The Department of Community Services is requesting the Board approve budget modification DCS-02-15 for the reclassification of an Engineer Technician 3 position to a Transportation Project Specialist position in the Bridge Services Division as determined by the Classification Compensation (Class Comp) Unit of Central Human Resources. The study performed by Class Comp was performed with the current employee in the position.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Bridge Services has seen an increase in the number of complex bridge projects. Management requested the Class Comp Unit of Central Human Resources review the position classification. The position (702541) is currently budgeted as an Engineer Technician 3. The budget modification detail sheets will delete the Engineer Technician 3 classification and create the Transportation Project Specialist classification in Bridge Services in response to Class Comp's decision.

The changes impact program offer 91016-15 Bridge Services Engineering Program.
