Good morning Commissioners and all:

My name is Nancy Chapin and I currently serve as Secretary/Treasurer on the Foster Area Business Assn. Board of Directors. I have been involved with projects on Foster Road since the Foster Target Area Project in early 2000 and my business has been 1/2 block off Foster on SE 65th for over six years. For the past five years, the Business Association and volunteers have sponsored Fun on Foster, an event to help our neighbors and the Community reconnect to Foster Road as their dining and shopping district. The "center" of this event has been Laurelwood Park which is across the street from the Wikman Building and is a perfect complement in order to create a much-needed Community Plaza and Neighborhood Center as a gathering place for District residents and visitors. This community space will be a great addition to the many new businesses that have opened on The Road in recent years.

A public space available at low or no cost for meetings, events, exercise, sewing and other classes would be an excellent resource for the area. Staff from the city, the county and community service organizations could pay a monthly fee to help with costs and provide services within walking distance for many residents and business people. There are churches nearby which could be willing to allow or lease parking spots. I encourage you to allow this coalition of organizations the time to solidify the funding plan for this project in order to move Foster Road one step closer to being the Commercial and Social center of the Community surrounding it. The Arleta Library/Wikman Building was an important part of the growth and strength of the area and it would be excellent to have it back again in that uniting role.

Thank you for your thoughtful consideration of our proposal and be sure to join us "on the Road" in June and September for F.A.B.A.'s annual opportunities to have "Fun on Foster!"
