Reclassify a 1.00 FTE Finance Specialist 1 to a 1.00 FTE Procurement Analyst, position 714953, in the Business Services Division of the Health Department. Class Comp approved the reclassification effective 07/10/2012 (reclassification #2081). The job responsibilities of this position have expanded to include providing technical assistance to resolve difficult, non-routine, or complex purchasing activities. The position also develops requests for information from vendors, obtains requests for quote or invitations to bid, and creates purchase requisitions, purchase orders, and change orders while ensuring compliance with applicable policies and procedures. In addition, this position is responsible for determining appropriate procurement methods, evaluating, interpreting, and tabulating responses to determine awards, negotiating prices, payment terms, and providing trainings,

instruction, and special order support for Multco Marketplace. This change impacts program offer 40040—Business and Quality-Accounting and Financial Services.

**3. Explain the fiscal impact (current year and ongoing)**

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of the new classification or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of 714953 to a Procurement Analyst increased budgeted personnel cost by \$6,422 because the beginning step for a Finance Specialist 1 is lower than the beginning step for a Procurement Analyst. The increase in cost is offset by a reduction in supplies for no net fiscal impact this fiscal year.

In subsequent fiscal years, the reclassified position will be subject to approved cost of living adjustments (COLA) and step increases in accordance with the collective bargaining agreement with Local 88 and will be funded within the department's budget.
