Hi, Ian:

Riad asked me to send this for your approval before we forward it for Courtney's approval. The Amendment just extends the date of the original Agreement. I have attached the original agreement for your reference.

I used to send Jill a copy of most emails to you, so I sent a copy of this to Tina. Let me know if you don't want me to do that.

Hi, Courtney:

This is a short amendment to a Fund Exchange Agreement. It merely extends the date. Could you please approve the Amendment and the APR? I have included the original IGA for your reference. As soon as you approve it, we will submit it to the Board on the consent calendar.

Thanks.

Barbara,

The amendment is approved in the form provided and attached here. My only suggested change is that "culvert replacement" be capitalized in paragraph 1 of the APR since it is part of the project title.

Thanks,
