonds will be available in denominations of \$5,000 or any integral multiple thereof.

The Authorized Representative shall file with the Depository a Letter of Representations to induce the Depository to accept the 1994 Bonds as eligible for deposit at the Depository. The County is authorized to provide the Depository with the Preliminary Official Statement, together with the completed Depository's underwriting questionnaire.

The execution and delivery of the Letter of Representations and the providing to the Depository of the Preliminary Official Statement and the underwriting questionnaire shall not in any way impose upon the County any obligation whatsoever with respect to persons having interests in the 1994 Bonds other than the Registered Owners of the 1994 Bonds as shown on the registration books maintained by the Paying Agent and Bond Registrar. The Paying Agent and Bond Registrar, in writing, shall accept the book-entry-only system and shall agree to take all

action necessary to at all times comply with the Depository's operational arrangements for the book-entry-only system. The Authorized Representative may take all other action to qualify the 1994 Bonds for the Depository's book-entry-only system.

In the event (a) the Depository determines not to continue to act as securities depository for the 1994 Bonds, or (b) the County determines that the Depository shall no longer so act, then the County will discontinue the book-entry-only system with the Depository. If the County fails to identify another qualified securities depository to replace the Depository, the 1994 Bonds shall no longer be a book-entry-only issue but shall be registered in the registration books maintained by the Paying Agent and Bond Registrar in the name of the Registered Owner as appearing on the registration books of the Paying Agent and Bond Registrar and thereafter in the name or names of the owners of the 1994 Bonds transferring or exchanging 1994 Bonds in accordance with the provisions of Section 11 herein.

With respect to 1994 Bonds registered in the registration books maintained by the Paying Agent and Bond Registrar in the name of the Nominee of the Depository, the County, and the Paying Agent and Bond Registrar shall have no responsibility or obligation to any participant or correspondent of the Depository or to any Beneficial Owner on behalf of which such participants or correspondents act as agent for the Registered Owner with respect to:

(i) the accuracy of the records of the Depository, the Nominee or any participant or correspondent with respect to any ownership interest in the 1994 Bonds,

(ii) the delivery to any participant or correspondent or any other person, other than a Registered Owner as shown in the registration books maintained by the Paying Agent and Bond Registrar, of any notice with respect to the 1994 Bonds, including any notice of redemption,

(iii) the selection by the Depository of the beneficial interest in 1994 Bonds to be redeemed in the event the County redeems the 1994 Bonds in part, or

(iv) the payment to any participant, correspondent or any other person other than the Registered Owner of the 1994 Bonds as shown in the registration books maintained by the Paying Agent and Bond Registrar, of any amount with respect to principal or interest on the 1994 Bonds. Notwithstanding the book-entry-only system, the County may treat and consider the Registered Owner in whose name each Bond is registered in the registration books maintained by the Paying Agent and Bond Registrar as the Registered Owner and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, or for the purpose of giving notices of redemption and other matters with respect to such Bond, or for the purpose of registering transfers with respect to such Bond, or for all other purposes whatsoever. The County shall pay or cause to be paid all principal of and interest on the 1994 Bonds only to or upon the order of the Registered Owner, as shown in the registration books maintained by the Paying Agent and Bond Registrar, or their representative attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligation with respect to payment thereof to the extent of the sum or sums so paid.

Upon delivery by the Depository to the County and to the Registered Owner of a Bond of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee then the word "Nominee" in this Resolution shall refer to such new nominee of the Depository, and upon receipt of such notice, the County shall promptly deliver a copy thereof to the Paying Agent and Bond Registrar.

Section 4. Payment of 1994 Bonds. If the book-entry-system has been discontinued, then the principal of the 1994 Bonds shall be payable upon presentation of the 1994 Bonds at maturity at the principal corporate trust office of the Paying Agent in Portland, Oregon. Payment of each installment of interest due semiannually shall be made by check or draft of the Paying Agent mailed on each interest payment date to the registered owner thereof whose name and address appears on the registration books of the County maintained by the Paying Agent as of the close of business on the 15th day of the month next preceding any interest payment date.

Section 5. Optional Redemption. The 1994 Bonds may be subject to optional redemption, at a price determined by the Authorized Representative, together with accrued interest to the date fixed for the redemption, in whole, or in part, in integral multiples of \$5,000 and by lot within a maturity.

Notice of redemption shall be published as provided by law and shall be given by registered or certified mail not less than thirty (30) days nor more than sixty (60) days prior to the date fixed for redemption to the registered owners of each Bond to be redeemed at the address shown on the registration books of the Paying Agent and the Bond Registrar acting for and on behalf of the County. If the book-entry-only system has been discontinued the 1994 Bonds are redeemable at the office of the Paying Agent and the Bond Registrar.

Section 6. Form of 1994 Bonds. The 1994 Bonds shall be issued substantially in the form as approved by the County and Bond Counsel to the County.

