Map of Multnomah County Commissioner Districts	

General Information

Multnomah County is located in northwestern Oregon at the confluence of the Columbia and Willamette rivers, approximately 110 river miles and 80 highway miles from the Pacific Ocean. The County covers 457 square miles, most of which lies in the Willamette Valley, between the Tualatin Mountains west of the Willamette River and the Cascade Mountains to the east. The elevation ranges from 77 feet above sea level in Portland to 322 feet in Gresham and 1,224 feet at Big Bend Mountain in the Cascade foothills.

Early pioneers began settling the area in the 1840s. Portland was founded in 1851, and the County was incorporated in 1854, five years before Oregon was admitted to the Union.

Population

Multnomah County is the most populous county in the state, with a 1997 population of 639,000. Portland and Gresham are the largest incorporated cities in the County. Other cities include Fairview, Maywood Park, Troutdale, and Wood Village. Portland, the county seat of Multnomah County, is the largest city in Oregon, and the second largest city in the Pacific Northwest

POPULATION ESTIMATES

As of July 1	State of Oregon	Portland Metropolitan Area*	Multnomah County	City of Portland	City of Gresham
1960	1,768,687	821,897	522,813	372,676	3,944
1970	2,091,533	1,009,139	554,668	379,967	9,875
1980	2,639,915	1,108,700	562,300	370,000	33,230
1990	2,847,000	1,241,600	583,500	440,000	69,000
1991	2,930,000	1,285,100	600,000	453,065	71,225
1992	2,979,000	1,308,700	605,000	458,275	72,210
1993	3,038,000	1,338,900	615,000	471,325	73,185
1994	3,082,000	1,357,800	620,000	495,090	74,625
1995	3,132,000	1,379,700	626,500	497,600	77,240
1996	3,181,000	1,403,200	636,000	503,000	79,350
1997	3,217,000	1,420,900	639,000	508,500	81,865

* Includes Multnomah, Clackamas, Washington, and Yamhill counties.

Source: Under State law, the State Board of Higher Education must estimate annually the population of Oregon cities and counties so that shared revenues may be properly apportioned. The Center for Population Research and Census at Portland State University performs this statutory duty.

Employment

The County is part of the Portland-Vancouver Primary Metropolitan Statistical Area (PMSA). Current employment and unemployment data are available for the PMSA only, which consists of Multnomah, Washington, Clackamas, Columbia and Yamhill counties in Oregon and Clark County in Washington. From 1984 through 1992 the Portland PMSA consisted of Multnomah, Washington, Clackamas and Yamhill counties in Oregon.

The major trend in the metropolitan economy in recent decades has been toward greater diversification. Employment in manufacturing, construction, mining, and government is proportionately lower in Portland than in the United States as a whole. But employment in trade, services, finance, insurance, real estate, and transportation is proportionately greater in Portland.

PORTLAND-VANCOUVER PMSA LABOR FORCE BY PLACE OF RESIDENCE

Income

Over the past ten years, per capita income in the Portland PMSA has been higher than that of the state as a whole and of the nation, as noted in the table below. Personal income includes wages and salaries, other labor-related income (such as employer contributions to pension funds), proprietors' income, rental income, dividends paid by corporations, interest income from all sources, and transfer payments (such as pensions and welfare assistance). Before 1995, effective buying income was defined as personal income less tax and non-tax payments; after 1995 effective buying income was redefined to mean money income less personal income tax, personal contributions to social insurance, and taxes on owner-occupied homes. Money income includes wages and salaries, self-employment income, interest, dividends, transfer payments, and other income.

PORTLAND PMSA INCOME ESTIMATES

Year	PMSA Total Personal Income (millions)	Per Capita Income			Median Household Effective Buying Income

Economic Development

Multnomah County encompasses the Cities of Portland, Gresham, Troutdale, Fairview and Wood Village. The area has experienced considerable economic growth. Also, as a transportation hub of the Pacific coast with major water, land and air connections Multnomah County serves expanding international markets. Current growth in Multnomah County and the Portland-Vancouver Metropolitan Statistical Area is reflected in the following selected building and economic development projects.

Downtown Portland: Office and Commercial

- The \$129 million Mark O. Hatfield United States Courthouse, designed to accommodate growth of federal courts through 2020, was completed in late 1997.
- The Department of Veterans Affairs Medical Center broke ground in July 1997 on a new \$32 million, 96,000-square-foot expansion of its current Portland facility. The new building will create the largest cancer research facility in the Portland metropolitan area. Construction is expected to take 18 months.
- The Multnomah County Central Library's \$26 million renovation was completed in April 1997, and the City of Portland recently finished a \$28 million renovation of its City Hall.

Numerous shopping and hotel complexes are being built in downtown Portland:

- The Portland Development Commission and Rouse Company have begun construction on a five-story fourth block of Pioneer Place, expected to cost \$41 million.
- TMT Development Company began construction in the spring of 1997 on the \$90 million 28-story Fox Tower. The tower will have lower level retail space, eight levels of parking and 18 floors of office space.
- Impac Hotel Development is planning to open a 20-story 252-room Marriott Hotel in early 1999, adjacent to BPM Associates' 70,000-square-foot parking and retail project, which is now under construction.
- ITT Sheraton plans to convert a 13-story building in downtown Portland to a 16-story Sheraton hotel. When completed in 1999, the hotel will be 176,375 square feet, including 266 guest rooms and 5,800 square feet of meeting space.
- The \$14 million Avalon Hotel with 116 rooms and an 80-slip marina, is in the planning stages near Southwest Macadam Avenue.

The River District

The Portland Development Commission recently created the River District, a 100-acre site south of Union Station and along Northwest Front Avenue. The \$870 million mixed-use project will be developed over 20 years and will include 5,500 housing units, mostly rentals, and 2 million square feet of commercial space. The first project will be 680 row houses and apartments on 7.5 acres near Union Station, with the first phase to be completed in 1998. The City expects that \$150 million in public funds will be invested in the projects, with over \$700 million from private funds.

North/Northeast Portland

- **Enterprise Zone** - The Enterprise Zone, administered by the Portland Development Commission, is a program of property tax exemption of the new property taxes generated during the first three to five years of a non-retail business investment in the Enterprise Zone. In return, the business provides jobs for Enterprise Zone residents. The boundaries of the Enterprise Zone include north and northeast Portland residential, commercial and industrial land west of Interstate 205 and north of Broadway Street.
- **Enterprise Community** - U.S. Department of Housing and Urban Development has designated 15 census tracts in inner north and northeast Portland, the Columbia Corridor and commercial downtown as the Portland Enterprise Community. The designation provides \$3 million of grant funding and \$20 million public bonding capacity for business development projects.

