## General Information

### 1. What action are you requesting from the Board?

No action is necessary, this is a briefing by Steve Barber from Barber & Gonzales Consulting about using an interest based approach to decision making, leadership and conflict negotiation.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Multnomah County Auditor's Office has undertaken a special report on Domestic Violence that will be released within the month. During the course of writing the report it became evident that the need for effective collaboration is one that can be seen across many sectors. No one individual or organization alone can solve large scale inter-jurisdictional problems, and in times of budget shortfalls increased coordination is essential.

The hope is that through strategic collaboration, the entire community can work together to build the capacity to create a solution greater than the sum of its parts. This briefing is an opportunity for the Board of County Commissioners to learn more about the possibilities that are generated from a new approach to collaboration.