Section 7. Negotiated Sale of 1994 Bonds and Appointment of Underwriters. The Authorized Representative is authorized to negotiate and execute, on behalf of the County, a Bond Purchase Agreement providing for the purchase of the 1994 Bonds with Lehman Brothers Inc., as Managing Underwriter and United States National Bank of Oregon, as Co-Managing Underwriter (the "Underwriters").

Section 8. Appointment of Paying Agent and Bond Registrar and Financial Advisor. Bank of America Oregon, in Portland, Oregon is appointed Paying Agent and Bond Registrar to the County for the 1994 Bonds. The Authorized Representative is authorized to negotiate and execute, on behalf of the County, the Paying Agent and Bond Registrar Agreement. This Agreement shall provide for compliance with Oregon Administrative Rule 170-61-010. The County requests and authorizes the Paying Agent and Bond Registrar to execute the Certificate of Authentication as of the date of delivery of the 1994 Bonds.

In addition, the Board authorizes the appointment of Regional Financial Advisors, Inc. as the Financial Advisor to the County for the issuance of the 1994 Bonds.

Section 9. Appointment of Bond Counsel. The Board does appoint the law offices of Ater Wynne Hewitt Dodson & Skerritt of Portland, Oregon as bond counsel for the issuance of the 1994 Bonds.

Section 10. Covenant as to Arbitrage. The proceeds of the 1994 Bonds shall be used and invested in such manner that the 1994 Bonds shall not become "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations. The County covenants that, within its lawful powers, it will not do, and will refrain from doing, anything in the issuance of the 1994 Bonds and in the investment and expenditure of the proceeds thereof which would result in the interest on the 1994 Bonds becoming taxable for federal income tax purposes.

Section 11. Transfer of 1994 Bonds. If the book-entry system is discontinued, the 1994 Bonds will be issued in certificate form. Then the 1994 Bonds are transferable, or subject to exchange, for fully registered 1994 Bonds in the denomination of \$5,000 each or integral multiples thereof by the registered owner thereof in person, or by the owner's attorney, duly authorized in writing, at the office of the Bond Registrar. The Bond Registrar shall maintain a record of the names and addresses of the registered owners of the 1994 Bonds. The records of the registered bond ownership are not public records within the meaning of Oregon Revised Statutes Section 192.410(4).

All bonds issued upon transfer of or in exchange for 1994 Bonds shall be valid general obligations of the County evidencing the same debt and shall be entitled to the same benefits as the 1994 Bonds surrendered for such exchange or transfer. All fees, expenses and charges of the Paying Agent and Bond Registrar shall be payable by the County. The Bond Registrar shall not be required to transfer or exchange any Bond after the close of business on the 15th day of the month next preceding any interest payment date or transfer or exchange any Bond called or being called for redemption.

Section 12. Printing of 1994 Bonds. If the 1994 Bonds are not in book-entry form, then the Authorized Representative is authorized to contract for the printing of the 1994 Bonds. The Authorized Representative may provide for the printing, in addition to the original issue of 1994 Bonds, of additional bonds to be printed in blank form as to registration and to be designated by appropriate number for the Bond Registrar for delivery to the registered owner upon transfer or exchange of 1994 Bonds. The additional bonds shall bear the dated date of the 1994 Bonds, shall be signed by the manual or facsimile signature of the Chair of the Board of County Commissioners and shall be attested by the manual or facsimile signature of the County Clerk and the Paying Agent and Bond Registrar shall manually sign the Certificate of Authentication as of the date of delivery or transfer of the 1994 Bonds.

Section 13. Tax Levy and Pledge. The County shall levy annually, as provided by law, a direct ad valorem tax upon all of the taxable property within the County in sufficient amount, without limitation, to pay the principal of and interest on the 1994 Bonds promptly as they become due and payable. The County covenants with the owners of the 1994 Bonds to pledge such ad valorem taxes in sufficient amount to pay the principal of and interest on the 1994 Bonds as they respectively become due and payable.

Section 14. Preliminary and Final Official Statement. The County shall cause the preparation of the preliminary official statement for the 1994 Bonds which shall be available for distribution to prospective investors. In addition, an official statement shall be prepared and ready for delivery to the purchasers of the 1994 Bonds no later than the seventh (7th) business day after the sale of the 1994 Bonds. When advised that the final official statement does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained in the official statement not misleading in the light of the circumstances under which they are made, the Authorized Representative is authorized to certify the accuracy of the official statement on behalf of the County.

Section 15. Closing of the Sale and Delivery of the 1994 Bonds. The Authorized Representative is authorized to execute such additional documents, including a Tax Certificate, and any and all other things or acts necessary for the sale and delivery of the 1994 Bonds as herein authorized. Such acts of the Authorized Representative are for and on behalf of the County and are authorized by the Board of County Commissioners of the County.

