Creek Bridge and Declaring an Emergency)

O R D E R

#88-53

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to review, pursuant to AR 10.110, a declaration of emergency for replacing Dairy Creek Bridge.

It appearing to the Board that the declaration of emergency, as it appears in this order, is based upon the fact that the existing structure is unsafe for legal loads over five (5) tons; and the bridge is the only access for area trucking including agricultural, garbage, school buses, and fire emergency vehicles.

It appearing to the Board that the declaration of emergency is in accord with the requirements of the Multnomah County Public Contract Review Board Administrative Rules AR 10.110, and 30.010; it is, therefore,

ORDERED that DES Transportation Division be exempted from the requirement of public bidding for this project.

Dated this 21st day of April , 1988.
