General Information

1. What action are you requesting from the Board?

The department of County Assets is requesting Board approval of budget modification DCA-18-17 reclassifying a Information Specialist 2 position (704155) (6416) Program Offer 78304-17 IT Telecommunications Services, to a Information Specialist 3 position (6417).

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This modification reflects Class Comp decision #3625 a reclassification initiated by management. This management-initiated request is for reclassification of a filled position from an Information Specialist 2 to an Information Specialist 3 as a result of a gradual assumption of higher level duties and responsibilities that have occurred over the last year. The migration to the Cisco Call Manager and the Unified Contact Center Enterprise (UCCE) platforms introduced greater complexity and enhanced capability into the environment which then created the need for higher level skills and elevated roles to analyze, plan, develop, and implement voice solutions for customers.

An analysis of the Information Specialist 2, Information Specialist 3, and Information Technology job classifications was performed before making an allocation decision: The duties, responsibilities and qualifications support this position is allocated to Information Specialist 3 (6417).

3. Explain the fiscal impact (current year and ongoing).

Personnel expense is expected to remain budget neutral in FY17. The original Information Specialist 2 position at step 8 is the same as the reclassified Information Specialist 3 at step 4.

The current top step of the new classification is 12.69% greater than the top step of the original position.

In subsequent fiscal years the reclassified position will be subject to the approved cost of living adjustments (COLA). The financial impact of the new classification will be funded within the ongoing department's budget.
