Hi Deb,

Looks like we have another senate appointment to make! It sounds like the Democratic Parties of Multnomah and Washington County will be meeting April 26th to select the names to forward to the Counties. Then we have until May 7th to make the appointment.

Could you please check with your commissioners their availability for Tuesday, April 29th? The first week in May doesn't work for us as that's the Portland Business Alliance trip to DC and Chair Brian will be attending that.

4/8/2008

Please let me know as soon as possible if the 29th works for you. There's a slight preference for morning, but nothing set. And as for location, it has to be in SD 17 and I'm working on a spot right now. I'm thinking about PCC Rock Creek, the Tualatin Hills Nature Park, or Cedar Hills Library right now, but haven't narrowed it down.

Thanks!  
~Shelby

# WASHINGTON COUNTY OREGON

April 15, 2008

Dear Senate District 17 Candidate:

Thank you for filing your Statement of Democratic Nominee's Willingness to Serve and for your interest in filling the vacancy in Oregon Senate District 17 created by the resignation of Brad Avakian. This letter will explain the county process should your name be chosen by the Washington and Multnomah County Democratic Central Committees to be forwarded to the Counties.

The Washington and Multnomah County Boards of Commissioners must meet jointly to select a senator-designate from among the nominees by May 8, 2008. A meeting for this purpose has been scheduled for Wednesday, April 30th from 9:00 a.m. to 12:00 p.m. It will be held at the Portland Community College Rock Creek Campus, Building 9, Room 122c. I have been appointed by Oregon's Secretary of State to chair this meeting. The meeting is expected to follow the rules and procedures described below:

Members of the county governing body eligible to vote are those physically or electronically present at the meeting. At the meeting, each county containing a portion of the legislative Senate District 17 is entitled to one vote for every 1000 of its electors residing in the district at the time the vacancy occurred. This means each Washington County Commissioner will have 10.6 votes (a total of 53 votes) and each Multnomah County Commissioner will have 4 votes (a total of 20 votes).

Each nominee shall have a maximum of 5 minutes to make an opening statement. A maximum of 25 additional minutes shall be used for questions and answers between the commissioners and the nominee. No other public testimony or comments will be permitted. The two boards will deliberate immediately following the interviews and vote as provided by law to select a senator-designate.

The Commissioners request that you provide a resume and statement of your reasons for seeking the appointment. Please send this material to: [shelby\\_rihala@co.washington.or.us](mailto:shelby_rihala@co.washington.or.us) or fax it to (503) 846-4545. You may include additional information as well as letters of recommendation as you see fit. ALL materials must be received in the Board's office no later than 3:00 p.m. April 29, 2008.

Sincerely,

Tom Brian, Chairman  
Washington County Board of Commissioners

Hi Shelby,

I would prefer to use the phone bridge we have access to at 503 244-2237. I will call in prior to the meeting, and Multnomah can call when they are ready to test the setup.

If the phone bridge is unavailable (which is a remote possibility) they will be able to connect to the room's phone line via the number 503 614-7361.

It would be very good if I were able to establish a connection with Multnomah before the meeting – is there a technician on their end I can communicate with?

Please let me know if you have any questions.

*Re: Statement of Reasons for Seeking Appointment to Senate District 17*

Dear Washington County Board of Commissioners and Multnomah County Board of Commissioners:

I am seeking appointment to Senate District 17 because I have experience as a legislator, the occupational background and interpersonal skills to be an effective Senator, legislative priorities that are consistent with the district, knowledge of the district and its constituents, and the ability to transition smoothly into the Senate mid-term.

I have experience as a legislator.

As the only candidate for your consideration who is a legislator, I am best prepared for service in the Senate. My work on the House Judiciary, Consumer Protection, and Health Care committees and my advocacy for education issues has given me the practical background needed to be an effective Senator immediately. This experience is especially beneficial for a mid-term appointment.

My occupational background and interpersonal skills make me an effective legislator.

My work as an attorney prepared me well for legislative service. At the Federal Trade Commission in Washington, D.C., I discovered my passion for public policy while participating in discussions during the Reagan Administration regarding when market forces may be sufficient to protect against consumer fraud and when government intervention may be needed and appropriate. In private practice representing individuals and small businesses, I learned that successful civil litigation involves the ability to negotiate effectively and know when to compromise. These skills are also useful in the legislature. In addition, I am proud of my ability, proven in the House, to work with colleagues across the chamber as well as across the aisle. The way to accomplish good public policy, I have learned, is with large doses of professionalism and humility, first-rate listening skills, and mutual respect.

My legislative priorities are consistent with Senate District 17.

From my years of community involvement and my service in the Oregon House of Representatives, I know that the constituents in this area care about a strong system of public education, better access to affordable health care, building our economy, protecting our environment, planning for growth and the increased traffic it brings, and keeping our families safe. These are all issues I worked on in the House and plan to continue working on in the Senate. I have been and will continue to be a champion for public schools, pre-kindergarten through college. As a Washington County resident, I am acutely aware of the growth issues the county faces and the challenges that arise from determining how best to provide governance and services. I applaud the creation

of the Urbanization Forum and I will be monitoring its progress to assure that there is state support for its ultimate recommendations. Additionally, the Senator for this district will need to help craft the best possible comprehensive transportation plan and also participate in securing the funding to implement it. I will work with my colleagues in both chambers and in Congress to find and fund the best solution to our increasing gridlock. Finally, I will continue to look for ways to improve the quality of life in the district by providing funding for public safety and more affordable housing.

I have knowledge of the district.

As the State Representative for half of Senate District 17, I have become familiar with the people who live here and their concerns. I have held legislative town hall meetings with Representative Mitch Greenlick and former Senator Brad Avakian, and have had the opportunity to meet many of their constituents. During the past several years I have formed many relationships within the Senate District. My son graduated from Sunset High School, which is in House District 33, and I know many families who live there. In 2000, I worked on Mitch Greenlick's first campaign, and in 2002 I canvassed Senate District 17 for Charlie Ringo. My husband works in the Pearl District, and for years I served on a non-profit board in Northwest Portland.

I am able to transition smoothly from the House to the Senate.

The appointment to the Senate is to complete the remaining portion of former Senator Avakian's term up to the next general election, in November 2008. I will not need any training to begin the job. With my legislative experience, I will be able to make the transition to the Senate smoothly and immediately begin to represent the district's constituents.

I look forward to answering any questions you may have. Thank you for your service to the public, and for considering me for the Senate appointment.

*Spring 2008*

I am seeking appointment to Oregon's Senate District 17 because I want to take the skills and experience I have gained in the community and in the House of Representatives to the Senate. District 17 is one of the most culturally and economically diverse districts in the state. From the Pearl District to Linnton, from West Sylvan Middle School to Tanasbourne, Senate District 17 has a wide range of businesses, neighborhoods, and needs. My experience serving House District 34 in Salem and my long-standing working relationships with Representative Mitch Greenlick and the district's former Senator, Labor Commissioner Brad Avakian, will allow me to transition effectively into the Senate.

**Occupation:** State Representative. Member, Office of Administrative Hearings Oversight Committee, Oregon Education Benefits Board Task Force, Governor's Mortgage Lending Workgroup, Tort Cap Workgroup, Oregon Law Commission Workgroup on Enabling Statutes, Oregon State Bar Association Admissions Workgroup. Chair, Workgroup on Pesticide Use in and Around Schools.

**Occupational Background:** Consumer Protection Attorney, Community Volunteer.

**Educational Background:** J.D., University of Oregon School of Law; B.A., University of Oregon School of Journalism and Communication; A.S. Lane Community College (Legal Assistant program).

**Prior Governmental Experience:** State Representative; House Judiciary, Consumer Protection (Vice-Chair), and Health Care Committees; Legislative Assistant, Oregon House of Representatives; Attorney, Federal Trade Commission, Bureau of Consumer Protection.