- **Jantzen Beach/Delta Park** - A \$50 million renovation of Jantzen Beach Shopping Center was completed in 1996; the old enclosed mall was replaced by a 730,000-square-foot center housing several major discount retailers. Fulton Provision Co., a wholesaler of meat products, completed construction of a \$5 million food processing plant in Northeast Portland in April 1997. Contractors Inc. completed a \$2.3 million sports complex which includes five softball fields at East Delta Park in May 1997.
- **Northwest Industrial Area** - Wacker Siltronic Corporation completed a \$250 million plant expansion in the summer of 1996. The new facility quadruples the company's capacity to produce silicon wafers. The firm also invested \$40 million in upgrading the existing plant. Wacker, which employs about 1,200 workers, received a property tax exemption of approximately \$10.8 million over five years, through the City's enterprise zone program.
- **Eastside Development** - The City has approved a master plan for a park along the Willamette River across from downtown. The project will be phased and will redevelop 27 blocks along the riverbank. A developer is developing three office buildings with a total of 300,000 square feet of space and 1,050 parking spaces on PGE-owned land south of the Oregon Museum of Science and Industry in the central eastside industrial area. The first phase, a 45,000-square-foot headquarters building for KPTV has been completed.
- A \$40 million, 17-story, 350,000-square-foot office building called the Liberty Center was completed in late 1997 in the Lloyd Center district. A 600-space parking garage is planned across the street. The \$25 million renovation and expansion of the Holiday Inn near the Oregon Convention Center is nearing completion of its first phase with remaining projects to be completed over the remainder of 1998. Renovation has begun on the Eastport Plaza mall; a Wal-Mart store is the anchor store and was completed in the fall of 1997.
- **Rivergate Industrial Park and Airport Way (the Columbia Corridor)** - The Rivergate area qualifies local businesses for participation in the Enterprise Zone and related tax incentives. Food processor Pasco Corporation developed a new 63,000-square-foot, \$20 million dough factory there. Oregon Steel Mills, Inc., built a \$180 million expansion to double the capacity of its mill in the Rivergate area, in 1996.
- Froedtert Malt Corporation plans to build a \$65 million malt manufacturing and export operation that will produce about 140,000 tons of malt each year. The facility, located in South Rivergate, is expected to be completed in the summer of 1998. Oregon Metal Slitters, Inc., plans to build a \$7 million, 100,000-square-foot plant that will produce flat rolled steel, with completion expected in 1998. ANI America plans to build plants for two of its subsidiaries, a \$40 million plant for Welded Tube Company, maker of structural tubing, and a plant for Helser Machine Works, producer of rock-crushing machinery.
- Burlington Northern Santa Fe Railroad recently completed several rail bridges and added 14,000 feet of track costing more than \$15 million. The projects increase flexibility and capacity to Rivergate and Terminal 4.
- The City annexed the Airport Way industrial area in the early 1980s and established the Airport Way Urban Renewal Area east of the airport in 1986. The Area includes 2,880 acres of developable land close to downtown, the airport, freeways, and residential areas in the vicinity of a relatively new major arterial street that is currently under development. This is one of a few remaining large tracts of developable industrial land within the metropolitan area.
- The Port of Portland issued \$45 million in tax-exempt revenue bonds to finance the construction of a \$50 million mineral bulk facility on a 60-65 acre site at the Port of Portland's Terminal 5. When it became operational in the spring of 1997, the facility began exporting potash fertilizer to overseas markets. The Port plans to invest \$25 million on improvements to Terminal 6 over the next few years, which will be the first phase of a long-term \$60 million expansion plan. The Port of Portland in collaboration with the City of Portland began work in the spring of 1998 on a \$1.58 million roadway construction project to improve the south entrance to Rivergate Industrial Park.

Gresham, Troutdale

- LSI Logic, the largest manufacturer of its kind in the world, chose the City of Gresham as the location for a new microelectronics plant. LSI plans to develop the facilities over a 15-year period and invest more than \$4 billion. Phase I is expected to be fully operational in 1998.
- Fujitsu, owned by Fujitsu Japan, the world's second largest computer manufacturer, has added approximately 500,000 square feet of space to its facilities, at a cost of \$1.3 billion, and added 100 employees, bringing its employee count up to 571
- DuPont Photomask is developing a 60,000-square-foot, \$75 million facility over the next four years, with employment expected to be up to 200 people. Photomasks are high purity quartz plates that contain microscopic images of electronic circuits.
- **Troutdale** is home to the Columbia Gorge Factory Stores, a 42 factory outlet and retail store shopping facility which lies on I-84, the primary east-west route along the Columbia River to Idaho and the Midwest. Columbia Gorge Factory Stores is currently adding 15,000 square feet of space which will house two large additional stores in the Fall of 1998.

Per capita spending on capital by the local governments serving the residents of Gresham and Troutdale has been growing. Capital spending covers construction projects such as airport expansion, sewers, school building repairs, and mass transit. State and federal contributions for these projects is not always included in these figures.

Capital spending often fluctuates from year to year but is generally driven by growth, aging facilities, and economic development.

Capital spending per Gresham resident increased from \$167 in FY 1988-1989 to \$335 per resident in FY 1995-1996, when corrected for inflation.

Housing

According to the U.S. Census, there were 245,970 housing units in Multnomah County in 1980 and 242,140 units in 1990. In 1980, 53.7 percent of housing was owner occupied, and in 1990, that number had increased to 55.3 percent.

BUILDING ACTIVITY IN THE COUNTY

Year	Permits for Residential Units		Costs of Construction & Alteration	
	Single Family	Multi-Family	Residential (\$000)	Non-Residential (\$000)
1987	854	1,106	\$113,507	\$186,435

Government

The County is governed by a Board of County Commissioners consisting of four non-partisan members elected from designated districts within the County and the Chair of the Board elected at large. The Board of County Commissioners conducts all legislative business of the County in one formal Board meeting per week. Some meetings are held outside the courthouse for greater citizen access.

MULTNOMAH COUNTY, OREGON -- PRINCIPAL OFFICERS

Title	Name	Length of Service	Term Expires
Board of County Commissioners:			
Chair of Board	Beverly Stein	5½ Years	12/31/02
District No. 1	Lisa Naito	0 Years ¹	12/31/00
District No. 2	Gary Hansen	8 Years	12/31/98
District No. 3	Diane Linn	0 Years ¹	12/31/00
District No. 4	Sharron Kelley	10 Years	12/31/00
Other Officers:			
County Auditor	Gary Blackmer	8 Years	12/31/98
County District Attorney	Michael Schrunk	17 Years	12/31/00
County Sheriff	Dan Noelle	4 Years	12/31/02
Director, Finance Division	David A. Boyer	16½ Years	Not Elected
Treasury Manager	Harry S. Morton	4½ Years	Not Elected
County Counsel	Thomas Sponsler	1 Year	Not Elected
Director of Support Services	Vickie S. Gates	1½ Years	Not Elected

1. The two commissioners were elected May 1998 to serve for the remaining term of their predecessors.

Government Performance

Citizen rating of local government service

In 1997, 57.5% of citizens in Multnomah County rated their local government services as Good or Very Good, while only 9% rated them Bad or Very Bad.

The general decline may be a result of declining satisfaction with particular services. Declines from the last year occurred in satisfaction with libraries, elections, recreation centers, animal control and street maintenance. In the past year, libraries reduced hours and a polling place election was conducted, which is less popular with citizens than vote-by-mail.

Percent who rate service 'Good' or 'Very Good'

Staff

The 1998-1999 Budget authorizes 4,667.69 positions. There are nine bargaining units representing employees in 3,979.66 positions, as well as 688.03 management and exempt positions.