RE: Resolution In the Matter of Renaming the Multnomah County  
Multidisciplinary Team the Multnomah County Child Abuse Team

I. Recommendation/Action Requested:

Approval of resolution.

II. Background/Analysis

Pursuant to state statute, the Multnomah County District Attorney has formed a multidisciplinary team consisting of different city, county, state and private agencies to coordinate efforts against child abuse. This fiscal year, Multnomah County increased its participation by dedicating two deputies full time to the team. This week, important elements of the team have co-located in Multnomah County's building at 2115 S.E. Morrison. The name "Multidisciplinary Team" does not effectively communicate the mission of the team, and has been seen by some as confusing. Renaming the team the Multnomah County Child Abuse Team will better communicate to the public the purpose and work of the team. Additionally, the Portland Police Bureau unit that is assigned to the team is called the Child Abuse Team. Conforming the names will also improve clarity.

III. Financial Impact

There is no significant financial impact. Any changes in signage and printed material can be absorbed within the current budget.

IV. Legal Issues

There are no legal issues. While the term "multidisciplinary team" appears in state statute, the District Attorney advises there is no problem in the name change.

V. Controversial Issues

No controversial issues are apparent.

VI. Link to Current County Policies:

This resolution does not change the mission or operation of the team. It does improve Multnomah County's communication to the public.

VII. Citizen Participation:

None necessary.

VIII. Other Government Participation:

The name change was approved by the members of the team.

WHEREAS ORS 418.747 requires that the District Attorney of each Oregon County establish a multidisciplinary team to develop protocols for the investigation of child abuse cases and to coordinate the efforts of different agencies in the investigation of child abuse; and,

WHEREAS Multnomah County has formed such a team; and,

WHEREAS important elements of the multidisciplinary team, including members of the District Attorney's office, the Multnomah County Sheriff's office, the Portland Police Bureau and the Children's Services Division have co-located at 2115 Southeast Morrison Street to facilitate its operations and rapid response to incidents of child abuse; and,

WHEREAS child abuse, neglect and fatalities have increased alarmingly over the past few years; and,

WHEREAS public awareness and involvement are important to curbing the incidence of child abuse; and,

WHEREAS the name "multidisciplinary team" does not effectively communicate to the public the nature of the team's work and its availability as a resource; and,

WHEREAS the Portland Police Bureau unit assigned to the team is also known as the Child Abuse Team.

NOW, THEREFORE, BE IT RESOLVED, that the name of the Multnomah County Multidisciplinary Team be changed to the Multnomah County Child Abuse Team.

BE IT FURTHER RESOLVED that signage and printed materials from and about the Child Abuse Team reflect the name change.

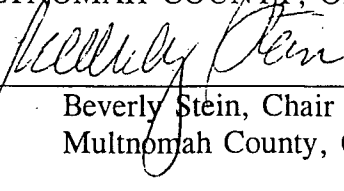

BE IT FURTHER RESOLVED that efforts be undertaken to inform the public of the existence of the Child Abuse Team as a community resource in cases of child abuse or suspected child abuse.

## STAFF REPORT

To: Board of County Commissioners

From: Jim Emerson, Construction Manager

Date: January 27, 1994

Re: Bud Mod for Personnel Changes in Facilities  
Capital Improvements Program

### I. Recommendation/Action Requested:

Approve Bud Mod to reallocate \$23,478 to different object codes within Facilities Capital Improvements Program.

### II. Background/Analysis:

Transfers budgeted dollars from Projects - Contingency to Personnel costs, to reclassify two existing Project Manager positions to the Senior level, and to add 2.0 FTE Project Managers to the CIP Section.

Reclassification is to accomodate increased level of responsibility due to several very large projects running simultaneously (such as Central Library and ADA,) following the guidelines of the job classifications. Justification for two additional positions at the non-Senior level follows:

The CIP Section lost a position to budget cuts in 1990. We managed with current staff (working manager and 4 Project Managers) until 1993, when several additional significant projects were approved within a few weeks: Central and Midland Libraries, McCoy Building and Walnut Park clinics and other projects, the D.A.'s remodels and moves in the Courthouse, and the Sheriff's Inverness warehouse. We have tried alternatives including assigning some projects to Operations and Maintenance staff, and hiring consulting project managers for specific projects (3 so far.) However, O & M staff have been so busy with their own tasks that several Capital projects languish; outside project managers are more expensive and less responsive than staff; and new Contracts rules have hamstrung efficient hiring of consulting professionals.

We are currently handling 28 projects, including all of the prominent ones, but 15 projects are waiting for a Project Manager to be assigned and will not be completed this year. With the new Five-Year Capital Plan providing indication of continued high levels of project activity, and existing CIP

Staff Report: Facilities CIP Bud Mod

employees accruing high levels of overtime and unused vacation, these two new positions are essential if Facilities Management is to provide the services expected by Departments and the bid process required by law.

