**1. Brief overview of grant's purpose and/or impact.**

This grant program funds part of the Multnomah County Domestic Violence Enhanced Response Team (DVERT). Our current grant award ends December 31<sup>st</sup> 2017. This continuation grant, if awarded, will provide continued partial funding for DVERT through December 31<sup>st</sup>, 2020.

The DVERT Team was established in 2004 to provide a coordinated, multidisciplinary response for high risk / high lethality domestic violence cases through partnership with local law enforcement agencies, community-based advocacy agencies, and other partners in the criminal justice and civil legal systems. DVERT has received federal grant awards to support this program since 2006.

Grant funding will support .25 FTE of the DVERT detective position from Multnomah County Sheriff's Office and will (via contracted pass through) fund approximately .25 FTE of the DVERT Sergeant with Portland Police Bureau and 2.0 FTE domestic violence advocates from community-based victim advocacy agencies.

**2. Brief overview of how proposal is aligned with Department's strategic direction.**

The Department of County Human Service's "North Star" is: "By 2025 in Multnomah County, every person – at every stage in life – has equitable opportunities to thrive." DCHS strives to reach this North Star through three main focuses of Quality of Life, Education for All and Equitable Economic Opportunity for All.

The mission of the Multnomah County Domestic Violence Enhanced Response Team (DVERT) is to increase victim safety and offender accountability in high risk / high lethality domestic violence cases through a collaborative interagency response that considers the needs of victims and their children. This grant will help us to continue to achieve the goals of DVERT which are very much aligned with the larger DCHS's North Star focus of Quality of Life as well as equitable opportunities to thrive.

**3. Describe any community and/or government input considered in planning for this grant.**

The DVERT Steering Committee meets monthly and participates in system analysis and development for DVERT. The Steering Committee includes representatives from several

victim services nonprofit agencies, Multnomah County Sheriff's Office, Portland Police Bureau, Multnomah County Department of Community Justice, Oregon Dept of Human Services (Self Sufficiency and Child Welfare), among others. Several planning meetings were held to discuss this grant application where partners were able to offer input and guidance into the creation of the grant proposal.

**4. What partners may be included in program activities?**

Multnomah County Sheriff's Office, Portland Police Bureau, Multnomah County Department of Community Justice, Multnomah County District Attorney's Office, Oregon Dept of Human Services (Self Sufficiency and Child Welfare), El Programa Hispano Catolico and Volunteers of America Home Free.
