General Information

1. What action are you requesting from the Board?

The Sheriff's Office requests approval of Budget Modification MCSO-09 to appropriate Fed/State funds from the FY 2007 Oregon Office of Domestic Preparedness Urban Area Security Initiative (UASI) Grant in the amount of \$99,123.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Office of Domestic Preparedness awarded financial assistance for a five-county regional partnership (Multnomah, Clackamas, Washington and Columbia Counties of Oregon and Clark County, Washington) to address the unique equipment, training, planning and operational needs for large urban area preparedness against potential terrorist attacks.

For various reasons, there was an unspent amount of funding left in UASI's Fiscal Year 2007 Grant which expires April 30, 2011. The Sheriff's Office had previously filed a grant request with UASI for the purchase of radios. The grantor has approved to fund 37 radios and associated equipment

with this additional unspent funding because the Sheriff's Office is able to purchase and acquire them before the grant expiration date of April 30th. The new radios are necessary because the Bureau of Emergency Communications (BOEC) is moving from an analog radio system to a digital radio system. The radios currently used by MCSO will not work with the new digital radio system. This action affects Program Offer #60063 MCSO Patrol Services.

3. Explain the fiscal impact (current year and ongoing)

4. Explain any legal and/or policy issues involved.

N/A

5. Explain any citizen and/or other government participation that has or will take place.