**Community Service:** Board Member, Beaverton Education Foundation; Volunteer: Classroom Law Project, several Beaverton schools, several nonprofit education and arts organizations.

**Family:** My husband, Michael Simon, and I have been married for 23 years. We have two children; Andrew graduated from Sunset High School and is a sophomore in college, and Sara is a junior at Beaverton's Arts & Communications Magnet Academy.

**Endorsed by Those Who Know the District:** *"Suzanne Bonamici has distinguished herself as a true progressive leader by working to improve our schools, the environment, and the everyday life of working families. There is no one I trust more to champion these issues in the Senate."* Labor Commissioner Brad Avakian, formerly Senator for District 17

*"Suzanne Bonamici was a wonderful member of the House delegation and she will be a fantastic Senator. I strongly support her appointment."* Representative Mitch Greenlick, House District 33

**"Rookie of the Year"** Non-legislators working at the Capitol said this in 2007: "A true superstar ... a ton of energy... solid preparation, good questions and an ability to work well with others ... excellent issue mastery." Named Rookie of the Year. *Willamette Week*, June 13, 2007

**Standing Up For Consumers:** As Vice-Chair of the House Consumer Protection Committee, I led the effort to end foreclosure rescue scams and helped pass new protections for victims of identity theft.

**Improving Public Education:** As a Beaverton School District parent and public school advocate, I am committed to strong public schools, pre-K through college. In 2007 I helped to expand Head Start and increase funding for K-12 schools and higher education. I co-sponsored legislation to increase civics education and to provide funding for capital construction. Stand for Children gave me a 100% rating after the 2007 session.

**Better Access to Health Care:** I helped pass The Healthy Oregon Act to develop a comprehensive plan to improve health care and supported legislation to help small businesses offer lower cost health insurance.

**Cleaner, Safer Communities:** The Oregon League of Conservation Voters gave me a 100% rating, and I'm leading efforts to reduce pesticide use in and around schools. I helped add more State Troopers and as a member of the Judiciary Committee, I play a key role in passing laws to fight crime.

Re: Recommendation of Representative Suzanne Bonamici to Senate District 17

This letter is to convey my enthusiastic recommendation for the appointment of Representative Suzanne Bonamici to the vacant seat in Senate District 17. I have known Suzanne for many years, originally as my volunteer coordinator and then as a friend and colleague in the Oregon House of Representatives. I believe she will be a wonderful State Senator.

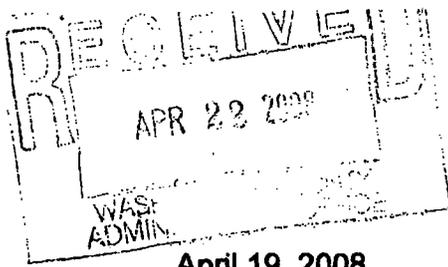

I represent House District 33, the other half of Senate District 17 and consequently have worked closely with her on matters affecting the Senate District. She knows the district and the issues, and with her legislative experience and reputation I have no doubt that she will be an effective Senator.

I am the Chair of the House Health Care Committee, on which Representative Bonamici serves. We have considered many complex issues, including the restructuring of health licensing boards, and her legal background has been particularly valuable in these deliberations. The committee will miss her. Suzanne had several committee assignments as a freshman, and she handled all of her work with a high level of competence and effectiveness. She has expertise in the area of consumer protection law, which makes her a valued resource on issues like mortgage lending and consumer fraud.

Importantly, Suzanne is highly regarded in the Legislature. Even though she is just at the end of her first session, she has already established excellent working relationships across chambers and party lines.

Finally, I am confident that Representative Bonamici will transition smoothly into the vacant Senate seat and will work tirelessly to represent all of the constituents of Senate District 17. I urge you to appoint her to the vacant District 17 Senate seat.

***Re: Senate District 17; Support for Representative Suzanne Bonamici***

**Dear Washington County Board of Commissioners and Multnomah County Board of Commissioners:**

**I am writing to support the appointment of State Representative Suzanne Bonamici to Senate District 17. As someone who has represented both House District 34 and Senate District 17, I am certain that Representative Bonamici is best qualified and prepared to be an excellent Senator.**

**In the district, she is very well-received by constituents. At the Capitol, she is respected in both the House and the Senate and is considered one of the most effective, bipartisan legislators in the building. Her efforts in consumer protection, public education and economic development are well known.**

**I was especially impressed with the work that Representative Bonamici has done on a workgroup I created to explore the effects of pesticide use. As Chair of the Senate Environment and Natural Resources Committee, I knew the group needed a leader who could respect the needs of Oregon's agricultural industry while also considering the possible effects of pesticides. I chose Representative Bonamici as chair. She gathered a wide range of participants with extremely diverse views. Taking into account the needs of farmers, school districts and conservationists, the group met numerous times, crafting several consensus recommendations. This kind of bipartisan success on this issue had never been achieved before.**

**Senate District 17 is currently vacant because of my appointment as Labor Commissioner. Because of the mid-term vacancy, it is essential that the appointee be able to ensure a smooth transition. The residents of my district already know Suzanne Bonamici, respect her and trust her. I am sure you will have fine people to choose from. But, I am certain that the best person for the appointment right now is Representative Suzanne Bonamici. I have endorsed her candidacy and will be actively working to see her elected in November.**

**Please feel free to call me directly at (503)970-9296, and thank you for all you do for our communities.**

**Sincerely,**

**Brad Avakian**

**RE: Letter in Support for Appointment of Representative Suzanne Bonamici to SD 17**

Dear Commissioner Brian,

I am pleased to submit this letter in support for the appointment of Representative Suzanne Bonamici to fill the vacant Senate seat in District 17.

Having known Suzanne for many years I'm continually impressed with her ability to make a difference in whatever project she is working on. She takes the time to research and understand the subject areas of her work. She earns credibility by doing her homework.

Prior to being elected to the Oregon House of Representatives in 2006, Suzanne was an active community volunteer. She served on the board of directors for the Beaverton Education Foundation, volunteered for the Classroom Law Project and with Citizens for Beaverton School/Citizens for School Support, among others.

Representative Bonamici was very productive during the 2007 and 2008 legislative sessions. She helped support an increase in education funding for pre-K through college, as well as helped create a way for school districts to raise funds for capital construction and maintenance. Additionally, she co-sponsored a bill to increase civics and personal finance education.

Providing leadership for consumer protection is another strength. Representative Bonamici is the Vice-Chair of the House Consumer Protection Committee. She serves on the Governor's Workgroup on Mortgage Lending. She was instrumental on the passage of two bills that help consumers affected by the current mortgage crisis.

Representative Bonamici works tirelessly to effectively represent her constituents. She is an outstanding communicator and listener. During the last two legislative sessions I was impressed with her ability to work with many different people, with many different points of view, in a respectful and productive manner.

I enthusiastically support Representative Suzanne Bonamici and urge you to appointment her to the vacant Senate seat in District 17.

Sincerely,

Ryan Deckert

Re: Senate Appointment, Recommendation for Suzanne Bonamici

Dear Washington County Board of Commissioners and Multnomah County Board of Commissioners:

It is my understanding that soon you will be appointing a State Senator for District 17, and that Suzanne Bonamici has indicated her interest in this appointment. I have known Suzanne for many years and I recommend her for this position.

Suzanne and I share the view that excellent public schools are essential to economic development and thriving communities. For several years I had the pleasure of serving with her on the Board of Directors of the Beaverton Education Foundation. Serving on the BEF Board involves a significant commitment. In addition to holding regular meetings, the BEF raises funds for grants to teachers and schools for classroom, summer, and after-school programs that enhance the education of Beaverton students. Suzanne helped not only with the fundraising, but also volunteered additional time during several grant cycles to read and score grants. Her service has always been exemplary and appreciated.

Additionally, both Suzanne and I appreciate the importance of the arts in fostering creativity and in providing cultural opportunities that enhance our state. Suzanne has volunteered her time to help non-profit arts organizations, and she has taken these values with her to Salem and promoted policies that support the arts in Oregon.

