General Information

1. What action are you requesting from the Board?

The Department of County Human Services (DCHS), Aging & Disability Services Division (ADSD) is requesting approval with this Notice of Intent to apply for a \$9,800 grant from GROW, Advantis Community Foundation Funds to develop the Project Safe Elders service which provides personal emergency response services to at risk seniors.

Due to short filing timelines for this grant, the department is requesting retroactive approval to apply. In the event that the board does not approve this request, the program will withdraw from consideration.

- 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.**

The purpose of the grant is to offer frail, low-income, homebound seniors with health challenges a one-year enrollment in a personal emergency response system. The services will be targeted to individuals who are wait listed for in-home support services with the goal of reducing the financial costs and health risks around falls and meeting the safety needs for these individuals. Providence Health Systems will also be a partner in the project, providing a subsidy of up to \$8,460. The goal is to serve 36 participants within the 12-month period.

This action will impact program offer #25020 – Aging and Disability Services – Access and Early Intervention Services. The impact of the grant is that we will provide personal emergency response services to at risk seniors.

- 3. Explain the fiscal impact (current year and ongoing).**

The grant will provide a total of \$9,800 in revenue to ADSD for one year, with an in-kind subsidy from Providence Health Systems of \$8,460.

- 4. Explain any legal and/or policy issues involved.**

None

- 5. Explain any citizen and/or other government participation that has or will take place.**

Partnering with Providence Health Systems to implement the project.
