Subject: Emergency Ambulance Service Contract Compliance Report

The Health Department Emergency Medical Services office and the EMS Contract Compliance and Rate Regulation Committee have completed their review of and report on years five through seven (2009 – 2012) of the second emergency ambulance service agreement with American Medical Response. We are pleased to report that the contractor has met the requirements of the agreement. The department recommends that the Board approve a two (2) year contract extension as allowed for in the agreement.
