## MULTNOMAH COUNTY SERVICE DISTRICTS' APPROVED BUDGETS FOR FISCAL YEAR 2010-2011

### **Budget Message — Dunthorpe-Riverdale Service District No. 1**

This District was formed in the middle 1960's and by 1970 had removed a significant source of pollution from the Willamette River. Its 560 clients are mainly located in unincorporated Multnomah County with a few customers in northern Clackamas County. Through its wastewater management program, the District is able to provide high quality service to ratepayers while protecting the area's sensitive surface water features from sanitary sewer overflows.

The District contracts with the City of Portland's Bureau of Environmental Services (BES) to maintain the District's lines and treats the sewage flow at Portland's Tryon Creek Treatment Plant. BES also provides design and engineering services for construction, reconstruction, and/or improvement of the District's facilities. The District continues to coordinate planned capital maintenance projects with the City of Portland Water Bureau's capital program. The fiscal year 2011 capital program is proposed at \$200,000. The capital work will focus on preliminary engineering for the planned rehabilitation of the force main pipe exiting the Riverview pump station, final construction payments associated with Elk Rock bypass pipe, site improvements at the Elk Rock pump station and miscellaneous smaller pipe rehabilitation projects spread throughout the District. The Projects are identified in the District's twenty (20) year sanitary systems facilities plan as requiring attention to ensure the District is prepared to offer reliable service to the properties it serves.

The current service charge is \$114.00 per month for line connections to the District system. To meet the anticipated treatment, maintenance, debt repayment and capital requirements for FY 2011 the District rate was approved to move to \$ 119.00 per month. This new rate provides the District with the necessary operating resources to match needs. An unappropriated ending fund balance at 350,250 is intended to support the District's capital plan.
