General Information

1. What action are you requesting from the Board?

Approval to appropriate \$6,000,000 in increased revenue from intergovernmental charges for pharmacy services.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

This budget modification appropriates \$6,000,000 in intergovernmental revenue to bring the Health Department's budget in line with actual revenue and will prevent collecting more revenue than the budgeted authority.

This budget modification increases pharmacy related revenue in the Integrated Clinical Services' (ICS) budget by \$6,000,000 to increase the budget to match estimated revenue for FY 2017.

These changes impact program offer 400031: Pharmacy.

3. Explain the fiscal impact (current year and ongoing).

Approval of this budget modification will increase the Health Department's federal/state FY 2017 budget by \$6,000,000.

4. Explain any legal and/or policy issues involved.

Without this budget modification the Health Department would likely violate Oregon Budget Law or would be unable to expend collected revenues. This budget modification is necessary to keep this violation from occurring.

5. Explain any citizen or other government participation.

Budget Modification

6. What revenue is being changed and why? If the revenue is from a federal source, please list the Catalog of Federal Assistance Number (CFDA).

The Health Department's federal/state budget will increase by \$6,000,000 in FY 2017. There is no CFDA number associated with this revenue.

7. What budgets are increased/decreased?

The Health Department's Drugs budget will increase by \$6,000,000.

8. What do the changes accomplish?

These changes will help the Health Department avoid a likely violation of Oregon Budget law by increasing budget authority to accommodate estimated fee revenue.

9. Do any personnel actions result from this budget modification?

There are no personnel actions associated with this budget modification.

10. If a grant, is 100% of the central and department indirect recovered? If not, please explain why.

Yes, this revenue source allows for the recovery of indirect expenses. However, since indirects are only assessed on personnel expenses, they're not applicable to this budget modification.

11. Is the revenue one-time-only in nature? Will the function be ongoing? What plans are in place to identify a sufficient ongoing funding stream?

This revenue is the result of an ongoing function.

12. If a grant, what period does the grant cover? When the grant expires, what are funding plans? Are there any particular stipulations required by the grant (e.g. cash match, in kind match, reporting requirements, etc)?

This budget modification is not grant related.
