To whom it may concern,

I am trying to figure out if I need to attend the public hearing on behalf of the fire district as the Fire Marshal.

Unfortunately, the ordinance link is a circular link and always takes me back to the board meeting main page.

Can you please forward me a copy of the ordinance and perhaps correct the link?

Additionally, if the link is truly broken, I am assuming the general public will not have had the requisite time to evaluate whatever is in the ordinance and the time between the 28th of April and the 4th of May should be reset.

At this time, the fire district wishes to ask that no action be taken at the public hearing since there is no time to evaluate the ordinance.

Here is the broken link:

Thank you in advance for your assistance.

Respectfully,

Jeff Pricher

Yes, the link takes you to our home page/board packet site. I am sorry, I know that finding documents can be frustrating. This will take you directly to the agenda. Then click on the item, which is R.1 on the regular agenda, immediately following the Consent Agenda, and Public Comment, at approximately 9:40 am.
