

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR MULTNOMAH COUNTY, OREGON

RESOLUTION NO. 04-015

Approving an Addition to the Prescription Drug Benefit Plan

The Multnomah County Board of Commissioners Finds:

- a. On December 11, 2003, the Board adopted Ordinance No. 1022 requiring Board approval of the compensation plan by resolution prior to adoption of the annual County budget.
- b. The FDA has released a new prescription drug, Raptiva. When that occurs, the medication is added to the prescription formulary with our prescription drug vendor.
- c. The addition of this prescription drug to the County drug benefit plan will increase compensation plan costs.

The Multnomah County Board of Commissioners Resolves:

1. This addition of Raptiva to the County's prescription drug plan is approved.

ADOPTED this 5th day of February, 2004.