I was pleased when Suzanne decided to run for the House, and I endorsed her campaign because I knew that she will be a champion for these causes. I am equally pleased to support her appointment to the Senate.

Sincerely,

Harvey Platt

**Subject:** PCP vote on Senate Dist 17

To Washington County Board of Commissioners and Multnomah County Board of Commissioners :

I am a PCP in Senate District 17, and had intended to attend the April 26<sup>th</sup> meeting of PCPs, convened to forward names of candidates for the County Commission to consider as an appointed replacement for Senator Avakian.

Unfortunately, due to the death of a close friend (the wife of the treasurer of "Save Cedar Mill", ) I will not be able to attend the meeting. (Her husband has asked me to attend the memorial service on Saturday at 10:30, and of course I will go.)

I respect that there are no provisions for proxy or mailed votes. This brief e-mail is simply to inform you that – if I had been able to attend – I would have cast my first vote for Suzanne Bonamici. Her record in the House has been exemplary, she is a very hard worker, her policy positions are well thought out, she knows when and how to cross the aisle to get business done for the people, and she has the sort of record and profile that would well suit the larger Senate district, which I know runs right down to Multnomah County's Pearl District.

Thank you for your consideration.

Re: Recommendation of Rep. Suzanne Bonamici to SD 17

Suzanne Bonamici is a skilled legislator and community leader and is a candidate I highly recommend for the appointment to the open Senate District 17 seat.

From my work on education issues in the metro area, I've had a chance to work with Representative Bonamici on school-related issues and seen her use her advocacy and leadership skills to improve and support public schools. Whether it was her work with the Beaverton Education Fund or in the Legislature, Suzanne has been a consistent and effective force for schools in both the region and the state.

In addition, during her tenure as a legislator, Representative Bonamici has worked with regional businesses – both large and small – to build and support a healthy economic climate for businesses. As the region continues to be the economic engine for the state, Representative Bonamici's ability to partner with businesses to foster a strong, sustainable-focused business climate will be invaluable to the region and regional leaders.

Representative Bonamici demonstrated through her work on the Judiciary Committee in the 2007 legislative session that she was a leader who could assist other legislators in working through complex, challenging issues and help the committee drive to a positive, successful result.

The manner in which Representative Bonamici works is also worthy of note. She is fair, diligent in her preparation for her legislative work, accessible and respectful to citizens and business representatives – all qualities of an effective Legislator.

Citizens of Senate District 17 would be well served by your appointment of Representative Bonamici to the vacant Senate seat.

Sincerely,

April 28, 2008

To: Washington and Multnomah County Boards of Commissioners

Dear Commissioners:

I respectfully submit to you my resume and letters of recommendation for the position of State Senator from Senate District 17. It is a great honor to participate in the appointment process and to be considered for public service as a State Senator.

My reasons for seeking this appointment are rooted in my personal story and my professional experiences in education, social services, and stewardship of resources.

I grew up on a little farm in North Dakota, in one of the 182 counties in the United States designated for 100 percent federal aid under President Lyndon Johnson's War on Poverty. Most of the counties were in the Deep South; 3 were in North Dakota. Although poor, we had multiple riches: family, community, a home, religious faith, and educational opportunity. In fact, I did not know we were poor.

Years later, as a secretary in an inner-city school, and as a clinical social worker in community mental health, I learned about *real poverty* and its devastating impact on children, families, and society. I came to recognize the economic toll of poverty on our state's economic vitality, and on our communities' collective health and viability. I want to be a State Senator in order to write legislation, partner with counties and cities, and promote policies that are economically strategic and pragmatic, are research-based and effective, and are long-term investments for the common good.

For the past 8 years I have used my leadership, interpersonal, and communication skills, my professional education, and my resolve, to bring attention and resources to Oregon's marginalized populations and youngest citizens, and to call for investments in pre-K, K-12, and our universities. I have worked alongside parents, civic leaders, and public officials as a leader, an advocate, and a lobbyist.

I have gained a reputation for being an intelligent, articulate and energetic advocate. I am proud that individuals who represent both ends of the political spectrum, and who come from diverse backgrounds in finance, business ownership, higher education, criminal justice, and social services, have encouraged and endorsed my appointment to the State Senate.

Finally, I would note the strong support given me by residents of *both* Washington and Multnomah Counties at the recent Nominating Convention. I believe it symbolizes the relationships I have with constituents throughout Senate District 17, and their recognition of my commitment to their interests and their concerns. I would be honored to be their State Senator, and I respectfully ask for your vote to make this happen.

Sincerely,

Re: Julie Young, Senate District 17 Vacancy

I am writing this letter as a Multnomah County Resident, an engaged member of the Portland business community and a parent. I understand a hearing will be held on April 25, 2008 to fill the vacancy in Senate District 17. I am writing to urge you to appoint Julie Young to this Senate vacancy.

There are very few individuals who inspire me to take the time to prepare a letter of recommendation and endorsement. Julie Young is that rare individual.

I have known Julie for 9 years and can think of no better representative for this district. The list of her accomplishments and attributes is long and speaks clearly to the quality of this individual and her real passion to serve, as a means of bettering our community.

Julie deserves your consideration and vote for this vacancy as a:

- Demonstrated successful leader- recognized and respected by many organizations.
- A passionate and committed volunteer who has served this community well and is capable of and prepared to make a more significant impact as a Senate member.
- Well educated and experienced in the critical areas of education and mental health and many others that impact our citizens and the quality of our community.
- Intelligent, articulate and able to build consensus within a diverse population.
- Excellent listener and positive advocate for the population she will represent.
- Has strong personal values and the highest ethical standards and integrity.

I am confident that you will not find a better person to represent and serve the citizens of Senate District 17. Julie is a rare and remarkable individual with demonstrated skills, abundant energy, keen intellect and a strong passion to serve.

Please, better our community and state by appointing Julie Young to Senate District 17.

Sincerely,

Dear Commissioners:

I have known and worked with Julie Young in the community for well over a decade, and I want to provide the strongest recommendation for her appointment to the Oregon State Senate.

For a long time, Julie has been a strong activist involved with a wide range of issues ranging from early childhood development to her effective involvement in the Democratic Party. Her extensive work with the City Club Report on Early Childhood Development and her long time grassroots' efforts and leadership role in the Democratic Party are clear examples of her capacity for a legislative role. Her values, principles and especially her integrity bode well for the type of leader we need in the Oregon Legislature.

Once again, I hope you will support her appointment to fill this position in the Oregon Senate.

Dear Chair Brian,

It is my distinct pleasure to submit this letter of support for Julie Young, candidate for Oregon State Senate, District 17.

In my estimation, a great elected official is a person who is caring and compassionate, thoughtful and analytical, open to diverse opinions and multiple ideas, and dedicated to the betterment of our state. Julie holds all of these qualities and exhibits them on a daily basis.

Julie is an alumna of the Master in Social Work program. She's served the school as a volunteer on our Alumni Association, including a term as the Board's president. She is also in her fifth year as a member of the Dean's Advisory Council, a role in which she advocates for the School of Social Work in the community. Her volunteer commitments to the school have been so great that on May 8<sup>th</sup>, the President will confer upon her the President's Award for University Advancement.

What is most inspiring about Julie is that her commitment to children and families compels her to get deeply involved in the systems that serve these populations to make change. She serves on boards, she delves into research, she instigates policy discussions, and she advocates for change.

I wholeheartedly support Julie's application for appointment to the Oregon State Senate. If you have any questions, please do not hesitate to contact me at (503) 725-3997.

Sincerely,

Kristine Nelson

Dear Commissioner:

April 21, 2008

I have known Julie Young as a neighbor, friend, and citizen activist for many years and cannot think of anyone more suitable for appointment to the District 17 State Senate seat vacated by Senator Brad Avakian.

