## General Information

- 1. What action are you requesting from the Board?**  
Informational Board briefing.
- 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.**  
The County has a variety of systems of care that are funded with a mix of state, general, and federal funds. In preparation for the 2011 Legislative Session and the FY11-12 Budget, the Board is requesting a set of worksessions that focus on the systems of care and their funding streams. The Board should be able to walk away from these worksessions with an understanding of systems of care including what programs are state funded and where and how county funding is used. In addition, the Board should have a good understanding of how and where these systems are vulnerable to state cuts.
- 3. Explain the fiscal impact (current year and ongoing).**
