## EXECUTIVE SESSION

April 18, 1989

Present: Commissioner Gladys McCoy, Chair; Commissioner Rick Bauman; Commissioner Gretchen Kafoury. Excused: Commissioner Pauline Anderson.

Litigation - Fairview Property - Toomes Gravel Operation

John DuBay, Assistant County Counsel, reported to the Board that the Fairview City Council is in the process of issuing a permit for gravel pit expansion, and will rezone to allow that action to take place. He requested Board advice about whether or not to proceed with litigation, and explained that part of that process would be to take the appeal to the Supreme Court which it might or might not accept.

Following discussion, it was decided that the Board would not pursue further litigation, but that Charles Ciecko, Parks Manager and John DuBay would pursue further negotiations with Mr. Toombs for 1) a land swap; 2) land purchase, or if that fails, 3) property condemnation.

Adjourned.

At this time, the Board reconvened in Formal Session, and Commissioner McCoy announced the Board had authorized Charles Ciecko, and John DuBay to proceed as directed.

There being no further action before the Board, the meeting was adjourned for Budget Review.