Julie is qualified for a multitude of reasons, and foremost is her intelligence, ability to articulate, work ethic, civility, temperament and maturity. I have observed her dedication to improving our community for all citizens as well as working with people of differing political agendas. She has the ability to research, analyze, draw conclusions and to present her viewpoints skillfully. Throughout, she is respectful, yet tenacious.

When Julie expressed interest in seeking State office some time ago, I was delighted to know that someone of her abilities and character would step forward to the challenging task of public service. You need go no further in your search. As an Oregon State Senator she would embody the motto "service before self" and represent all of us exceptionally well.

Sincerely,

M. Ray Mathis

Dear Washington and Multnomah County Boards of Commissioners:

I am writing a letter of support on behalf of **Julie Young**, who is being considered for appointment to the Oregon State Senate, District 17.

Having worked with Julie on early childhood education efforts over the past few years, I have the highest regard for her intelligence, compassion, composure and commitment—particularly to our **youngest** citizens (pun intended!).

I first met Julie at the State Capitol when Stand for Children was leading a campaign to increase state investment in child care. Since then, we have worked together with several organizations—Stand, Children's Institute, Morrison Center and others—to advocate for early childhood education, K-12, and mental health prevention and treatment for at-risk families. Her work with the Portland City Club's Task Force on Early Childhood Care and Education has been instrumental in laying the groundwork for a variety of emerging state and local policies.

Julie's professional background in social work, education and the legislature—combined with her personal devotion as a mother, grandmother and civic volunteer—give her the range of experience, perspectives and collaborative work style needed to move Oregon forward.

Please feel free to call if you have any questions as you deliberate this important appointment on behalf of our two counties and our state.

Sincerely,

Alissa Keny-Guyer

Washington and Multnomah County  
Boards of Commissioners

Ladies and Gentlemen:

I write in support of Julie Young's application to be appointed to the recently vacated District 17 Oregon Senate seat.

In reviewing Julie's resume, it is easy to qualify her for this appointment. Community Advocate; background in social work especially focused on our most precious resource – our children; and volunteer organizer/supporter for all the issues that make our community livable and humane.

There is an additional fact that can't be listed on a resume'. That is the authentic energy and enthusiasm she brings to this opportunity. Julie sees her highest calling as public service. We could not ask for more in an elected official

She sees herself as a keen observer and energetic learner. That suggests a person who is grounded in her ideals, strong in her positions, and willing to be flexible with observation and more information.

Our community is growing in every way. We require leadership that recognizes that and is prepared to think and act intelligently about all the challenges we face. With her integrity, good humor, and devotion to the common good, I consider it an honor to support Julie Young for this appointment to the Oregon State Senate.

Dear Commissioners,

I am writing to strongly recommend the selection and appointment of Julie Young to the Oregon State Senate seat (District 17). Julie has demonstrated a long and dedicated record of community service on behalf of education, children, and community that speaks loudly about what she is made of and how tirelessly she will work in office.

In addition to her community service record, Julie's professional background in social and educational services has given her a hands-on perspective of the issues that our community faces and the potential solutions to be explored and implemented. She has a significant advantage over other candidates who would not be so well prepared to step in and be immediately effective.

We are incredibly lucky to have such a skilled and dedicated individual ready and eager to serve. I strongly urge you to seize this wonderful opportunity to engage such a capable and collaborative partner.

Thank you,

Mary Roberts

Re: Senate District 17, Statement of Interest for Paul Terdal

Dear Washington and Multnomah County Commissioners,

I am seeking appointment to the Oregon State Senate in District 17 because I would like the chance to give back to the community that I have called my home for my entire life. As a Washington County native, I have had the chance to share in the best that our region has to offer over the past 40 years. I was educated in the Beaverton School District (at Garden Home Elementary, Whitford Junior High, and Beaverton High), and earned my BA from Reed College.

After a few years in graduate school at Brown (M.Sc. Engineering) and Yale (MBA), and a few years working in California and abroad, I returned home with my wife, Tatiana, to start our own family, so that our children (Lukyan, age 2 and a half, and Levko, age 7 months) would also be able to grow up in one of the most livable metropolitan areas in the world.

As State Senator, I will bring a critical skill set that no other member of the Oregon legislature currently possesses: a very solid business and technical understanding of the high-technology companies that already form the core of our regional economy, and of the bio-technology companies that we are working to attract. For the past nine years, I have served as a management consultant to these businesses, in Oregon and throughout the United States and the world. I have helped them to improve their operations, organizational structures, and decision making processes. I understand how these businesses and their technologies work, and the forces that drive them. As the State Senator for a district that stretches from the Pearl to the Silicon Forest, I will be able to work constructively with our corporate citizens to develop and maintain sustainable jobs for our community.

My healthcare background – in bio-technology, pharmaceuticals, medical devices, and distribution – will also be invaluable as we work to solve our health care crisis and help make health insurance affordable and accessible to all Oregonians. I have spent years working with these companies to develop life-saving new devices and medicines, improve efficiency, reduce costs, and increase the quality of operating room and acute care. I have spent hundreds of hours as a volunteer reorganizing Dzherelo, a clinic in Ukraine that serves severely disabled children. I understand where the costs are in healthcare – and where the opportunities are. As we negotiate with industry lobbyists on a healthcare reform bill, my business insight and experience will provide a powerful complement to that of the doctors and nurses already on the legislative team.

I look forward to the chance to meet with you during the appointment hearing on April 30<sup>th</sup>. You will find additional details about my professional experience in high-technology, healthcare, higher education, non-profits, and government in the resume and professional profile that I have submitted along with this statement of interest.

Sincerely,

Paul Terdal

## Paul Terdal

*Candidate for Oregon State Senate District 17*

### Professional Background

Paul Terdal is a management expert; he has worked with for-profit and non-profit organizations in Oregon, and throughout the United States and the world to improve operating practices, organizational structures, and executive decision making. Paul's focus is on custom design of new management processes and practices, and on leading client teams to implement those processes to drive lasting, meaningful change. He has extensive experience in the high-technology, bio-technology and healthcare industries, and in higher education; he has also worked extensively with non-profit organizations and government agencies.

Paul has worked with PRTM, a leading international management consultancy, since 1999. Prior to joining PRTM, Paul was an Engineering executive at Wygant Scientific, a Portland, Oregon-based telecommunications equipment company, and served as the Associate Director for the Reed College Nuclear Reactor Facility. Paul has also served as a Visiting Professor of Non-Profit Management at the Ukrainian Catholic University in Lviv, Ukraine.

Paul was educated in the Beaverton School District, and graduated from Beaverton High School. He has earned a BA Degree in Physics from Reed College, an MS Degree in Engineering from Brown University and an MBA from the Yale School of Management. He has also taken courses at Portland State University, the Oregon Graduate Institute, Portland Community College, Harvard University, and the Yale School of Law, where he studied legislation and the legislative process.

