ORDINANCE FACT SHEET

Title Appointment of Citizen Budget Committees Effective Date on passage

Brief statement of purpose of ordinance (include the rationale for adoption of ordinance, a description of persons benefited, and other alternatives explored).

These ordinances are required for appointment of citizen members of the budget committees of each Multnomah County Service District, as dictated by Oregon local budget law.

What other local jurisdictions in the metropolitan area have enacted similar legislation?

Unified Sewerage Agency of Washington County, Clackamas County Service District No. 1, etc.

What has been the experience in other areas with this type of legislation?

It is routine.

What authority is there for Multnomah County to adopt this legislation? (State statute, home rule charter). Are there constitutional problems?

This legislation is authorized by state statute and has not be challenged for constitutionality.

Fiscal Impact Analysis

Without a budget committee there cannot be a legal budget; without a budget, the districts cannot legally expend funds; without expenditure of funds, the districts cannot function.

## INTRODUCTION

Multnomah County Service Districts have been created under the provisions of the Oregon Revised Statutes, Chapter 451, to provide construction and operation of sanitary sewer systems and to provide street lighting in particular areas of the County. The Multnomah County Board of Commissioners serves as the Governing Body of each Service District. The Budget Committee for each Service District consists of the members of the Governing Body and freeholders of the Service District appointed by the Governing Body for terms of three years.

The annual budget for each Service District is prepared under the direction of a Budget Officer designated by the Governing Body. The Budget Committee reviews the annual budget and approves it, either as submitted by the Budget Officer or with revisions requested by the Budget Committee.

This fulfills the requirements of Local Budget Law (ORS Chapter 294), which provides specific methods for obtaining public views and enables the public to be informed about financial policies and administration of the districts.

## EXPLANATION OF THE BUDGET DOCUMENT

This document consists of a detailed display of the Resources and Requirements of each of the four Service Districts in Multnomah County.

Preceding the financial information for each Service District is a brief Budget Message which discusses special items pertaining to the individual Service District, including any major changes in either Resources or Requirements.

## SERVICE DISTRICT FINANCIAL POLICIES

Management of all Service Districts is conducted by the Multnomah County Department of Environmental Services. Each Service District is, however, a separate and independent financial entity. To this end, all expenses incurred by a Service District, including contractual engineering support and management by Multnomah County Department of Environmental Services and Department of General Services, are met with revenue from sewer user charges and connection fees and/or assessments to real property within the street lighting or sewer Service District.

The basis of budgetary accounting for the funds of each service district is as follows:

General Fund	Accrual Basis
Bancroft Bond Redemption Fund	Modified Accrual Basis
Sinking Fund	Modified Accrual Basis
Special Assessment Fund	Modified Accrual Basis

Under the modified accrual basis of accounting, revenues are recorded at the time of receipt except those that are measurable and available and material revenues that have not been received at the normal time of receipt; and expenditures are recorded at the time the liability is incurred. Under the accrual basis of accounting, all revenues are recorded at the time they are earned and expenditures are recorded at the time liabilities are incurred. Budgets are comparative historical cost summaries are prepared utilizing these basis. This practice conforms to Oregon Budget Law.

For financial statement purposes, each Service District is treated as an Enterprise Fund and accounted for on the accrual basis of accounting. This practice conforms to generally accepted accounting principles.

## BUDGET MESSAGE

### DUNTHORPE RIVERDALE SERVICE DISTRICT NO. 1

This district was formed in the middle 1960's and by 1970 had removed a significant source of pollution from the Willamette River. Its 500 users are mainly located in unincorporated Multnomah County, with a few clients in northern Clackamas County, and the city of Portland.

The district's lines are maintained by the city of Portland and its sewage flow is treated at Portland's Tryon Creek Treatment Plant, which is located in Lake Oswego.

Service charges have remained static for several years and are supplemented by a small amount of income from connection fees. The service charge rate is \$15 per single family unit per month.

