

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR MULTNOMAH COUNTY, OREGON
ACTING AS THE PUBLIC CONTRACT REVIEW BOARD

In the Matter of Exempting From Public)
Bidding the Purchase of an Ares II Robot)
from 21st Century Robotics)

O R D E R
89-200

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to consider a request from the Sheriff's Office, Crime Prevention Unit, for an order exempting from the requirement of public bidding a contract with 21st Century Robotics for the purchase of an Ares II Robot in the amount of \$19,950.00.

It appearing to the Board that the recommendation for exemption, as it appears in the application, is based upon the fact that the single seller of the Ares II Robot is 21st Century Robotics. The Ares II Robot is to be used for drug education, primarily in schools, and was determined to be the best method of gaining the attention of school children. Five thousand dollars has been donated for the Robot by the Soroptimist of Oregon, thereby decreasing the total price to \$14,950.00.

It appearing to the Board that this request for an exemption is in accord with the requirements of the Multnomah County Public Contract Review Board Administrative Rules AR 10.010, 20.030, and 30.010; it is, therefore

ORDERED that the purchase of the Ares II Robot from 21st Century Robotics be exempted from the requirement of public bidding.

Dated this 14th day of November , 1989.