BARGAINING UNITS AND STATUS OF CONTRACTS¹

Bargaining Unit	Number of Employees	Termination Date of Current Contract¹
General Employees (Local 88)	2,875.5	June 30, 1998
Electricians (Local 48)	21.4	June 30, 1998
Operating Engineers Unit (Local 701)	14	June 30, 1998
Painter Makers (Local 55)	3	June 30, 1998
Corrections (Teamsters Local 1094)	543.21	June 30, 1998
Deputy Sheriffs Association	96.5	June 30, 1998
Oregon Nurses Association	252.65	June 30, 1998
Juvenile Group Workers (Local 86)	90.2	June 30, 1998
Prosecuting Attorneys Association ¹	83.2	June 30, 2000
	<u>3,979.66</u>	

1. The County is currently negotiating contracts which expire June 30, 1998. The County is optimistic that these contracts will be settled without any major difficulties. The Corrections, Deputy Sheriff's Association and Juvenile Group Workers contracts are not subject to strike, according to state law. These contracts are required to be settled by binding arbitration if the normal negotiations are not successful. The arbitrator would be selected from a list maintained by the State Employment Relations Board, and his or her awards are binding.

Pension Plan

County full-time employees are eligible to participate in the PERS. Benefits generally vest after five years of continuous service. Retirement is allowed at age 58 with unreduced benefits, but retirement is generally available after age 55 with reduced benefits. Compulsory retirement age is 70. Retirement benefits are based on salary and length of service, are calculated using a formula and are payable in a lump sum or monthly using several payment options. PERS also provides death and disability benefits. These benefit provisions and other requirements are established by state statutes.

The County is required by the rules applicable to PERS to contribute 10.66 percent of covered employees' salaries to PERS. The required employee contribution of 6 percent of covered compensation has been paid by the County pursuant to collective bargaining agreements.

Accrued Vacation

County employees may accrue vacations and receive reimbursement upon termination of employment. As of June 30, 1997, the total accrued vacation liability in the General Fund and Other Funds was \$10,671,000. \$8,874,000 of the accrued vacation liability is funded.

GOVERNMENTAL FUNDS

Basis of Accounting

The County maintains all Governmental Fund Types including: the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Project Funds using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded in the accounting period in which they become measurable and available, and expenditures are recorded at the time liabilities are incurred.

GENERAL FUND

General Fund (100) - Accounts for the financial operations of the County which are not accounted for in any other fund. The principal sources of revenue are property taxes, business income taxes, motor vehicle rental taxes, intergovernmental revenue, and interest income. Primary expenditures in the General Fund are made for general government, public safety, health services, aging services, and youth and family services.

The General Fund also accounts for the repayment of short-term debt interest expenses incurred through the sale of short-term promissory notes.

SPECIAL REVENUE FUNDS

Special Revenue Funds are authorized for a specific purpose and generally operate on a year-to-year basis until the Fund is discontinued or revised by proper legislative authority. In the event the Fund is discontinued, any excess funds would be returned to the originating jurisdiction or the County General Fund.

Strategic Investment Program Fund (140) - Accounts for revenues from large corporations receiving property tax abatements and paying fees to the County for specific purposes as part of the agreement by which those taxes were reduced. Expenditures are partly restricted by contractual obligations, and partly are at the discretion of the County for Community Service Fees, the statutorily required payment by the companies that equals one fourth of the annual tax savings enjoyed by the company.

Road Fund (150) - In accordance with ORS 366.524 - 366.542 and ORS 368.705, accounts for revenues primarily received from the State of Oregon motor vehicle fee apportionment, County gasoline taxes, federal reserve yield, and interest income. Expenditures are restricted by Article IX, Section 3A of the Constitution of the State of Oregon and consist of construction, repair, maintenance, and operations of public highways and roads.

Emergency Communications Fund (151) - Accounts for revenues received from the State Telephone Excise Tax. Expenditures are restricted for the Emergency Communication Network in conjunction with the City of Portland, pursuant to Multnomah County Code 5-90.060.

Bicycle Path Construction Fund (154) - Accounts for one percent of State of Oregon Motor Vehicle fees collected pursuant to ORS 366.514. Expenditures are restricted by ORS for bicycle path construction and maintenance.

Recreation Fund (155) - Accounts for State revenue paid to counties to supplement their parks programs. The revenues are County Marine Fuel Tax and RV License Fee Sharing. The General Fund contributes an amount to cover the cost of operating tours at the Bybee-Howell historical park. The expenditures of the fund are payments to Metro to which the County transferred all parks operations in 1994.

Federal/State Program Fund (156) - Accounts for the majority of dedicated revenues and expenditures related to federal and state financial assistance programs (grants). Also accounts for General Fund contributions (match) and operational revenues.

County School Fund (157) - Accounts for funds transferred from General Fund and Forest Reserve yield revenues received from the State pursuant to ORS 328.005 - 328.035. Funds are distributed to the County School districts.

Tax Title Land Sales Fund (158) - Accounts for the receipt and sale of foreclosed properties. Under the provision of ORS 275.275, these revenues are distributed to the taxing districts in Multnomah County.

Animal Control Fund (159) - Accounts for revenues from dog and cat licenses, control fees. Cash transfers are made to the General Fund for animal control activities.

Willamette River Bridge Fund (161) - Accounts for State of Oregon Motor Vehicle fees and County gasoline taxes which are transferred from the Road Fund. Expenditures are made for inspections and maintenance of the Hawthorne, Morrison, Burnside, Sellwood, and Broadway bridges.

Library Fund (162) - Accounts for the Multnomah County Public Library operations. Property taxes from a three-year special serial levy and transfers from the General Fund are the principal sources of revenue. The Multnomah County Public Library was established by Ordinance 649 pursuant to ORS 357.400 - 375.610.

Transient Lodging Tax (166) - Accounts for a portion of the County's transient lodging taxes collected from all hotels and motels in the County. Expenditures are to be used for Convention Center and regional arts and culture purposes pursuant to Multnomah County Code 5.50. Prior to 1997-98 the fund was named Convention Center Fund.

Land Corner Preservation Fund (167) - Accounts for the collection of recording fees on real property transactions and surveying activities. Expenditures are made for the establishment, re-establishment, and maintenance of public corners of government surveys pursuant to ORS 203.148 and Multnomah County Code 5.10.270.

Inmate Welfare Fund (168) - Accounts for the proceeds from the sale of commissary items. Purchases are made for supplies for inmates in County jails. Excess funds are used on inmate amenities such as recreation equipment for the institutions.

Jail Levy Fund (169) - Accounts for the three-year Public Safety Levy originally approved by the voters in November 1989 and renewed in May 1993 and May 1996. Property taxes are the principal source of revenue. The expenditures recorded in this fund are those of the Inverness Jail, and related Corrections programs.

Assessment and Taxation Fund (175) - This fund was established as a result of the adoption of a statewide system aimed at assuring the quality and consistency of property assessment and tax collection of all counties, by the Oregon Legislature in 1989. This system involves State Department of Revenue examination of all Oregon counties' Assessment and Taxation budgets, includes a partial subsidy of those budgets based on recording fees imposed in 1989.

Justice Services Special Operations Fund (180) - This fund accounts for revenues and expenditures that are dedicated to Justice Services in the Community Corrections Department, the District Attorney's Office, and the Sheriff's Office. Revenues are primarily probation fees, criminal processing assessment fees, conciliation court fees and marriage license fees for the Community Corrections Department. This fund also accounts for revenues received from forfeitures and video lottery for the District Attorney's Office. In addition to the above, this fund accounts for the Sheriff's Office revenues received from forfeitures, alarm permits, concealed weapon permits, gun ordinance fees and liquor license fees collected for civil processing inspection.

