General Information

1. What action are you requesting from the Board?

Approval of staffing adjustment resulting from the reclassification of one position. This change will not impact the Health Department's total FTE for FY 2018.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Reclassify a 1.00 FTE Licensed Community Practical Nurse to a 1.00 FTE Medical Assistant, position 714509, in the Integrated Clinical Services Division of the Health Department. Class Comp approved the reclassification effective 2/21/18 (reclassification #3986). The primary purpose of the position is to provide clinical support to the patient care team and work closely with physicians, mid-level providers, and other team members to help ensure high quality patient care. This position will obtain vital signs and collect data from patients; prepare patients for exams and procedures, including equipment set-up and specimen collection; perform provider ordered examinations and procedures; order labs tests, draw blood, and administer immunizations and injections as directed; maintain clinical instruments and equipment; order materials and supplies; complete referral paperwork and assist clients with scheduling tests and appointments; provide patient education; and provide back-up support as needed.

This change impacts program offer 40029 – Rockwood Community Health Clinic.

3. Explain the fiscal impact (current year and ongoing).

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of the new classifications or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of position 714509 to a Medical Assistant decreased budgeted personnel cost by \$10,364, because the Medical Assistant is at a lower paygrade than the Licensed Community Practical Nurse. The decrease in cost is offset by an increase in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

In subsequent fiscal years, the reclassified position will be subject to approved cost of living adjustments (COLA), step and merit pay increases in accordance with collective bargaining agreements and county personnel rules. Costs will be funded within the department's budget.
