## General Information

### 1. What action are you requesting from the Board?

Approval of staffing adjustments resulting from the reclassification of one position. This change will not impact the Health Department's total FTE for FY2013.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Reclassify a 1.00 FTE Community Health Nurse to a 1.00 FTE Medical Laboratory Technician, position 703203, in the Integrated Clinical Services Division of the Health Department. Class Comp approved the reclassification effective 2/26/2013 (reclassification #2118). Mid County Health Center (MCHC) is staffed with seven provider teams and a refugee screening team. Each team is assigned one Community Health Nurse (CHNs) for a total of eight CHNs. MCHC currently has nine CHNs on staff. Reclassifying the CHN to a Medical Laboratory Technician will meet the increased demand and need for professional laboratory services that exceed the current capacity. This position will be responsible for performing, analyzing, and interpreting the results of laboratory tests on various patient

specimens to aid in the diagnosis and treatment of medical clients. This position will also develop, perform, and maintain quality assurance programs and research and evaluate new technology and equipment. This change impacts program offer 40022—Mid County Health Clinic.

**3. Explain the fiscal impact (current year and ongoing)**

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of new classification or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of 703203 to a Medical Laboratory Technician decreased budgeted personnel cost by \$15,443 because the step at which the Community Health Nurse is budgeted is higher than the beginning step for a Medical Laboratory Technician. The decrease in cost is offset by an increase in supplies for no net fiscal impact this fiscal year.

In subsequent fiscal years, the reclassified position will be subject to approved cost of living adjustments (COLA) and step increases in accordance with the collective bargaining agreement with Local 88 and will be funded within the department's budget.

**4. Explain any legal and/or policy issues involved.**

**5. Explain any citizen and/or other government participation that has or will take place.**

- **Do any personnel actions result from this budget modification? Explain.**

### ***How are functional areas assigned to cost objects?***

For the most part, functional area is related to what department has recorded the revenue or expenditure (i.e. the District Attorney is reported in Public Safety and Justice). There are some exceptions to this rule that require certain funds to be assigned to a particular functional area, regardless of what department the revenues or expenditures are recorded in.

#### **Functional Area Assignments ~ Based on Fund**