DEBT SERVICE FUNDS

Debt Service Funds exist until all long-term debt is repaid. Once the debt is repaid, any receipts remaining in the fund are returned to the originating jurisdiction or County General Fund.

Revenue Bond Sinking Fund (224) – Accounts for the principal and interest payments on bonds issued to construct the Edgefield Children's Center and bonds issued for monies spent on deferred maintenance to County facilities. The revenues are derived from lease of the facility to the Edgefield Children's Center, Inc. and from the pledge of the Motor Vehicle Rental Tax, a General Fund Revenue.

Capital Lease Retirement Fund (225) - Accounts for lease/purchase principal and interest payments for buildings and major pieces of equipment acquired by the issuance of Certificates of Participation or other lease/purchase arrangements. Revenues consist of service reimbursements and cash transfers from other County funds.

Library Bond Sinking Fund - 1993 (226) - This fund accounts for the retirement of General Obligation Bonds approved in May 1993 to repair the Central Library and construction of the Midland Library. Proceeds are derived from property taxes.

Library Bond Sinking Fund - 1996 (227) - This fund accounts for the retirement of General Obligation Bonds approved in May 1996 to repair branch libraries and improve the computer systems and linkages of the Library system. Proceeds are derived from property taxes.

Public Safety Bond Sinking Fund (228) - This fund accounts for the retirement of General Obligation Bonds approved in May 1996 to expand Inverness Jail, construct new jail facilities, upgrade other jail facilities, and pay for major data processing linkages in the Corrections system. Proceeds are derived from property taxes.

CAPITAL PROJECTS FUNDS

Capital Projects Funds operate until the capital project is completed. Upon completion, any remaining cash is transferred to the Debt Service Fund to retire debt associated with the construction or acquisition of designated fixed assets or to the originating source of the funds.

Justice Bond Project Fund (230) - This fund accounts for projects to expand Inverness Jail, construct new jail facilities, upgrade other jail facilities, and pay for major data processing linkages in the Corrections system. Proceeds are derived from the sale of General Obligation Bonds approved by the voters May 21, 1996.

Edgefield Children's Center Fund (231) – Accounts for the construction of an expanded Edgefield Children's Center. The proceeds are from issue of revenue bonds to be repaid from operational revenues of the Center.

SB 1145 Fund (232) – Accounts for State revenue to build jail beds to house convicted felons with sentences under twelve months. Until 1997, these felons were historically a responsibility of the State. The 1995 Legislature (in SB 1145) shifted that responsibility to counties and agreed to fund the construction of detention facilities and operational costs so that counties could assume the task of supervising these felons. The revenues are payments from the State of Oregon.

Equipment Lease/Purchase Fund (234) - Accounts for expenditures for long-term lease purchases of equipment. Resources are derived from certificates of participation proceeds and other lease/purchase agreements and General Fund service reimbursements.

Facilities Lease/Purchase Project Fund (235) - Accounts for expenditures for long-term lease/purchases of property, remodeling, and construction of County facilities. Resources are derived from certificates of participation proceeds and other lease/purchase agreements and General Fund service reimbursements.

Library Construction Fund (236) - This fund accounts for the expansion of the Midland Library and renovation of the Central Library. Proceeds are derived from the sale of General Obligation Bonds approved by the voters May 18, 1993.

Library Construction Fund (237) - This fund accounts for the renovation of branch libraries, and upgrades to Library computer systems and linkages. Proceeds are derived from the sale of General Obligation Bonds approved by the voters May 21, 1996.

Capital Improvement Fund (240) - Accounts for the proceeds derived from the sale of unrestricted property, interest income, and any service reimbursement or operating revenue from leased facilities. Expenditures are made for capital acquisitions or for the retirement of lease/purchases. Authorized by Resolution 96-138.

Capital Acquisition Fund (245) - Accounts for capital purchases with economic payoffs of less than five years. Initial resources were a transfer from the discontinued Natural Areas Acquisition and Protection Fund. Expenditures will be reimbursed over time by service reimbursements charged to the budgets of programs for which equipment is purchased.

PROPRIETARY FUNDS

Basis of Accounting

The County maintains all Proprietary Fund Types including Enterprise Funds using the full accrual basis of accounting: revenues are recorded at the time they are earned, and expenses are recorded at the time liabilities are incurred.

Internal Service Funds are entirely or predominantly self-supporting by user charges, operating earnings, or transfers from other funds. These funds, authorized under ORS 294.470, are considered to have indefinite life. In the event the fund is discontinued, any excess funds would be returned to the originating jurisdictions or County Fund.

ENTERPRISE FUNDS

Behavioral Health Managed Care Fund (395) - Accounts for all financial activity associated with the State required Children's Capitated Mental Health program. Revenues are capitation payments from the State.

INTERNAL SERVICE FUNDS

Risk Management Fund (400) - Accounts for all internal service reimbursements, revenues, and expenses associated with the County's insurance requirements and administration of workers' compensation, general liability, tort, auto, property, employee medical, dental, vision, life and long-term disability claims and insurance, employee benefits, health promotion, post-retirement benefits, and unemployment insured and self-insured programs pursuant to Multnomah County Code 2.60.115 to 2.60.150.

Fleet Management Fund (401) - Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's motor vehicle fleet.

Telephone Fund (402) - Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's telephone system.

Data Processing Fund (403) - Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's data processing services and operations. This fund includes replacement and upgrade of personal computers and a standard software suite common to all County users.

Mail Distribution Fund (404) - Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's U.S. Mail, internal distribution and delivery.

Facilities Management Fund (410) - Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's property management, custodial, maintenance and leasing of all County-owned and leased property.

FIDUCIARY (AGENCY) FUNDS

These agency funds account for resources received and held by the County in a fiduciary capacity. Disbursements are made in accordance with the agreement or applicable legislative enactment for each particular fund. The agency funds are as follows:

Public Guardian Fund (450) - Accounts for receipts and disbursements for individuals who are not capable of handling their own financial affairs.

Library Retirement Fund (480) - Accounts for the receipt and disbursement of funds for the Library Retirement Plan. The fund was established in Fiscal Year 1990-91 as a result of the Library merging with the County.

Sundry Taxing Bodies Fund (500) - Accounts for the collection of property taxes for all governmental entities located in Multnomah County and the disbursement of the collections to such entities.

Clearing Fund (503) - Accounts for Multnomah County checks outstanding, accrued payroll and payroll deductions payable and investments.

Deferred Compensation Fund (515) - Accounts for voluntary withholdings from employee's wages on which income taxes are deferred until the time of withdrawal.

Department and Offices Agency Fund (505) - Accounts for the collection and disbursement of various receipts held. Multnomah County maintains several sub-funds which are used to account for the receipt of resources held by the County in a fiduciary capacity. Disbursements are made in accordance with the agreement or applicable legislative enactment for each particular fund:

Sheriff's Revolving (853) - Accounts for the costs of extraditing prisoners which are prepaid by the County. Reimbursement is received from the State of Oregon as specified in ORS 206.315.

Inmate Trust (854) - Accounts for the personal cash transactions of inmates lodged in the County jails.

Medical Examiner (865) - Accounts for funds belonging to deceased persons. The County holds these funds until they are claimed by the deceased's heirs or, after five years, are transferred to the State Land Board.

MCSO Forfeitures (880) - Accounts for cash transactions subject to forfeiture under 1989 Oregon Law, Chapter 791.

