from Pacific Applied Technology, Inc.)

The above entitled matter is before the Board of County Commissioners, acting in its capacity as the Multnomah County Public Contract Review Board, to review, pursuant to ORS 279.015(3) (A) through (5) (B) and PCRB Rule 10.140, an exemption for the Department of Environmental Services (DES) to purchase INTERFACE software & ongoing maintenance service from Pacific Applied Technology, Inc. and allows for the future purchase of these products and services. The initial cost is \$49,795.00.

It appearing to the Board that the request for exemption, as it appears in the order, is based upon the fact that there is no other vendor that can supply the compatibility needed to interface with the City of Portland or other local agencies.

IT IS ORDERED that the purchase of INTERFACE software & ongoing maintenance service from Pacific Applied Technology, Inc. be exempted from the requirement of formal competitive bid process.
