General Information

1. What action are you requesting from the Board?

The Assessor is requesting the Board approve the private sale of a tax foreclosed property to the adjacent property owner Mary Ann Deffenbaugh.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The subject property (as shown on Exhibit A) was foreclosed on for delinquent property taxes and came into County ownership on September 19, 2001. A letter was sent to the adjacent property owner informing them how the strip located west of the owner's property was received by Multnomah County through tax foreclosure and is available to purchase through private sale per ORS 275.225. The parcel is approximately 100 square feet, is not buildable, and is on the current tax roll with a real market value of \$100. The adjacent owner offered to purchase the strip for \$100 from the County and plans to consolidate the parcel into their main account.

This action affects our Program Offer 72038 by placing a tax foreclosed property back onto the tax roll.

3. Explain the fiscal impact (current year and ongoing).

The private sale will allow for partial recovery of the delinquent taxes, fees, and expenses. The sale will also reinstate the property onto the tax roll (see Exhibit B.)

4. Explain any legal and/or policy issues involved.

No legal issues are expected. The parcel will be deeded "As Is" without guarantee of clear title.

5. Explain any citizen and/or other government participation that has or will take place.

No citizen or government participation is anticipated.