III. Financial Impact:

Bud Mod does not affect the Section or Division bottom line in 1993-4. Under the Facilities Fund to start July 1, 1994, projects are being budgeted at a level to support the project management component of their costs.

IV. Legal Issues:

Capital projects require project management attention due to laws such as building codes, bidding rules, zoning, and environmental mandates. Jurisdictions include Federal, State, City, and County.

V. Controversial Issues: N/A

VI. Link to Current County Policies:

Consistent with desire to expend appropriated funds without a high percentage of carryover.

VII. Citizen Participation: N/A

VIII. Other Government Participation: N/A

Approval and implementation of new projects of major scope and duration, including Central Library and the A.D.A modifications, makes reclassification of positions handling that work appropriate, and will create a balance between senior and non-senior positions in the division.

Continued approval of C.I.P. Projects, and new contracting mandates, require more staff to accomplish the work. Two new non-senior positions are requested.  
FY1993/94: no budget impact. Future years: funded by projects.

STAFF REPORT SUPPLEMENT

TO: BOARD OF COUNTY COMMISSIONERS

REQUESTED PLACEMENT DATE: November 4, 1993

RE: Exemption request from formal competitive bid process for the Juvenile Justice Division (JJD) to provide Inmate Telephone Services.

I. RECOMMENDATION: The Juvenile Justice Division requests an emergency exemption to continue the contract with Gateway Technologies for the provision of inmate telephone services to the detention facility operated by the Division. the current contract for services at the Juvenile Justice Division Detention Facility is held between the Department of Environmental Services and Gateway Technologies. This exemption is requested for the period February 1, 1994 through June 30, 1994.

II. Background/Analysis: Up until September, Facilities Management believed that inmate phone service in the facility could be provided under the existing Sheriff's Department RFP. It became apparent that the scope of the RFP did not allow this usage and a new RFP process was necessary. Facilities Management processed a contract for three and a half months with the successful bidder to the Sheriff's Department RFP, Gateway Technologies, to avoid a lapse in service while an RFP was prepared. It was at this time that the Division became aware of the need to coordinate an RFP process.

Due to the complicated nature of this type of RFP, staffing levels and the length of time required to complete the process JJD together with Purchasing developed a timeline of approximately five month. The Division is beginning the RFP process now. This would allow for the selection of a successful bidder, the possible transfer in the provision of services from the current Contractor to the successful bidder, and the awarding of a contract by July 1, 1993. Thus, the Division would be able to write a contract for the entire 1994-95 fiscal year rather than the one or two months remaining in FY 1993-94 and then a contract for FY 1994-95.

III. Financial Impact: There is no cost to the county for these services. The anticipated revenue that will be generated is estimated at \$7,350.

IV. Legal Issues:

Other than the signing of the contract, there are no legal issues anticipated.

V. Controversial Issues:

N/A

VI. Link to Current County Policies:

Current County policies require a competitive process for the purchase of telephone services that exceed \$1,000.00.

JJD requires a Single Source Exemption because of the time frame needed to process a Request for Proposal.

VII. Other Government Participation: The resulting contract will be open to other county departments and other government agencies.

A P P L I C A T I O N

Application to the Public Contract Review Board on behalf of a request from the Juvenile Justice Division (JJD) is hereby made pursuant to the Board's Administrative Rule AR 10.140 and adopted under the provisions of ORS 279.015 for an order of exemption to contract for Inmate telephone Services. The revenue that will be generated is estimated to be \$7,350.

This Exemption Request is supported by to the following facts:

1. The attached memorandum from JJD requests an exemption form the competitive bidding process to contract with Gateway Technologies for the provision of Inmate Telephone Services. These services were originally purchased through the competitive Request for Proposal (RFP) process for the Sheriff's Office. This request is for the period ending June 30, 1994.
2. There is no cost to the county for these services. It is a revenue generating service which will provide an estimated \$7,350.00 during the contract period.
3. Competitive bidding for this item is required because the Sheriff's RFP does not allow add on services. JJD is beginning the RFP competitive process now and will have a new contract in place by the end of this contract period.
4. This is a one-time exemption.
5. The Purchasing has reviewed the information provided by JJD and found that it is compatible with proper purchasing procedures and is necessary to meet the timelines of an RFP process.
6. The Purchasing Section recommends approval of the requested exemption.

Dated this 21st day of January, 1994.

94-24.

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to review, pursuant to ORS 279.015(3) (A) through (5) (B) and PCRB Rule 10.140, an exemption for the Juvenile Justice Division (JJD) to contract with Gateway Technologies for the provision of Inmate Telephone Services for the period ending June 30, 1994. The contract will provide an estimated revenue of \$7,350.00 during the contract period.
