## General Information

### 1. What action are you requesting from the Board?

Approval of an Intergovernmental Agreement (IGA) with the Oregon Department of Transportation's Carrier Transportation Division to issue permits authorizing Single Trip Truck Routes in Multnomah County. This IGA is a renewal of a previously signed 2006 IGA.

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

By the authority granted in ORS Chapter 818, State and County issue permits for the movement of oversize/overweight vehicles and loads over highways and roads under their jurisdictions, and may engage in programs intended to simplify or expedite the issuance of permits. In accordance with the terms of the agreement, the County grants the State the authority to include in permits issued by the State for oversize/overweight vehicles and loads, permission to travel over roads under County jurisdiction after contacting and obtaining approval from the County.

### 3. Explain the fiscal impact (current year and ongoing).

The County currently receives \$8.00 per authorized truck move under this program. No increase in budgeted revenue is anticipated.

### 4. Explain any legal and/or policy issues involved.

By authority granted in ORS 190.110, state agencies may enter into agreements with units

of local government for the performance of any or all functions and activities that a party to the agreement, its officers, or agents have the authority to perform. This IGA eliminates the need for each road authority to issue a separate permit for an oversize/overweight vehicle move that must travel through multiple road jurisdictions.

**5. Explain any citizen and/or other government participation that has or will take place.**

The majority of County's in the State of Oregon are a participant in the current Single Trip Permit Authorization Program. Multnomah County has participated in this program since 1984.