Animal Control Grooming Area (887) - Accounts for donations held in trust to remodel the existing grooming area at Animal Control and for new equipment.

Animal Care Trust (888) - Accounts for private donations held in trust to provide special or extended care (above the basic level of humane care) to animals housed at the Animal Control Shelter.

Animal Control Adoption Outreach Project (889) - Accounts for donations held in trust to operate the Second Chance Adoption Program at Clackamas Town Center storefront for animals not adopted at regional Animal Control Centers.

Lea Wikman Memorial Trust (902) - Accounts for donations held in trust to provide funding of projects that primarily benefit low income east Multnomah County residents.

Debt Information

Appendix

DEBT INFORMATION -- As of July 2, 1998

Debt and Other Obligations Summary

Outstanding debt	
Short-term (tax, revenue and bond anticipation notes)	\$11,000,000
Long-term	
Gross bonded debt (all debt with a general obligation pledge)	\$128,470,000
Gross bonded debt including certificates of participation (COPs)	\$194,665,000
Net direct debt (all debt paid in whole or in part by taxes)	\$128,470,000
Certificates of participation	\$ 66,195,000
Net overlapping debt (as of May 28, 1998)	\$697,825,307
Total net direct and overlapping debt	\$826,295,307
Total net direct, COPs and net overlapping debt	\$892,490,307

Debt Ratios

	Values	Per Capita	Percent of RMV
1997 estimated population	639,000		
1997-98 real market value (RMV)	\$42,267,791,000	\$66,147	
Gross bonded debt	\$128,470,000	\$201	0.30%
Gross bonded debt including COPs	\$194,665,000	\$305	0.46%
Net direct debt	\$128,470,000	\$201	0.30%
Net direct debt (G.O.) and overlapping debt	\$826,295,307	\$1,293	1.95%
Gross bonded debt, COPs and overlapping debt	\$892,490,307	\$1,397	2.11%

Future Financing Plans

Revenue Bonds. The County is currently negotiating with Regional Children's Campus (RCC), a 501(c)(3) non-profit agency, to issue approximately \$3,155,000 in revenue bonds to construct a regional campus and treatment center. The County will pledge its Motor Vehicle Rental Tax to these bonds, however, the debt service will be covered by lease payments made by RCC to the County.

The County plans to issue revenue bonds in the amount of approximately \$6,000,000 to \$8,000,000 for deferred maintenance sometime after January 1999.

Lease-Purchase Financing. The County is developing plans to relocate a health clinic, aging services field office and sheriff's office facility to one location in Gresham. This facility is estimated to cost between \$20 to \$25 million and is expected to be financed by issuing certificates of participation. Lease payments currently being paid by these programs are expected to be used to help offset the annual lease payment. This financing is expected to take place in the late fall of 1998 or early spring 1999.

Tax Information

Federal, state, and local taxes are collected in Multnomah County. Generally, local taxes have been declining while State and Federal taxes have increased.

In the past nine years, local government taxes have declined from 22% to 16% of total taxes collected. When corrected for inflation, local taxes have declined from \$1,540 per capita to \$1,200 per capita.

The State taxes collected in Multnomah County increased from \$940 per capita in 1987 to \$1,260 in 1995. In the past nine years the State's share of the total tax burden increased from 14% to 17%. Some of the revenues collected by Federal and State governments are transferred to local governments to provide for specific services such as road building, health clinics, and corrections.

Federal taxes collected in Oregon increased from \$4,420 per capita to \$5,040 per capita when corrected for inflation. As a result, Federal taxes grew from 64% to 67% of the total tax burden.

Share of taxes collected in Multnomah County

Sources: Tax Supervising and Conservation Commission, OR Dept. of Revenue, Tax Foundation

The property tax is used by Oregon cities, counties, schools and other special districts to raise revenue to partially defray the expense of local government. The State of Oregon has not levied property taxes for general fund purposes since 1941 and obtains its revenue principally from income taxation.

Property tax administration governed by the Oregon Constitution, the State's taxation laws and regulations of the Department of Revenue, includes the process of assessment, equalization, levy and collection of taxes. A tax limitation measure ("Ballot Measure 50") that affects property tax collections was approved by the voters in the May 1997 special election. The Oregon Legislature implemented legislation for the new constitutional provisions of Measure 50. The implementing legislation has changed the property tax administration system substantially, including changes to levy rates, assessments and equalization.

The Oregon Constitution places certain limits on property tax rates for general purposes.

Property Tax Limitation

History

Article XI of the Oregon Constitution contains various limitations on property taxes levied by local jurisdictions. The Constitution calls for taxes imposed upon property to be segregated into two categories; one to fund the public school system and community colleges and one to fund government operations other than public school systems.

In 1990, the voters approved a citizen initiative ("Measure 5") which became Article XI, Section 11b of the Oregon Constitution. Measure 5 limited property taxes and certain other charges on property, and generally provided that property taxes for purposes other than payment of voter approved bonds could not exceed \$5/\$1,000 of the estimated fair market value ("Real Market Value") of property if the tax was levied.

Ballot Measure 50 ("Measure 50") was approved by voters of the State of Oregon at a special election held on May 20, 1997. Measure 50 repealed Measure 47 (frequently referred to in common terms as the "Cut and Cap Measure," which was approved at the general election held on November 5, 1996) and replaced it with new ad valorem property tax limitations to be inserted in Article XI of the Oregon Constitution. Measure 50 retains, with certain modifications, many of Measure 47's key features, including a reduction of property taxes to previous levels and a limit on the growth in annual assessed valuation, which will result in a limit on tax increases in subsequent years. Measure 50 also attempts to define legal terms and procedures, many of which were ambiguous under Measure 47, to facilitate implementation of the amended property tax limits. Specific provisions include:

Assessed Value Limitations

Measure 50 rolls back the assessed value of each unit of property for the tax year 1997-98 to its 1995-96 "real market value," less ten percent (i.e., 90 percent of its 1995-96 value). The Measure limits any increase in assessed value to 3 percent per year for tax years after 1997-98. There are special exemptions for property that is substantially improved, rezoned, subdivided or annexed, and when property ceases to qualify for a property tax exemption. Changed property will be assigned an assessed value equal to assessed value of comparable property in the area.

Permanent Tax Rates

Each local taxing district which imposes operating ad valorem taxes in fiscal year 1997-98 received a permanent tax rate. The permanent tax rate was calculated by dividing the total operating ad valorem taxes (including a Library levy and a Public Safety Levy) imposed by the County in fiscal year 1997-98 (reduced by an average of approximately 17 percent statewide) by the assessed value in the County. Measure 50 prohibits increases in permanent tax rates. The County's permanent tax rate is \$4.34/\$1,000, which is expected to generate \$146 million in 1998-99 for County operations.

Exemptions

Portions of a local taxing district levy are **not** subject to the 17 percent cut or the 3 percent limitation if they pay:

- (1) Principal and interest for bonds issued, or any other formal, written borrowing of moneys, executed before December 5, 1996, and secured by ad valorem property taxes (including refundings thereof).
- (2) Local government pension and disability plan obligations that commit ad valorem property taxes, and ad valorem property taxes imposed to fulfill those obligations.
- (3) Bonded indebtedness as defined in subsection 11(d) of Measure 50 and described below.

However, these portions are subject to the limitations imposed under Section 11b of Article XI ("Measure 5 limitations"), unless the bonds or debt qualifies as bonded indebtedness under subsection 11(d) of Measure 50.

