  - 129 adults
  - 138 children
  - 267 total in families
- 85 single women or pregnant couples served
- 41 families housed, 11 more pending

# Other Benefits

- Families with no other place to go are safe, dry and warm
- School aged children remain in school
- Public health benefits
- Matching families with appropriate services to overcome specific problems

# Marjorie and Myesha

- Left abusive husband in MT with promise of a job in Portland
- Job did not come through, income was TANF and food stamps
- Never homeless before
- Entered shelter in December
- Myesha enrolled in CTS
- Worked with Housing and Employment Specialists
- Needed rent assistance for move in and initial 3 mos rent
- Now working full time, Myesha in neighborhood school

# THANK YOU!
