I believe the \$60k can qualify, but due to the timing of work and when we would be awarded, I didn't specifically call it out since timing might affect whether or not the \$60k qualifies. Either way, our in-kind staff time would easily meet the match requirements.

Does the \$60k that is currently included in the FY14 budget qualify as a match? The match that is mentioned is in-kind staff.

Hi Ching,

I am working on a Notice of Intent for a TGM Grant for Transportation System Planning. I've attached for your review and Electronic Copy of the NOI for your review. If it looks good, could you email me your approval so I can forward it to Kim for submittal to the Board Clerk. I'm hoping that we can do this all electronically.

Let me know if you have any questions.

Thanks,  
Joanna