Local Property Tax Option

Local governments other than school districts can override Measure 50 for limited term levies with voter approval that meets the voter participation requirements discussed below. Local option levies may be up to five years for any purpose or ten years for capital projects. Current legislation prohibits school districts from using local option levies.

On November 4, 1997, the voters of Multnomah County approved a five-year Public Library Levy (local option tax). The levy will cost property tax owners about 59 cents per thousand of assessed value per year. The levy dedicated to library operations is estimated to provide \$19,700,000 in fiscal year 1998-99, \$20,400,000 in fiscal year 1999-00, \$21,300,000 in fiscal year 2000-01, \$22,100,000 in fiscal year 2001-02 and \$23,000,000 in fiscal year 2002-03. The County anticipates that this levy will cause property taxes for various accounts to exceed the constitutional \$10 per \$1,000 of real market value limit for local governments and therefore reduce this local property tax revenue. This library local property tax option will absorb most of the compression. The County estimates the loss to be approximately \$4,200,000.

Voter Participation

Any property tax increase, whether for general obligation bonds or local option levies must be approved by a majority of the voters voting on the question either: (i) at a general election in an even numbered year, or (ii) at any other election in which not less than fifty percent (50%) of the registered voters eligible to vote on the question cast a ballot.

Exempt Bonded Indebtedness

Bonded indebtedness described in subsection 11(d) of Measure 50 is not subject to the limits of Measure 50 or Article XI, Section 11(b) of the Oregon Constitution. Bonded indebtedness includes

- 1) bonds authorized by a provision of the Oregon Constitution;
- 2) bonds issued on or before November 6, 1990; or
- 3) bonds incurred for capital construction or capital improvements; and
 - a) if issued after November 6, 1990, and approved prior to December 5, 1996, by a majority of voters; or
 - b) if approved after December 5, 1996, in accordance with Measure 50's voter participation requirements or
- 4) obligations issued to refund certain bonded indebtedness.

Prioritization

Measure 50 specifically authorizes the Oregon Legislature to adopt legislation to carry out the Measure's provisions. One of those provisions states, "It shall be the policy of this state and the local taxing districts of this state to prioritize public safety and public education in responding to the reductions caused by this paragraph while minimizing the loss of decision-making control of local taxing districts." In 1997 the Oregon Legislature did not establish priorities for tax reductions.

Limitations on Shifting Revenue Sources

In 1997-1998, Measure 50 directs the Oregon Legislature to limit the ability of local taxing districts to impose new or additional fees, taxes, assessments, or other charges for the purpose of using the proceeds as alternative sources of funding to make up for ad valorem property tax revenue reductions unless the new or additional fee, tax, assessment or other charge is approved by voters.

Additional School Support

Measure 50 requires the Legislative Assembly to replace the estimated \$395 million in revenues that the public school system would lose in the 1997-99 biennium because of the property tax limitation.

Levy amount exceeding M47/50 Limitation	(26,614,793)
Loss in appropriation due to property tax limitation and discounts and delinquencies	(9,050,062)
 Average property tax discount	3.00%
Property tax delinquency rate	3.00%
Average valuation change (Based on July - January Value Growth)	3.50%

Collection

The County Tax Collector extends authorized levies, computes tax rates, bills and collects all taxes and makes periodic remittances of collections to tax levying units. County tax collectors are charged with calculating public school and local government taxes separately, calculating any tax rate reductions to comply with tax limitation law, and developing percentage distribution schedules. The tax collector then reports to each taxing district within five days the amount of taxes imposed.

Tax collections are now segregated into two pools, one for public schools and one for local governments, and each taxing body shares in its pool on the basis of its tax rate (adjusted as needed with tax limitation rate caps), regardless of the actual collection experience within each taxing body. Therefore, in application, the amount for each taxing body becomes a pro rata share of the total tax collection record of all taxing bodies within the County. Thus, an overall collection rate of 90 percent of the county-wide levy indicates a 90 percent tax levy collection for each taxing body.

Taxes are levied and become a lien on July 1 and tax payments are due November 15 of the same calendar year. (Due to the implementation of Measure 50, the first installment of property taxes for the tax year 1997-98 was due on December 19th, 1997) Under the partial payment schedule the first third of taxes are due November 15, the second third on February 15 and the remaining third on May 15. A three-percent discount is allowed if full payment is made by the due date, two-percent for a two-thirds payment. For late payments interest accrues at a rate of 1.33 percent per month. Property is subject to foreclosure proceedings four years after the tax due date.

A Senior Citizen Property Tax Deferral Program (1963) allows homeowners to defer taxes until death or sale of the home. Qualifications include a minimum age of 62 and household income under \$19,500 for claims filed after January 1, 1991; \$18,500 if filed during 1990; or \$17,500 if filed prior to January 1, 1990. Taxes are paid by the State, which obtains a lien on the property and accrues interest at 6 percent.

The burden of local taxes on individuals has been generally decreasing. The graph on the left shows taxes collected on residential properties, which are generally paid by individuals, as a percent of total personal income of Multnomah County residents. In general, property tax collections have declined over the past seven years, from about 3% to 2% of income. The decline is largely a result of Ballot Measure 5 (1991), reducing taxes to a maximum of about \$15 per \$1,000 of assessed value. Total residential property taxes declined from \$500 million in 1990 to \$400 million in 1995. Increased collections in 1996 and 1997 are a result of voter-approved levies for jails, libraries, school building repairs, and parks.

1. The 1997-98 assessed valuation is \$32,657,161,000; the real market valuation is \$42,267,791,000.
2. Pacific Power and Light is a subsidiary of PacifiCorp.

Sources: Multnomah County Division of Assessment and Taxation and Multnomah County Tax Supervisory Commission current and prior years' annual reports.

The graph shows total taxes collected by all local governments in Multnomah County. The local gasoline tax of 3 cents per gallon is excluded because the share paid by businesses cannot be distinguished. Business income is not available.

In the past five years, the tax burden on businesses has declined about \$150 million or 26% when adjusted for inflation, largely as a result of Ballot Measure 5 which reduced the property tax rate. The strong economy has increased collections of the Portland license fee, County income tax, and Tri-met payroll tax.

BUDGETING PROCESS

Multnomah County prepares annual budgets in accordance with the provision of Oregon law for municipalities with a population exceeding 500,000 and with a Tax Supervising and Conservation Commission (TSCC).

Budgeting for 1998-99

Preliminary Planning

The 1997-98 County budget was a major policy undertaking as the organization reacted to two changes in the constitutional property tax system. The 1998-99 budget was a challenge of a much simpler nature: how to sustain the same level of programs without further cuts.

General Fund property taxes were anticipated to grow between 3% and 4%. Overall ongoing General Fund revenues were anticipated to increase less than 5%. The County expected CPI increases in the 2.5% to 2.7% range. All bargaining units were negotiating contracts with the County to replace those that expire June 30, 1998. The County faced several familiar funding issues as well:

- Primary care health clinics (funded in 1997-98 with one-time-only revenue)
- Animal Control (also funded with one-time-only revenue)
- A new Health MIS system
- A new Assessment and Taxation computer system
- Year 2000 remediation for the other major systems run by the Information Services Division.

In addition, the County's building inventory needs significant upgrading and a long term solution to that problem needed to be addressed.

Departments were given General Fund expenditure targets 3% greater than their 1997-98 funding and asked to prepare their initial budget requests within those constraints.