In accordance with the stated position of the district's governing body, the unappropriated balance is intended to fund the depreciation of the district's facilities.

## BUDGET MESSAGE

### WEST HILLS SERVICE DISTRICT NO. 2

This sewer district was formed in the late 1970's, being assembled from four older county service districts in the southwest hills outside Portland. Of approximately 2000 customers which once comprised this district, some 500 were transferred to Unified Sewerage Agency of Washington County, which previously transported and treated their waste by contract. All but 50 of the remaining homes have been annexed into the city of Portland, which also provides sewage treatment and system maintenance for the surviving district.

A district this small is barely viable, since fixed costs approximate those of larger districts. The service charges are \$24 per month per account this year. The only prospects for reduced sewer charges at this time are annexation to the city or dissolution of the district and individual contracts by the customers as "outside sewer customers." Although the city presently has some such accounts, the latter option seems improbable.

In accordance with the stated position of the district's governing body, the unappropriated balance is intended to fund the depreciation of the district's facilities.

## BUDGET MESSAGE

### CENTRAL COUNTY SERVICE DISTRICT NO. 3

The Central County Service District No. 3 should be dissolved shortly with the sewer responsibility for the area transferred to Portland. O.R.S. Chapter 451 requires that a successor agency be named before a special district can be dissolved. The Implementation Plan for sewers adopted by Portland, Gresham and Board of County Commissioners in September 1985, named Portland as the successor to Central County Service District No. 3.

The Boundary Commission has removed the majority of the territory from the District. Although the anticipated Central County Service District dissolution has not occurred, it is nevertheless projected to take place by city annexation in FY 1988-89.

Both the Bancroft Bond Redemption Fund and Special Assessment Fund are included for historic purposes only.

The D.E.Q. loan for the East Burnside sewer was repaid in 1986. The city of Portland assumed District operations November 1, 1986.

This budget anticipates no revenue resources but utilizes beginning fund balance to pay incidental costs such as audit and filing fees.

## BUDGET MESSAGE

### MID COUNTY SERVICE DISTRICT NO. 14

This county service district (originally known as Tulip Acres Lighting District, when formed in 1968), now includes virtually all the unincorporated urban area of Multnomah County, plus the cities of Maywood Park, Troutdale and Fairview.

At this time, district growth is being outstripped by annexations to Portland and Gresham which constitute automatic withdrawals from the district. Excellent working relationships between the effected agencies assure an orderly transition process with a minimum of "glitches".

Although the district continues to add lights as requested by its residents, its overall budget is diminishing because of the annexations to cities. The assessment rate will be unchanged this year at \$45 per property per year.

## MEMORANDUM

TO: Gladys McCoy  
Multnomah County Chair

VIA: Duane Zussy *Duane Zussy (cc)*  
Director, Department of Human Services

FROM: Gary Smith *GS*  
Director, Social Services Division

DATE: March 18, 1988

SUBJECT: Recommendation for Ratification of Amendment #10 to the State Mental Health Grant and Accompanying Budget Modification

**RECOMMENDATION:** Social Services Division recommends Board ratification of Amendment #10 to the State Mental Health Grant and approval of the accompanying Budget Modification DHS #43.

**ANALYSIS:** Amendment #10 awards an additional \$180,285 to the three mental health programs and local administration. Two new service elements are added in the MED Program--Supported Employment (\$8,332) and Community Support Services to the Homeless (\$79,839 in Stuart B. McKinney funds). \$70,125 is also awarded to serve "difficult to place" clients. \$16,483 is awarded to the DD Case Management Program for FY 87/88 for staff and associated M&S to assist Multnomah County in developing service plans for clients leaving state institutions. Various service elements are also adjusted to reflect actual services/slots provided to date by DD subcontract providers. \$3,361 is awarded to the A&D Program in FY 87/88 only, to provide alcohol and drug free events through schools, parent groups or other recognized organizations in the County for youth 13-17 years old. A maximum of \$200/organization will be awarded with an equal match requirement.

