General Information

1. What action are you requesting from the Board?

The Department of Community Services is asking the Board to approve an amendment to an Intergovernmental Agreement (IGA) with the Oregon Department of Transportation, Driver and Motor Vehicle Services (DMV) Division for collection of county vehicle registration fees (VRF) on behalf of County.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer(s) this action affects and how it impacts the results.

The amendment performs a minor housekeeping item to the IGA to implement a change in ORS 801.041 (County Registration), as amended via House Bill 2149 and approved in Oregon's 2017 Legislative Session. HB 2149 added vehicles registered under ORS 805.110 to former prisoners of war as now exempt from paying the County's VRF. This change in HB 2149 affecting the County VRF becomes effective January 1, 2018.

3. Explain the fiscal impact (current year and ongoing).

Minimum fiscal impact is expected from this change.

4. Explain any legal and/or policy issues involved.

No legal and / or policy issues are involved.

5. Explain any citizen and/or other government participation that has or will take place.

This proposed amendment has been prepared in coordination with DMV. Upon the County's approval, the amendment will return to the State to acquire the necessary signatures and execute the contract.
