

The report of the Audit of animal Services is housed on a website. The URL for the site is: www.multco.us/auditor/animal-services

The site contains You Tube videos of our report, as well as a comprehensive pdf of the video transcripts.. This pdf is a rather large file, so it might be preferable to post to the Board agenda the distribution packet (also attached). This packet includes the County Auditor's cover letter, the DCS response letter, our recommendations, and our audit overview.