### High-Technology Industry Experience

- \$60 billion Korean consumer electronics company: Designed new corporate-standard product development process for implementation with a Product Lifecycle Management (PLM) computer system. Process to be used by all divisions, with products ranging from memory chips to cellular telephones to home appliances. Incorporated significant management reforms, such as delegating authority for strategic projects to cross-functional teams, empowering staff to innovate and drive business success
- Top business-to-business eCommerce company: Paul conducted a comprehensive operational review of the entire company. Analysis of operating practices led to significant improvements in portal operations, software and service development processes, channel strategy, and customer service. Paul went on to drive product improvements to remedy immediate product shortcomings and address operational issues at the same company
- Major international cellular communications carrier: Paul served as an interim Project Manager, leading a cross-functional, cross-enterprise team in the development and implementation of a new technology for advance payment of cellular telephone charges
- \$80 Billion Japanese consumer electronics manufacturer: Paul designed a product development process benchmarking program. He worked with the client to create a customized set of metrics and questionnaires suitable for each of its 100+ divisions
- Prominent electronics test and measurement equipment manufacture: Paul analyzed human resource management processes, led immediate-term restructuring of assignments to over 100 simultaneous development projects, and advised on development of long-term process improvements. Paul also designed processes and tools for ongoing resource supply / demand balancing
- Leading Japanese maker of UNIX servers: Paul helped the company to implement the Product And Cycle-time Excellence® (PACE®) framework for new product development. Paul facilitated a Process Design Team to create detailed, structured process guidelines, design the Core Team structure, and establish the Phase Review process
- Rapidly growing optical networking equipment manufacturer: Paul developed and implemented product development process improvements. Paul worked with managers from all functional areas to develop detailed process guidelines and templates
- Wygant Scientific, a Portland-based Computer-telephony engineering firm: Directed Engineering, Customer Service, and Production work groups; served on company Executive Board, responsible for managing all aspects of business. Recruited, evaluated and supervised all technical personnel (15 individuals). Designed, developed, and coded software applications for computer telephony integration

### Biotechnology and Healthcare Industry Experience

- *\$80 billion medical products and pharmaceuticals distributor:* Paul helped the client develop a new business unit to deliver new, customer need-driven supply solutions that integrated offerings from multiple existing business units. Paul also designed a change management process and accompanying training materials to assist the client's customers in adopting the new solutions
- *Global healthcare products manufacturer:* Paul designed the phase gate review and governance processes for information systems projects. Paul also guided the client team through the piloting and implementation of its own system development life-cycle process
- *Top global biotechnology company:* Paul served as an interim Program Manager to lead the validation of a computerized learning management system. Paul brought the project back on schedule while ensuring thorough validation of the new system in compliance with 21 CFR part 11
- *Top global biotechnology company:* Paul analyzed processes used to balance supply of human resources with demand for hundreds of simultaneous clinical trials and pharmaceutical development projects. Paul also designed critical structural improvements to help the company improve efficiency and reduce time to market for important new medicines
- *Leading maker of biotechnology analysis equipment:* Paul designed key improvements in the processes for management of new technology development and project team leadership structures
- *Small biotechnology company:* Paul helped to design and implement changes in the program management structure for a project to develop a drug-device combination, establish manufacturing operations, and secure FDA approval. After leading several cross-functional, cross-enterprise teams through a critical project recovery workshop that he designed, Paul then guided the supply chain management team through the supplier audit and verification process. The product has been granted FDA approval and is now on the market
- *Small biotechnology company:* Paul developed a Joint Services Agreement (JSA) between the client, a major pharmaceutical company, and their two contract manufacturers. He guided a cross-enterprise team representing all four parties through definition of organizational responsibilities, team structures, performance metrics, and process flow-charts for material and information flow
- *Small medical device company:* Paul developed a business plan to facilitate the company's search for funding from investors and venture capitalists; successfully obtained initial "angel" funding

### Higher Education Experience

- *Leading North American proprietary education institution:* Paul's team managed the selection and implementation of a major new student management computer system and associated business processes, and planned the roll-out for all 130 national campuses. Paul designed and piloted the training program to educate administrative staff on use of the new system, and served as interim training Director; he recruited and trained the permanent Director and technical trainers
- *Ukrainian Catholic University, the first private liberal-arts university in Ukraine; first Catholic University in former Soviet Union:* Paul held a faculty appointment as a Visiting Professor. He helped launch the Institute of Non-Profit Management – a "business" school for aspiring managers of non-profit organizations in Ukraine; designed curriculum, recruited teaching staff. He led groups of students on visits to Ukrainian non-profit organizations to interview top management about key operational and strategic issues; facilitated follow-up discussions after visits. Paul also designed and implemented an employee evaluation system for the University, and conducted training session for the senior management team (Rector, Vice Rectors, Directors)
- *Reed College Nuclear Reactor Facility:* Recruited by President of Reed College to lead recovery efforts after radioactive fuel leak forced emergency shutdown; designed and implemented recovery plan 5 months ahead of schedule. Negotiated with state and federal regulators, and local Neighborhood Associations, for permission to restart reactor after accident. Continued to serve as Associate Director; managed facility operations, conduct of scientific experiments; supervised staff of student operators; organized and led numerous hands-on laboratory experiences for local high school students

### Non-Profit and Government Experience

- Dzherelo, rehabilitation center and school for severely disabled children in Ukraine: Initiated and led organizational improvements to streamline the organizational structure, improve fund raising strategy and processes, create a professional Development Office, and engage families of students / patients in the center's operation and management
- Portland / L'viv, Ukraine Sister City Steering Committee: Founding member of citizen committee to establish Sister City relationship. Organized visit by senior officials from L'viv, Ukraine city and provincial government, and business executives, to Portland, Oregon in February, 2008 to learn about Portland's innovations and leadership in green technology and sustainable development, and to meet with community leaders and businesses. One local business has already signed a partnership deal as a result, and two others are now negotiating major sales and partnership deals. The City of L'viv has extended a formal request to the City of Portland for Sister City status
- International Elections Monitor, Ukraine: Served as an official elections monitor in Ukraine during "Orange Revolution" in 2004; inspected polling stations in 10 precincts, including both urban and rural areas, along with a prison, a hospital, and a military base
- Democratic Party of Multnomah County: Led Budget and Finance Committee for Multnomah Democrats. Served as member of party's Executive Committee; developed biannual operating budget; set fundraising strategy; recruited and organized volunteers to lead and carry out fundraising efforts. Helped raise sufficient funds to hire professional staff for the first time to coordinate election campaign efforts during 2006 general election
- The Provincial Government of British Columbia: Conducted strategic cluster analysis for three industries in British Columbia: Electronic Components, Specialty Semiconductors, and Fuel Cells
- Oregon Employment Division, Idaho Department of Labor: Supervised design, development, implementation, and post-implementation support of statewide systems for automated unemployment claim submission by telephone
- Washington and Minnesota Departments of Revenue: Supervised engineering, implementation, and support of computerized systems for automated "Tele-Tax" advice and telephone filing of simple tax returns

Dear Mr. Brian,

I write to endorse the selection and appointment of Paul Terdal as successor to Senator Brad Avakian in Senate District 17. I have known Paul for more than 15 years and believe him to be exceptionally well-qualified for this position.

Specifically, I first came to know Paul when he was a student at Reed College and immediately afterward, when I, as Acting President of the College, hired him in early 1992 to develop and implement a plan for restoring our small campus nuclear reactor. Paul worked with the Director of the reactor program to coordinate the technical aspects of the re-start, as well as meeting with staff of the US Nuclear Regulatory Commission and various labor unions surrounding the Reed campus. Those of us working on the reactor program know we were fortunate to have Paul so ably engaged in leading this effort.

Subsequent to the re-start of the reactor, Paul remained engaged as Associate Director for 18 months, and he won high praise for his work in the training of student operators and with high school students.

Throughout this effort, Paul displayed a maturity and professionalism that reflected great credit upon himself and the College. In this work, he showed a professionalism that will serve him and his constituents well as a state senator. In more recent time, I have come to know Paul's commitment to community involvement with membership and first class education at church in Portland; this, too, confirms my views about his personal and family qualities for the position.

I am pleased to recommend Paul's selection as State Senator and would be pleased to talk further with you about his candidacy. You may reach me at 503.946.8231 or at my cell phone: 503.730.8540.

Dear Commissioners:

I am writing to provide a personal reference for Paul Terdal in his desire to seek an appointment to Oregon State Senate District 17. I am a Director with PRTM, a management consulting firm, and have had the pleasure of working with Paul over the past couple years. Paul has been working with PRTM over the past nine years.

There are few, critical attributes that I look for in individuals when providing a reference. These include integrity and strength of character, commitment, openness to new ideas, leadership, and adaptability. I am pleased to say that Paul possesses all of these attributes without question. I don't make this statement lightly; these attributes are the foundation of professionalism and are an important part of what we look for in our consulting staff at PRTM.

