## General Information

### 1. What action are you requesting from the Board?

The purpose of this presentation is to review the budget schedule and process.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The goal of the presentation is to provide the Board of County Commissioners with information on the budget schedule and process covering the next six weeks.

### 3. Explain the fiscal impact (current year and ongoing).

The worksession provides information to assist the Board in reaching its final decisions regarding the FY 2017 budget. Adopting the budget will set the legal limits for spending during FY 2017 and is required to comply with Oregon Budget Law.

### 4. Explain any legal and/or policy issues involved.

The Board approved the Chair's Executive Budget on April 21st and submitted the Approved Budget to the Tax Supervising and Conservation Commission (TSCC). After the budget has been submitted, no Fund may be increased by more than 10% in total revenue, and no property tax greater than the amounts included in the Approved Budget may be levied.

**5. Explain any citizen and/or other government participation that has or will take place.**

Three evening public hearings are scheduled on April 27<sup>th</sup>, May 4<sup>th</sup>, and May 11<sup>th</sup> to collect public input on the budget. Citizen Budget Advisory Committees have reviewed the program offers and will make presentations with recommendations to the Board of County Commissioners. Transmitting the Executive Budget to the TSCC allows the public and Board further time to review the Chair's Budget before final adoption.
