## General Information

### 1. What action are you requesting from the Board?

An informational briefing about the City of Portland's Vision Zero Plan and Program and the work being done to eliminate deaths and serious injuries on Portland streets by 2025.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer(s) this action affects and how it impacts the results.

Vision Zero is the bold goal to eliminate all traffic deaths and serious injuries on Portland streets by 2025. Vision Zero reaches beyond traditional transportation agency safety programs. It is a multi-agency, multi-partner initiative that requires cooperation, commitment, urgency, and action across the community. Through their Vision Zero Plan, Portland is taking steps to reduce and eliminate serious injuries and deaths on their streets.

### 3. Explain the fiscal impact (current year and ongoing).

None

### 4. Explain any legal and/or policy issues involved.

No legal or policy issues are identified at this time.

**5. Explain any citizen and/or other government participation that has or will take place.**

The development of the Vision Zero Plan included a robust public outreach process. The Multnomah County Transportation Division and the Health Department have been involved along with other government partners, and were part of the effort through participation on the Steering Committee and Technical Advisory Committee for the project.