Budget Preparation

Departments worked with the Chair's Office through January and February to prepare their requests. At the same time, the County placed on the March ballot a temporary surcharge on the Business Income Tax to support the local school districts for a year. Passage of that measure on March 10 presented the County with the additional financial pressure of assuring that the full tax amount reached the districts during 1998-99 even though only about 80% of the revenue would be collected by June 30 1999. The County chose to contribute ~~\$2.25 million to accelerate payment of the tax to the schools.~~ In addition, the County put almost \$3 million into a school attendance initiative to increase school attendance and contributed another \$3 million of one-time-only support to districts throughout the county.

The Tax Supervising and Conservation Commission (TSCC), a regulatory institution appointed by the Governor of Oregon, supervises budgeting and taxing activities of local governments in Multnomah County. TSCC held a hearing on the Multnomah County budget in May to satisfy itself that the document and process met legal requirements, and certified both the budget and the levies it included. The Board of Commissioners adopted the budget on May 28.

Modifying the Budget During the Fiscal Year

The Adopted Budget is the County's financial and operational plan for the fiscal year. During the year, however, things happen which require that plan to be changed.

Budget Modification Resolutions (Bud Mod's)

State law gives the Board of County Commissioners wide latitude to change the budget during the year. Generally, County departments request the changes on forms called Bud Mod's. During a normal year there are between 150 and 200 such requests. Using these resolutions, the Board has the authority to:

1. alter appropriations to reflect changed priorities during the year,
2. incorporate new grant revenue into the expenditure plan,
3. change approved staffing levels; and
4. transfer appropriations from contingency accounts.

Supplemental Budgets

The Board can reduce appropriations to deal with decreases in estimated revenues using Bud Mod resolutions. However, if the County receives additional revenues not anticipated in the budget, the Board cannot simply appropriate them. Unless these revenues are "grants, gifts, bequests, or devises transferred . . . in trust for specific purposes" (ORS 294.326), the County must go through a more elaborate process.

If such transactions constitute increases that cumulatively total less than a ten percent increase in the size a fund, the Board can deal with them as a supplemental budget by advertising the nature of the change and calling a hearing on the matter.

If such transactions are more sizable or require interfund transactions, the Board must sit as the Budget Committee, approve a full supplemental budget, submit the supplemental budget to TSCC, attend a TSCC hearing, and finally adopt the supplemental budget. Such a process is time consuming and is reserved for major changes in available finances.

Glossary of Acronyms

Appendix

A&D	Alcohol & Drug
A&T	Multnomah County Assessment and Taxation Division
AARP	American Association of Retired Persons
ADA	Federal Americans with Disabilities Act
ADAPT	Alcohol and Drug Addict Prenatal Program
AFDC	Aid to Families with Dependent Children
ADS	Aging and Disability Services
BCC	Board of County Commissioners
Benchmark	A goal against which the well-being of County residents is measured
BIT	Business Income Tax
BOE	Board of Equalization
BHC	Burnside Health Center
CAAMS	Criterion Affirmative Action Management System

CAMI	Child Abuse Multidisciplinary Intervention Grant
CFS	Multnomah County Community and Family Services Division
CIC	Citizen Involvement Committee
Coalition Clinic	Non-profit community health center
CPI	Consumer Price Index
CSAT	Community Substance Abuse Treatment
CSD	State Children's Services Division
Dammasch Hospital	State of Oregon hospital for the mentally ill (now closed).
DA	Multnomah County District Attorney
DACTS	District Attorney Case Tracking System
DARE	Drug Awareness Resistance Education
DARTS	District Attorney Referral Tracking System (juv. offenders)
DCJ	Department of Community Justice
DCO	Dental Care Organization
DES	Multnomah County Department of Environmental Services
DRC	Day Reporting Center
DROP	Drug Return Offender Program
DSS	Department of Support Services
DUII	Driving under the influence of intoxicants
EEO	Equal Employment Opportunity
EMS	Emergency Medical Services
EMT	Emergency Medical Technician
ESD	Education Service District
F/S	Federal / State

Glossary of Acronyms

Appendix

FINVEST	Financial Investigation grant, Federal Bureau of Justice Assist.
FREDS	Multnomah County, Fleet, Records, Electronics, and Distribution Services Division
FTE	Full Time Equivalent, based on 2088 hours of work time per year.
GF	General Fund
ISIS	State of Oregon computerized criminal information system
ISD	Multnomah County Information Services Division
LGFS	Local Government Financial System. The County's accounting system.
MCCF	Multnomah Commission on Children and Families – an advisory body directing the allocations of state funding to CFS.
MCCF	Multnomah County Correctional Facility – a medium security jail at Troutdale
MCSSO	Multnomah County Sheriff's Office
MDT	Multi-Disciplinary Team, generally directed at child abuse and problems of the elderly
METRO	Metropolitan Services District
MHRC	Metropolitan Human Rights Commission
NPDES	National Pollution Discharge Elimination System
NSA	National Scenic Area
OAR	Oregon Administrative Rules
OCLPPP	Oregon Childhood Lead Poisoning Prevention Program
OHP	Oregon Health Plan
OHSU	Oregon Health Sciences University
OMAP	Oregon Medical Assistance Program
ONA	Oregon Nurses Association
ORLAW	Database of Oregon legal documents
OQA	Oregon Quality Award
ORS	Oregon Revised Statutes
OSU	Oregon State University
OTO	One-Time-Only, an expenditure or revenue not expected to recur in future fiscal years.
PC	Personal Computer
PCC	Portland Community College
PCO	Physicians Care Organization
PCP	Primary Care Provider
PERS	Public Employees Retirement System
PHS	Public Health Service

Glossary of Acronyms

Appendix

PMPM	Per member/per month – generally a capitation rate
PPS	Portland Public Schools
PRSP	Pretrial Release Supervision Program
PUC	Public Utilities Commission
QI	Quality Improvement
RACC	Regional Arts & Culture Council
RBIP	Risk Behavior Intervention Project
RDA	Recommended Dietary Allowance
RESULTS	"Reaching Excellent Service Using Leadership and Team Strategies," the County's quality improvement program
RFP	Request for Proposal
ROCN	Regional Organized Crime and Narcotics grant agency
SAT	Safety Action Team, a community policing program
SB1145	Legislation passed in 1997 that transferred responsibility for felony offenders sentenced to one year or less from the State to the County.
SBHC	School Based Health Center
SRO	School Resource Officer
SRO	Single Room Occupancy
STD	Sexually transmitted disease
STOP	Sanctions Treatment Opportunities Progress Program, drug diversion for probation and parole clients
TAN	Tax Anticipation Notes
T-BILL	Treasury Bill
TSCC	Tax Supervising and Conservation Commission
UA	Urinalysis
USDA	United States Department of Agriculture
WIC	Women Infant and Children's Grant
WTS	Women's Transition Services

