General Information

1. What action are you requesting from the Board?

The Department of County Human Services recommends approval of budget modification DCHS11- 25, reclassifying two 1.00 FTE, a Program Supervisor position to a Program Development Specialist Senior and a Project Manager to an Operations Supervisor in Developmental Disabilities Services Division (DDSD), as approved by the Class/Comp unit of Central Human Resources.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This budget modification reflects an HR Class/Comp decision on two reclassification requests initiated by DDSD management in Program offer #25015 – DD Coordination, Monitoring and Crisis Services Unit. It reclassifies position 713954 from a Program Supervisor (JCN 9361) to a Program Development Specialist Senior (JCN 6088) position on July 1, 2011 and position 712375 from a Project Manager (JCN 9063) to an Operations Supervisor (JCN 9025) immediately.

The program development specialist senior will function as the pivot-point through which all DDSD programs and services are coordinated. The position will lead Program Development Specialists including providing daily oversight and technical assistance regarding ORS interpretation and requirements; coordinate and provide technical assistance to the 6 brokerage agencies, coordinate development of division/county policies and procedures relating to brokerage relations. This position is responsible for compliance to OAR's related to Support Services; is the liaison to SPD and participates in the regular on-site and complaint reviews conducted by SPD; provides technical assistance to service providers; day-to-day problem solving assistance to case managers, other PDSs, DD management and others; and is project assistant on the program monitoring database project. The purpose and responsibilities of this position no longer fit the Program Supervisor classification.

The operations supervisor will supervise DD's Chart Room, staff and the records function. Additionally they will assure DDSD is in compliance with Federal and State Medicaid policies by providing oversight of all case files by way of regular file review and developing protocols to assure that case files are current and accurately processed.

3. Explain the fiscal impact (current year and ongoing)

Personnel costs will decrease over time, as the pay scale for the Program Development Specialist Senior is lower than that of a Program Supervisor, and will be addressed in the amendment phase of the FY12 budget. The current year fiscal impact is neutral as the position is not officially reclassified until July 1, 2011.

4. Explain any legal and/or policy issues involved.

5. Explain any citizen and/or other government participation that has or will take place.