Over the course of the past several years working with PRTM, Paul has received a great deal of experience I believe will make him well qualified for the Senate position. These experiences include:

- Working closely with companies in a variety of industries, including high-tech (computers, electronics, software, internet, telecommunications) and health care (bio-pharmaceuticals, medical devices, distribution and supply)
- Having broad work experience on client projects in United States, Japan, and Korea
- Leading diverse teams of individuals from all functions and organizational levels within the client, and from different cultures and countries—oftentimes a challenging endeavor since there is no direct “reporting line” with the client. To succeed, Paul has had to build rapport with the team, develop vision, demonstrate leadership, and leverage team member skills to accomplish the objective
- Driving to real results with our clients – making things happen
- Developing a solid understanding of how organizations are structured and how they work

**TO:** Washington and Multnomah County Commissioners  
**FROM:** David C. Olson  
**SUBJ:** Paul Terdal, Oregon State Senate District #17

It is my pleasure as a citizen to endorse Paul Terdal's candidacy for Oregon State Senate District #17, a pivotal State Senate seat within the legislative delegation of the greater Portland area, vacated due to Senator Brad Avakian's appointment as State Labor Commissioner. Both Multnomah and Washington Counties, along with other local governments in the Portland area, and indeed the State Legislature itself, could greatly benefit from Paul's unique skills, experience, progressive views consistent with those of Senator Avakian and the district, and solid business credentials enabling Paul to reach across the aisle and work at the Legislature with all parties and factions to achieve concrete results .

In my nonpartisan, professional work I have served for many years as Cable Communications Director for the City of Portland and Multnomah County (through the Mt. Hood Cable Regulatory Commission, or MHCRC). Although I write this letter only as a citizen, my professional work has given me considerable exposure to the Oregon legislature over the years, both as legislative staff (1977 and 1979 sessions), as an assistant to former Governor Atiyeh (1982-83), and as a longtime advocate for local government and consumers on telecommunications matters (I have testified numerous times before the State Legislature over the years, and was appointed by Governor Kitzhaber to the Oregon Telecommunications Forum Council in the late 1990s). Based on my professional work as well as my interest in the welfare of Oregon as a citizen, I have developed strong opinions about the need of the Legislature for elected leaders who have both understanding of and experience in technical and business matters, particularly in communications (not least because Intel is Oregon's largest employer!).

Paul Terdal has EXACTLY the kind of skill set the Legislature sorely needs. I have too often seen legislators and legislative committees of well-intentioned members struggle with complex technical and business issues in the course of writing laws of statewide importance. In these situations, the "expertise" of paid lobbyists often carries the day – and not always to the benefit of citizens of the State as a whole. Paul's business and technical background will serve as a needed counterweight to this situation. Moreover, Paul's progressive politics and unquestionable advocacy on behalf of consumers and citizens, as a longtime Democratic party activist, make Paul Terdal the right choice for the critical seat vacated by Senator Avakian.

Although I seldom step outside of my normal professional role to endorse a legislative candidate, Paul Terdal is clearly the right person for this post, and his selection would return dividends to Washington and Multnomah Counties and the citizens of his district for many years to come. I strongly endorse your serious consideration of Paul's credentials and candidacy.

I would be happy to speak with you further about Paul's appointment as State Senator; I can be reached during the day at (503)823-5290, or at home at (503)422-7551.

Sincerely,

  
David Olson

## **Democratic Party Endorsements for Paul Terdal**

*Paul Terdal is a respected and valued member of the Multnomah County Democratic Party Executive Committee. As Chair of the Budget & Finance Committee, he has organized teams of volunteers to develop and champion several innovative new fundraising strategies. Thanks to his success, the Multnomah Democrats had the financial resources we needed to make our 2006 coordinated campaign the strongest ever – and helped provide the votes to re-elect Governor Kulongoski and retake the State House of Representatives. Paul will make a great State Senator for District 17, and I encourage you to join me in supporting him.*

-- Gavin White, Chair, Multnomah County Democratic Party, 2005 - 2008

*Paul Terdal was a critical member of the volunteer team who built up the Multnomah County Democratic Central Committee in 2004-2005. As Chair of the Finance Committee, Paul Terdal put his Yale MBA to work to develop the first written budget in years and to lead fundraising efforts that brought us from about \$1,500 to over \$40,000. Paul Terdal's calm and thoughtful demeanor helped us attract and retain other strong volunteers and helped mediate consensus among the diverse and passionate group of people who made up the Executive Committee and Central Committee.*

-- Jeff Merrick, Chair, Multnomah County Democratic Party, 2004-2005

*Paul Terdal is an active, dedicated and principled community leader who brings a solid and proven business background to the table. He has done outstanding work in his role as Budget and Finance Committee chair of the Multnomah County Democrats. Paul would be an ideal State Senator and would work honestly and diligently in the public interest. I encourage and endorse his appointment to the open position.*

-- Moses Ross, Treasurer, Multnomah County Democratic Party, 2005-2008

*I have been impressed with Paul's hard work for the party. He has been very active for the Democratic Party, chairing the Budget & Finance committee, participating in Executive Committee meetings by phone even when he was traveling on business. He has hosted house parties for candidates. He has also walked his precinct, phone banked for Democratic candidates and provided ideas and helped to solve problems. He is highly respected within the county party organization. I highly recommend Paul Terdal for the position of State Senator.*

To: Washington and Multnomah County Commissioners  
Subject: Reappointment of Paul Terdal to Senate District 17

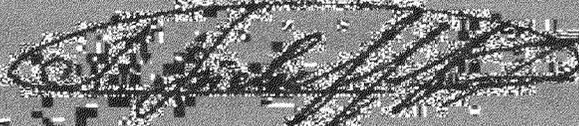

It is with great pleasure that on behalf of the 70,000-80,000 people strong Ukrainian-American Community members in Oregon and SW Washington I support the appointment of Paul Terdal to Senate District 17, following the vacancy of this seat by Senator Brad Avakian. I have known Paul Terdal for about one year, during this time I have been exposed to his strong progressive character, as well as his dedication to diverse populations of the greater Portland area. I believe that Paul's character, dedication and an ability to serve people qualify him for this position.

I hold the position of the President of Ukrainian-American Cultural Association and I am also the Principal of Ukrainian School of Knowledge. The Ukrainian-American Cultural Association was founded in 2006 and is a non-profit umbrella group consisting of businesses, churches, sports groups, schools and individuals who want to promote and showcase Ukrainian language, heritage, culture, and traditions. We also want to provide mental and financial assistance to needy Ukrainians within the USA and abroad. This Association is non-partisan, non-sectarian and non-sectarian. During the time I have known Paul Terdal, he has taken a great interest as well as active role in the work on the Portland-Lviv Sister City Steering Committee. He has produced real results to promote this cause by identifying and accrediting people from both cities to participate and helping organize visits of these individuals, through these visits he has accomplished the following results: strong interest by the Ukrainian visitors in working with Oregon, architects and technology, and learning from Portland's successes in sustainable government, continued business deal with Williams Comins, and strong interest in importing products from Freightliner and Volvo Aarvick Likewise. He has gained the praise of support from the Lviv government for Sister City relationship, as well as the offer by Lviv government to provide free Ukrainian language lessons to Portlanders, and to begin academic and cultural exchanges.

Paul Terdal continues to work closely with the Ukrainian community to help establish an environment in which the community can share what it has to offer with the rest of Oregon and to feel included and valued as Oregon citizens. He has created long and fruitful relationships by building bridges to an eager new market, and helped promote Oregon's leadership in Green Technology and Sustainable Development across the world.

In conclusion, Paul Terdal is an exceptional candidate through his dedication to diverse populations and movement of opportunities for jobs and business relationships, and support of sustainability throughout the world, and I endorse his consideration for his appointment to Senate District 17. I am pleased to recommend him for this candidacy and should you have any questions I may be reached during the day at (503) 807-3899, or at home at 503-590-9709.

