General Information

1. What action are you requesting from the Board?

Approval of staffing adjustment resulting from the reclassification of three positions. This change will not impact the Health Department's total FTE for FY 2019.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Reclassify a 0.80 FTE Community Health Nurse to a 0.80 FTE Community Health Specialist 2, position 716679, in the Corrections Health Division of the Health Department. Class Comp approved the reclassification effective 9/12/18 (reclassification #4159). This position will be responsible for working with the Health Assessment Team, part of the Department of Community Justice (HAT), as well as participants, to identify primary care, mental health, and substance abuse needs; developing goals and treatment plans as part of client transition plans; making referrals to other resources within the county and community; assisting in the coordination of treatment and care of clients post-release, including making appointments; conducting outreach to groups or organizations that work with or support those going in or coming out of correctional facilities; partnering with family and support members to provide a team approach for supporting clients; maintaining written documentation of all activities; assisting in the development of educational materials for outreach and presentations; building relationships with community partners; and

participating in regular meetings with the HAT program members for client progress, networking activities, case-specific questions, and relaying of community feedback and perspectives. This change impacts program offer 40050A – Corrections Health Multnomah County Detention Center (MCDC).

Reclassify a 0.80 FTE Physician to a 0.80 FTE Nurse Practitioner, position 716766, in the Integrated Clinical Services Division of the Health Department. Class Comp approved the reclassification effective 9/19/18 (reclassification #4168). This position will be responsible for assessing clients and their health histories; conducting physical exams; ordering and interpreting diagnostic tests; devising a course of treatment, determining alternative treatments, and discussing risks and benefits of treatment; prescribing and monitoring medications; counseling patients and reassessing patients at appropriate intervals; prioritizing and directing proactive care for patients, including preventive health screening and chronic disease management; establishing needs for specialty and rehabilitative services, and making referrals; determining needs and scheduling for high risk referrals; seeking clinical consultation from physician as needed; providing consultation to nurses and support staff; prioritizing and direct activities of care team; coordinating with behavioral health providers to integrate care; providing coverage for clinical colleagues in their absence; and completing patient documentation and managing electronic in-basket. This change impacts program offer 40019 – North Portland Health Clinic.

Reclassify a 0.90 FTE Data Analyst to a 0.90 FTE Data Analyst Sr, position 713143, in the Mental Health and Addictions Services Division of the Health Department. Class Comp approved the reclassification effective 9/19/18 (reclassification #4169). This position will be responsible for building complex reports for critical business functions and compliance with funding requirements; designing and developing complex reports containing advanced formulas and mathematical modeling; developing, reviewing, and updating the analysis of data collection work flows and redesigning processes; developing reporting processes/workflows that integrate data from current spreadsheet processes into more efficient processes; examining business processes and making recommendations to senior management for reporting output; designing, developing, testing, and implementing data processes and reports using CIM data, SQL Queries, and SQL Server Reporting Services; extracting complex information and data from multiple systems and providing ad hoc reports and data analysis; working as a liaison between several teams in the development, implementation, and maintenance of complex data systems, data extracts, and reports; assisting in converting existing data processes into more dependable systems and processes; identifying opportunities for workflow and process improvements to enhance and maximize functionality of reporting; providing training and team leadership for provider data entry and billing staff; providing technical assistance for providers; assisting program staff in data system development and data analysis; developing staff and provider training materials; providing data to support the annual budget process; and providing assistance with ad hoc data analysis functions. This change impacts program offer 40068 – Mental Health Quality Management & Protective Services.

3. Explain the fiscal impact (current year and ongoing).

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of the new classifications or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of position 716679 to a Community Health Specialist 2 decreased budgeted personnel cost by \$26,849, because the Community Health Specialist 2 is a lower paygrade than the Community Health Nurse. The decrease in cost is offset by an increase in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

The reclassification of position 716766 to a Nurse Practitioner decreased budgeted personnel cost by \$62,199, because the Nurse Practitioner is a lower paygrade than the Physician. The decrease

in cost is offset by an increase in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

The reclassification of position 713143 to a Data Analyst Sr decreased budgeted personnel cost by \$10,423, because the Data Analyst Sr is budgeted at lower step than the Data Analyst. The decrease in cost is offset by an increase in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

In subsequent fiscal years, the reclassified positions will be subject to approved cost of living adjustments (COLA), step and merit pay increases in accordance with collective bargaining agreements and county personnel rules. Costs will be funded within the department's budget.

4. Explain any legal and/or policy issues involved.

Budget Modification

6. What revenue is being changed and why? If the revenue is from a federal source, please list the Catalog of Federal Assistance Number (CFDA).

No change in revenues.

7. What budgets are increased/decreased?

The Health Department's budget will have the following changes:

- Permanent personnel budget will decrease by \$67,375
- Salary related expense budget will decrease by \$27,481
- Insurance benefits budget will decrease by \$4,615
- Temporary budget will increase by \$67,375
- Non Base Fringe budget will increase by \$27,481
- Non Base Insurance budget will increase by \$4,615

These changes will have no financial impact on the budget and do not change the Health Department's total FTE.

8. What do the changes accomplish?

Change of classification for positions 716679, 716766, and 713143 better fits the duties of these positions as determined by the Class/Comp Unit of Central Human Resources.

9. Do any personnel actions result from this budget modification?
