## General Information

### 1. What action are you requesting from the Board?

The Department of Community Justice (DCJ) requests approval of budget modification DCJ-07-17. This budget modification appropriates \$75,000 of new Adult Drug Court Discretionary grant funding from the Bureau of Justice (BJA).

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The BJA Drug Court Enhancement Housing grant will contribute to the success of the county's Adult Drug court, Success Through Accountability, Restitution and Treatment (START) program by ensuring a full array of interventions other than substance abuse treatment. The grant funds will pay for low barrier housing, rental assistance and a housing specialist who will provide assistance with housing issues.

START Drug Court participants will receive rental assistance for which they have an assessed need. Participants are unlikely to succeed in treatment if they do not have a safe, stable, and drug free place to live. Low barrier housing can assist the drug courts' long term success through meeting participant's basic needs and thus reducing the amount of relapses, improve participant's symptoms of distress, and improve participants' long-term adaptive functioning.

The funds will be added to the Department of Community Justice Program Offer 50030-Adult Property Crimes Programs.

**3. Explain the fiscal impact (current year and ongoing).**

This grant is a three year grant for the period of October 1, 2016, through September 30, 2019, with \$100,000 awarded for each grant year. Budget Modification DCJ-07-17 adds \$75,000 of the grant revenue and expenditures to the Fiscal Year 2017 period of October 1, 2016, through June 30, 2017.
