DMWESB in Bold (99% DMWESB Contracted to Date)

Success Stories

- At this point in the project, the Sellwood Bridge Replacement has achieved 23% DMWESB participation, exceeding the Multnomah County goal of 20%. To date, Slayden/Sundt JV has contracted with a total of 64 subcontractors. Of those 64 contractors, 48 (75%) are DMWESBs. Of the DMWESB subcontracted dollars, 51% are to African-American DMWESBs. These numbers reflect all subcontracts for the three phases of the project: Shoo-fly, Landslide, and Condo Improvements.
- **Total Project Contracted: \$35,319,138**
- **Total DMWESB Contracted: \$8,182,536 (23%) Goal 20%**

Upcoming Events

- The remaining DBE and MWESB subcontractors are scheduled to be identified at Guaranteed Maximum Price Amendment's Notice to Proceed.