ACCOUNT	A classification of expenditure or revenue. Example "supplies" is an account in the Materials & Services category.
AD VALOREM TAX	A property tax computed as a percentage of the value of taxable property.
ADOPTED BUDGET	Approved legal spending plan for a fiscal year. In Multnomah County, the Board of Commissioners are responsible for approving an adopted budget.
APPROPRIATION	An authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation usually is time-limited and must be expended before the deadline.
APPROVED BUDGET	The budget document is approved and forwarded to the Tax Supervising Commission's for its deliberations. This document is then returned to the Board of County Commissioners for adoption.
ASSESSED VALUATION	A valuation set upon real estate or other property by government as a basis for levying taxes.
BEGINNING BALANCE	Unrestricted working capital (resources) on hand at the end of the fiscal year, available to fund the next year's operations. Typically, the fund balance is derived from actual revenues received less actual expenditures.
BENCHMARK	General measurements of the quality of life in Multnomah County or Oregon
BUDGET	Written report showing the local government's comprehensive financial plan for one fiscal year. By law, it must include a balanced statement of actual revenues and expenditures during each of the last two years, estimated revenues and expenditures for the current and upcoming year.
BUDGET MESSAGE	Written explanation of the budget and the local government's financial priorities. Prepared by the chair of the governing body.
BUDGET OFFICER	Person appointed by the governing body to assemble budget material and information and to physically prepare the budget.
CAPITAL OUTLAY	Items which generally have a useful life of one or more years, such as machinery, land, furniture, equipment or buildings. For Multnomah County purposes, a capital outlay must cost over \$5,000

Glossary of Terms

Appendix

CAPITAL PROJECT	A program itemizing the County's acquisitions, additions and improvements to fixed assets, including building, building improvements and land purchases.
CONTRACTED SERVICES	Expense of services rendered under contract by personnel who are not on the payroll of the jurisdiction, including all related expenses covered by the contract.
COST ACCOUNTING	That method of accounting which provides for assembling and recording of all the elements of cost incurred to accomplish a purpose, to carry on an activity or operation, or to complete a unit of work or a specific job.
COUNTY-WIDE PROGRAMS	Programs that benefit all areas of the county, both within the city limits and outside the city limits.
CURRENT SERVICE LEVEL	The calculated cost of continuing current adopted programs into future fiscal years.
CURRENT REVENUE	Revenues of a governmental unit which are available to meet expenditures of the current fiscal year.
DEBT SERVICE FUND	A fund established to finance and account for the payment of interest and principal on all general obligation debt, other than that payable exclusively from special assessments and revenue debt issued for, and serviced by a governmental enterprise.
DELINQUENT TAXES	Taxes remaining unpaid on and after the date on which a penalty for nonpayment is attached. Even though the penalty may be subsequently waived and a portion of the taxes may be abated or cancelled, the unpaid balances continue to be delinquent until abated, cancelled, paid or converted into tax liens.
DEPARTMENT	An organization device used by County management to group programs of like nature.
EARMARKED FUNDS	Revenues designated by statute or constitution for specific purposed.
ENCUMBRANCE	An obligation in the form of a purchase order, contract, or other commitment which is chargeable to an appropriation and for which a part of the appropriation is reserved.
EXPENDITURE	Designates the cost of goods delivered or services rendered whether paid or unpaid.
FEDERAL FUNDS	Money from the federal government to fund specific agencies and programs.

Glossary of Terms

Appendix

FISCAL YEAR	Twelve-month period for which a budget is prepared. The County's fiscal year is from July 1 to June 30.
FIXED ASSET	An asset of a long-term character such as land, buildings, furniture and other equipment.
FULL TIME EQUIVALENT	The ratio of time expended in a part-time position to that of a full-time position. The ratio is derived by dividing the amount of employed time required in the part-time position by the amount of employed time required in a corresponding full-time position.
FUND	A sum of money or other resources set aside for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. A fund is a distinct financial or fiscal entity.
GENERAL FUND	The main operating fund of the County accounting for expenditures and revenues for county-wide activities. The bulk of the property tax rate is represented by this fund/
GOVERNING BODY	Board of Commissioners, City Council, School Board, Board of Trustees, Board of Directors or other governing board of local government unit.
GRANT	A contribution from one governmental unit to another, usually made for a specific purpose and time period.
INSURANCE BENEFITS	Amounts paid on behalf of employees; these amounts are not included in the gross salary. They are fringe benefit payments, and, while not paid directly to employees, they are nevertheless a part of the cost of salaries and benefits. Examples are 1) group health or life insurance payments, 2) contributions to employee retirement, 3) Social Security taxes, and 4) Workers' Compensation and unemployment insurance benefits.
INTERGOVERNMENTAL REVENUES	Revenue received from other governments, such as fiscal aids, shared taxes and reimbursements for services.
INTERNAL SERVICES FUND	Consists of organizations created to perform specified services for other County Departments. The services performed are charged to the using department.
LOCAL GOVERNMENT	Any city, county, port, school district, public or quasi-public corporation (including a municipal utility or dock commission) operated by a separate board or commission.
MATERIALS & SERVICES	Accounts which establish expenditures for the non-personnel, non-capital operating expenses of County Departments and programs.

MUNICIPAL SERVICES	An enhances level of services that benefit a specific geographical area or target population that is smaller than the county-wide area or population.
OBJECT	As used in an expenditure classification, a term that applies to the article purchased or the service obtained.
ORDINANCE	Written directive or act of a governing body. Has the full force and effect of law within the local government's boundaries, provided it does not conflict with a state statute or constitutional provision.
PER CAPITA	Amount per individual.
PERFORMANCE MEASURE	Standards used by agencies to measure progress toward desired outcomes.
PROGRAM	A group of related activities to accomplish a major service or function for which the local government is responsible.
PROPOSED BUDGET	Financial and operating program prepared by the Budget Officer, submitted to the public and the Board of County Commissioners sitting as the budget committee.
REAL PROPERTY	Land, the structures attached to it, and business capital equipment.
REIMBURSEMENT	Payment received for services/supplies expended for another institution, agency or persons.
RESERVE	An account that records a portion of the fund balance which must be segregated for some future use and which is, therefore, restricted for future appropriation or expenditure.
RESOLUTION	An order of a governing body. Requires less legal formality and has lower legal status than an ordinance. Statutes or charter will specify which actions must be by ordinance and which may be by resolution.
RESOURCES	All the means of financing a budget (beginning balance, miscellaneous revenues) except for encumbered or general reserves.
REVENUE	Money received to finance ongoing County governmental services (e.g., property taxes, sales taxes)

Glossary of Terms

Appendix

ROAD FUND	Accounts for expenditures on road, street and bridge construction, maintenance and improvements.
SALARIES AND EMPLOYEE BENEFITS	Accounts which establish all expenditures for employee-related costs.
SPECIAL DISTRICT	Independent unit of local government generally organized to perform a single function (e.g., street lighting).
SUPPLEMENTAL BUDGET	Prepared to meet unexpected needs or to spend revenues not anticipated at the time the regular budget was adopted. Can not be used to authorize a tax levy.
TAX LEVY	Amount of tax dollars raised by the imposition of the tax rate on the assessed valuation.
TAX RATE	The rate per one thousand dollars of the assessed valuation base necessary to produce the tax levy.
TAXES	Compulsory charges levied by a governmental unit for the purpose of financing service performed for the common benefit.
TRANSFERS	Amounts distributed from one fund to finance activities in another fund. Shown as an expenditure in the originating fund and a revenue in the receiving fund.
UNAPPROPRIATED ENDING FUND BALANCE	Amount set aside in the budget to be used as a cash carry-over to the next year's budget, to provide the local government with a needed cash flow until tax money is received from the County Treasurer in November. This amount cannot be transferred by resolution or used through a supplemental budget.
UNINCORPORATED AREA	The areas of the county outside city boundaries.
