## General Information

### 1. What action are you requesting from the Board?

Approval to assign publically donated funds to the Kyron Horman Fund as Committed Funds, which will allow the donated funds to be used for the intended purpose of enhancing the investigation and prosecution efforts.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Multnomah County Sheriff's Office is leading the ongoing investigation for Kyron Horman, a 7 year old student of Skyline Elementary School who disappeared from the school on Friday, June 4, 2010. To date the Sheriff's Office has received \$35,130.93 in donations from members of the public in support of the Kyron Horman investigation. This resolution is a financial housekeeping step so that the donated Kyron Horman funds can be applied to the purpose for which they were donated by the general public.

### 3. Explain the fiscal impact (current year and ongoing).

This resolution will constrain these funds to be used for their intended purpose.

### 4. Explain any legal and/or policy issues involved.

Governmental Accounting Standards Board statement number 54, and Multnomah County Financial Policies require that The County will spend resources in the following order: 1. Restricted resources; 2. Committed resources; 3. Assigned resources and 4. Unassigned resources. The attached resolution will designate the Kyron Horman Funds as Committed funds.

**5. Explain any citizen and/or other government participation that has or will take place.**

These funds have been donated by the general public.