Sincerely,

Paul Terdal

Re: Vacancy in Senate District 17

Dear Chairperson Wheeler, Multnomah County Commissioners and Chairperson Brian, Washington County Commissioners:

Effective April 7, 2008, there is a vacancy in Senate District 17 due to the resignation of State Senator Brad Avakian.

Pursuant to ORS 171.060(1) and OAR 165-010-0060, you are hereby notified of the vacancy. The Democratic Party precinct committeepersons of Senate District 17 met on **Saturday, April 26, 2008**, to choose nominees to fill the vacancy. The nominees chosen are:

1. **Suzanne Bonamici**
2. **Julie Young**
3. **Paul Terdal**

The Multnomah County Board of Commissioners and the Washington County Board of Commissioners are hereby directed to meet to appoint one person from the list. The Honorable Tom Brian has been asked to chair the joint meeting of the two boards of commissioners because Washington County has the highest number of registered electors in Senate District 17.

The time and location of the meeting are as follows:

**Time:** 9:00 a.m.  
**Date:** Wednesday, April 30, 2008  
**Place:** Portland Community College, Rock Creek Campus  
Building 9, Room 122C  
17705 NW Springville Rd  
Portland, Oregon 97229

The total number of registered electors in Senate District 17 as of 5:00 p.m. on April 7, 2008, is 19,819 in Multnomah County and 52,756 in Washington County. In accordance with ORS 171.062 each county is entitled to one vote for each 1,000 registered electors or major fraction of 1,000 (more than 500 registered electors, but less than 1,000) and each county commissioner is allotted the following number of votes:

Multnomah County: 19,819 or 20 votes divided by 5 = 4 votes per commissioner  
Washington County: 52,756 or 53 votes divided by 5 = 10 3/5 votes per commissioner

County Commissioners  
April 28, 2008  
Page 2

These votes are apportioned to each county commissioner. If for any reason a county commissioner is unable to attend the meeting on April 30, 2008, that county commissioner's vote would not be cast. The votes are not reapportioned for the remaining county commissioners to cast.

Enclosed is a copy of the Administrative Rule outlining the procedures for the conduct of a meeting to fill a vacancy in the Legislative Assembly. Also enclosed is a Statement which you may use to notify the Secretary of State of the appointment, which includes a signature sheet and a vote tabulation sheet. You may produce and use your own version of these documents if you wish. The completed Statement, signature sheet and tabulation sheet must be returned to this office as soon as possible after the meeting.

Please contact me at (503) 986-1518 if you have any questions about this process. Thank you.

Sincerely,

### (Vacancies)

**171.051 Filling vacancies in Legislative Assembly.** (1) When any vacancy occurs in the Legislative Assembly due to death or recall or by reason of resignation filed in writing with the Secretary of State or a person is declared disqualified by the house to which the person was elected, the vacancy shall be filled by appointment if:

(a) The vacancy occurs during any session of the Legislative Assembly;

(b) The vacancy occurs in the office of a state Representative before the 61st day before the general election to be held during that term of office;

(c) The vacancy occurs in the office of a state Senator before the 61st day before the first general election to be held during that term of office;

(d) The vacancy occurs in the office of a state Senator at any time after the 62nd day before the first general election and before the 61st day before the second general election to be held during that term of office; or

(e) A special session of the Legislative Assembly will be convened before a successor to the office can be elected and qualified.

(2) The person appointed under the provisions of subsection (1) of this section shall be a citizen qualified to hold the office, an elector of the affected legislative district and a member of the same political party for at least 180 days before the date on which the vacancy occurred. The political affiliation of a person appointed under subsection (1) of this section shall be determined under ORS 236.100. The appointment shall be made by the county courts or boards of county commissioners of the affected counties pursuant to ORS 171.060 to 171.064. When the provisions of ORS 171.060 (1) are applicable, the appointment shall be made from a list of not fewer than three nor more than five nomi-

nees who have signed written statements indicating that they are willing to serve furnished by the Secretary of State. If fewer than three names of nominees are furnished, a list shall not be considered to have been submitted and the county courts or boards of county commissioners shall fill the vacancy. The vacancy must be filled by appointment within 30 days after its occurrence or not later than the time set for the convening of the special session described in subsection (1)(e) of this section when that is the basis for filling the vacancy.

(3) If the appointing authority required by this section to fill the vacancy does not do so within the time allowed, the Governor shall fill the vacancy by appointment within 10 days.

(4) Notwithstanding any appointment under the provisions of subsection (1)(c) of this section, when a vacancy occurs in the office of a state Senator before the 61st day before the first general election to be held during that term of office, the remaining two years of the term of office shall be filled by the electors of the affected legislative district at the first general election.

(5) Candidates for the remaining two years of the term of office of a state Senator under subsection (4) of this section shall be nominated as provided in ORS chapter 249 except as follows:

(a) A major political party, minor political party, assembly of electors or individual electors may select a nominee for any vacancy occurring before the 61st day before the first general election; and

(b) The Secretary of State shall accept certificates of nomination and notifications of nominees selected by party rule and filed with the secretary pursuant to a schedule for filing set by the Secretary of State but in any case not later than the 62nd day before the first general election.

(6) The remaining two years of the term of office of a state Senator under subsection (4) of this section will commence on the second Monday in January following the general election. Any appointment under the provisions of subsection (1)(c) of this section shall expire when a successor to the office is elected and qualified. [1981 c.517 §3 (enacted in lieu of 171.050); 1985 c.771 §1; 1987 c.380 §1; 1989 c.207 §1; 1995 c.607 §59]

**171.060 Procedure for filling vacancy by appointment.** (1) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative affiliated with a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the person desig-

nated by the party to receive such notice. The party shall pursuant to party rule nominate not fewer than three nor more than five qualified persons to fill the vacancy. The nominating procedure shall reflect the principle of one-person, one-vote to accord voting weight in proportion to the number of party members represented. At the request of a party making a nomination, the county clerks of each county constituting the district in which the vacancy exists shall assist the party in determining the number of electors registered as members of the party in the district. A person shall not be nominated to fill the vacancy unless the person signs a written statement indicating that the person is willing to serve in the office of Senator or Representative. As soon as the nominees have been appointed, but no later than 20 days after the vacancy occurs, the party shall notify the Secretary of State of the persons nominated. The notification shall be accompanied by the signed written statement of each nominee indicating that the nominee is willing to serve in the office of Senator or Representative. The Secretary of State shall notify the county courts or boards of county commissioners of the counties constituting the district in which the vacancy exists of the nominees and of the number of votes apportioned to each member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of State shall set a time for the meeting of the county courts or boards of county commissioners in order to fill the vacancy and by rule shall establish procedures for the conduct of the meeting. If the district is composed of more than one county, the Secretary of State shall name a temporary chairperson and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of filling the vacancy, pursuant to ORS 171.051 (2).

(2) When any vacancy as is mentioned in ORS 171.051 exists in the office of Senator or Representative not affiliated with a major political party and that vacancy is to be filled by an appointing authority as provided in ORS 171.051, the Secretary of State forthwith shall notify the county courts or boards of county commissioners of the counties constituting the district in which the vacancy occurs of the vacancy and of the number of votes apportioned to each member of the county courts or boards of county commissioners under ORS 171.062 and 171.064. The Secretary of State shall set a time for a meeting of the county courts or boards of county commissioners and by rule shall establish procedures for the conduct of the meeting. If the district is composed of more than one county, the Secretary of State

shall name a temporary chairperson and designate a meeting place within the district where the county courts or boards of county commissioners shall convene for the purpose of appointing a person to fill the vacancy.

