General Information

1. What action are you requesting from the Board?

The Department of County Human Services recommends approval of budget modification DCHS11-08, reclassifying a vacant 0.50 FTE Program Development Specialist (PDS) position to a Program Coordinator position in SUN Service System Division (SUN), as approved by the Class/Comp unit of Central Human Resources.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This budget modification reflects an HR Class/Comp decision regarding new Program Development Specialist position initiated by SUN Service System in Program Offer 25147 – Child & Family Hunger Relief. The position request, after being reviewed by HR Class/Comp, has been reclassified to a Program Coordinator per reclassification request #1498.

A major component of this new position is the coordination of efforts to relieve hunger in schools. This entails considerable outreach, organization, facilitation and participation in meetings with various stakeholders in the development of guidelines, standards, policies and procedures. This does not describe a sole contributor, but rather, a job that accomplishes work through others. This work

along with the rest of the described responsibilities is best reflected in the Program Coordinator classification.

3. Explain the fiscal impact (current year and ongoing).

The current fiscal year budget impact and the on-going financial impact of this reclassification are neutral since the position is currently vacant and the pay scales are the same for both job classifications.

4. Explain any legal and/or policy issues involved.

5. Explain any citizen and/or other government participation that has or will take place.