The accompanying budget modification also appropriates \$26,000 received from the City of Portland, Homeless Shelter Fund. This revenue was received in a recent intergovernmental agreement (DHS #279), ratified by the Board on February 11, 1988.

**BACKGROUND:** In part, Amendment #10 provides routine operating adjustments as requested by the County to reflect actual service levels and current needs. Additionally, several new service elements have been awarded to Multnomah County, both as a result of service needs within the County and as the selected recipient for Stuart B. McKinney federal grant funds.

## MEMORANDUM

TO: Gladys McCoy  
Multnomah County Chair

VIA: Duane Zussy *Duane Zussy (cc)*  
Director, Department of Human Services

FROM: Gary Smith *GS*  
Director, Social Services Division

DATE: March 18, 1988

SUBJECT: Recommendation for Ratification of Amendment #10 to the State Mental Health Grant and Accompanying Budget Modification

**RECOMMENDATION:** Social Services Division recommends Board ratification of Amendment #10 to the State Mental Health Grant and approval of the accompanying Budget Modification DHS #43.

**ANALYSIS:** Amendment #10 awards an additional \$180,285 to the three mental health programs and local administration. Two new service elements are added in the MED Program--Supported Employment (\$8,332) and Community Support Services to the Homeless (\$79,839 in Stuart B. McKinney funds). \$70,125 is also awarded to serve "difficult to place" clients. \$16,483 is awarded to the DD Case Management Program for FY 87/88 for staff and associated M&S to assist Multnomah County in developing service plans for clients leaving state institutions. Various service elements are also adjusted to reflect actual services/slots provided to date by DD subcontract providers. \$3,361 is awarded to the A&D Program in FY 87/88 only, to provide alcohol and drug free events through schools, parent groups or other recognized organizations in the County for youth 13-17 years old. A maximum of \$200/organization will be awarded with an equal match requirement.

The accompanying budget modification also appropriates \$26,000 received from the City of Portland, Homeless Shelter Fund. This revenue was received in a recent intergovernmental agreement (DHS #279), ratified by the Board on February 11, 1988.

**BACKGROUND:** In part, Amendment #10 provides routine operating adjustments as requested by the County to reflect actual service levels and current needs. Additionally, several new service elements have been awarded to Multnomah County, both as a result of service needs within the County and as the selected recipient for Stuart B. McKinney federal grant funds.

### MEMORANDUM

TO: Gladys McCoy  
Multnomah County Chair

VIA: Duane Zussy *Duane Zussy (cc)*  
Director, Department of Human Services

FROM: Gary Smith *GS*  
Director, Social Services Division

DATE: March 31, 1988

SUBJECT: Recommendation for Approval of Community Action Agency Program  
Amendment

**RECOMMENDATION:** Social Services Division recommends Board Chair approval of the attached amendment to the Community Action Agency Program (CAAP) revenue contract for the contract term January 1, 1988 through August 31, 1988.

**ANALYSIS:** This amendment provides MCCA an additional \$18,380 in Emergency Community Services Block Grant funds to provide shelter and case management services to homeless individuals in mid- and East Multnomah County. The funds are appropriated in Personnel to cover 746 hours of Case Manager I (at Step 5 for half FY, Step 6 at half FY) and 870 hours of Human Services Assistant staff time to conduct these case management services to the homeless.

While this revenue was anticipated during budget preparation, the total grant award is \$1,386 more than expected. A budget modification <sup>DUANE</sup> is being processed simultaneously with this amendment to appropriate the additional revenue to help cover additional communication and mileage costs.

**BACKGROUND:** These funds were made available through the Stewart B. McKinney Homeless Assistance Act (HR558) and allocated through the State Community Services to CAAP. CAAP and the HR558 Committee of the Emergency Basic Needs Committee agreed to allocate these funds to State Homeless Assistance Program funded agencies like MCCA. MCCA is receiving about 1/3 of Multnomah County's total allocation.