(3) A written statement signed by a majority of those qualified to vote upon the filling of any vacancy naming the person selected to fill the vacancy and directed to the Secretary of State is conclusive evidence of the filling of the vacancy by the appointing authority named therein. [Amended by 1955 c.211 §6; 1973 c.773 §2; 1975 c.779 §2; 1977 c.302 §1; 1985 c.771 §2; 1987 c.380 §2; 1989 c.207 §2; 1993 c.797 §17]

**171.062 Filling vacancies in multi-county legislative districts.** (1) When a legislative district in which a vacancy occurs encompasses two or more counties, each county shall be entitled to one vote for each 1,000 of its electors or major fraction thereof residing within the legislative district at the time the vacancy occurs. However, any county having electors in the district shall be entitled to at least one vote.

(2) A major fraction of electors shall be a number greater than 500 but less than 1,000. [Formerly 248.175]

**171.064 Apportioning votes for filling vacancies in multicounty legislative districts.** The number of votes apportioned to each county commissioner in filling a legislative vacancy shall be equal to the total number allotted to the respective county of the county commissioner in the manner set forth in ORS 171.062 divided by the total number of county commissioners of the respective county. [Formerly 248.180]

**171.068 Procedure when vacancy filled after reapportionment.** (1) For purposes of ORS 171.060, 171.062 and 171.064, the county court or the board of county commissioners which shall fill the vacancy in the Legislative Assembly in a district created by reapportionment shall be the county court or board of county commissioners of each county any part of which is in the district that is created by the reapportionment and includes the residence from which the former Senator or Representative was elected.

(2) Each person nominated by a major political party to fill a vacancy in the Legislative Assembly occurring as described by ORS 171.051 in a district created by reapportionment must be registered to vote in the district from which the former Senator or Representative was elected and must have been a member of the same major political party at least 180 days before the date the vacancy to be filled occurred.

(3) This section shall apply only to a vacancy in the Legislative Assembly occurring after the primary election next following re-

apportionment and before a person has been elected and qualified to fill the vacancy. [1983 c.25 §1; 1985 c.771 §3; 1987 c.267 §62; 1987 c.380 §3; 1993 c.797 §18; 1995 c.712 §81].

171.071 [1957 c.164 §2 (enacted in lieu of 171.070); 1959 c.391 §1; repealed by 1963 c.1 §2]

### (Salaries and Expenses)

**171.072 Salary and expenses of members and presiding officers; approval of expenses; tax status; telephone allowance.** (1) A member of the Legislative Assembly shall receive for services an annual salary of \$15,396.

(2) The President of the Senate and the Speaker of the House of Representatives each shall receive for services, as additional salary, an amount equal to the sum allowed each of them as a member under subsection (1) of this section.

(3) A member of the Legislative Assembly shall receive, as an allowance for expenses not otherwise provided for, a per diem determined as provided in subsection (9) of this section for each day within the period that the Legislative Assembly is in session, to be paid with the salary provided for in subsection (1) of this section. Pursuant to procedures determined by the Legislative Administration Committee, a member may draw from an accrued allowance.

(4) A member of the Legislative Assembly shall receive, as an allowance for expenses incurred in the performance of official duties during periods when the legislature is not in session, \$400 for each calendar month or part of a calendar month during those periods, to be paid monthly, and subject to approval of the President of the Senate or Speaker of the House of Representatives, mileage expenses and a per diem determined as provided in subsection (9) of this section for each day a member is engaged in the business of legislative interim and statutory committees, including advisory committees and subcommittees of advisory committees, and task forces and for each day a member serves on interstate bodies, advisory committees and other entities on which the member serves ex officio, whether or not the entity is a legislative one.

(5) In addition to the mileage and per diem expense payments provided by this section, a member of the Legislative Assembly may receive reimbursement for actual and necessary expenses, subject to approval by the President of the Senate or Speaker of the House of Representatives, for legislative business outside of the state.

(6) The President of the Senate and Speaker of the House of Representatives may

delegate to the chairpersons of interim and statutory committees and task forces the approval authority granted to them by subsection (4) of this section, with respect to expenses incurred in attending any meeting of a particular committee or task force.

(7) Amounts received under subsections (3) to (5) of this section are excluded from gross income and expenditures of the amounts are excluded in computing deductions for purposes of ORS chapter 316. If there is attached to the personal income return a schedule of all ordinary and necessary business expenses paid during the tax year as a member of the Legislative Assembly, a deduction may be claimed on the return for legislative expenses paid in excess of the amounts received under subsections (3) to (5) of this section. Expenses of members of the Legislative Assembly that are reimbursed by the state for actual expenses for meals and lodging associated with state travel for the same period during which a legislator receives per diem is subject to state income tax.

(8) For periods when the Legislative Assembly is not in session, the Legislative Administration Committee shall provide for a telephone and an expense allowance for members of the Legislative Assembly that is in addition to the amount allowed under subsection (4) of this section. In determining the amount of allowance for members, the committee shall consider the geographic area of the member's district. The additional allowance shall reflect travel expenses necessary to communicate in districts of varying sizes.

(9) The per diem allowance referred to in subsections (3) and (4) of this section shall be the amount fixed for per diem allowance that is authorized by the United States Internal Revenue Service to be excluded from gross income without itemization. [1963 c.1 §1; 1967 c.66 §1; 1967 c.246 §1; 1971 c.465 §1; 1973 c.250 §1; 1975 c.530 §1; 1977 c.896 §1; 1979 c.557 §1; 1979 c.635 §7; 1981 c.517 §13; 1985 c.782 §3; 1987 c.879 §1; 1989 c.977 §7; 1995 c.658 §86; 1999 c.181 §1; 2003 c.516 §1]

**Note:** The amendments to 171.072 by section 2, chapter 516, Oregon Laws 2003, become operative July 1, 2005. See section 3, chapter 516, Oregon Laws 2003. The text that is operative on and after July 1, 2005, is set forth for the user's convenience.

**171.072.** (1) A member of the Legislative Assembly shall receive for services an annual salary of the greater of:

(a) One step below the maximum of Salary Range 1 in the Management Service Compensation Plan in the executive department as defined in ORS 174.112; or

(b) Seventeen percent of the salary of a Circuit Court Judge.

(2) The President of the Senate and the Speaker of the House of Representatives each shall receive for services, as additional salary, an amount equal to the sum allowed each of them as a member under subsection (1) of this section.

Multnomah County is an Equal Opportunity Employer

BEFORE THE BOARD OF COUNTY COMMISSIONERS  
FOR MULTNOMAH COUNTY, OREGON

**RESOLUTION NO. 08-057**

Filling a Vacancy in the Legislative Assembly, Oregon State Senate District 17

**The Multnomah County Board of Commissioners Finds:**

- a. Effective April 7, 2008, there is a vacancy in Oregon State Senate, District 17, due to the resignation of State Senator Brad Avakian.
- b. Pursuant to state law, on Saturday, April 26, 2008, the Democratic Party Precinct Committeepersons of Senate District 17 met to choose nominees to fill the vacancy.
- c. The nominees chosen were: Suzanne Bonamici, Julie Young and Paul Terdal.
- d. In accordance with procedures established by the Secretary of State, the Washington and Multnomah County Board of Commissioners considered the nominations at a joint public meeting at 9:00 a.m. on Wednesday, April 30, 2008.
- e. In accordance with ORS 171.062 each County is entitled to one vote for each 1,000 registered electors or major fraction of 1,000 (more than 500 registered electors, but less than 1,000) within Oregon State Senate District 17; and each County Commissioner is allotted the following number of votes:

Washington County: 52,756 or 53 votes divided by 5 = 10 3/5 votes per Commissioner  
Multnomah County: 19,819 or 20 votes divided by 5 = 4 vote per Commissioner

- f. At the conclusion of the public meeting the Commissioners voted to appoint Suzanne Bonamici to fill the vacancy, said nominee having received the highest number of votes as indicated on the vote tabulation attached as **Exhibit A**.

**The Multnomah County Board of Commissioners Resolves:**

1. Suzanne Bonamici is selected as the appointee to fill the vacancy in the Legislative Assembly, Oregon State Senate District 17.

2. This Resolution shall promptly be forwarded to the Secretary of State as required by ORS 171.060(3).
