Help, I am stuck in a loop. I received a notice in the mail to check the following website for information on the proposed ordinance: http://multnomah.granicus.com/viewpublisher.php?view_id=3. I can access the website and read the agenda. The agenda directs a reader to the following website (note it is the same website as preceding) to view the proposed ordinance:

f. How may I review the proposed ordinance or obtain additional information?

- 1) A copy of the proposed ordinance may be viewed online after April 28, 2017 at: http://multnomah.granicus.com/ViewPublisher.php?view_id=3

- 2) A hard copy of the proposed ordinance will be available for inspection and, at a cost of \$0.30/page, available for purchase, from the Multnomah County Board Clerk located at 501 SE Hawthorne Blvd., Portland, Oregon 97214, between the hours of 9 a.m. and 5 p.m., Monday- Friday, beginning May 1, 2017. Scheduling a time to pick up a packet is appreciated; please call: [503-988-5274](tel:503-988-5274).

- 3) To ask questions or obtain additional information, please contact: Michael Cerbone, Multnomah County Planning Director Phone: [503-988-3043](tel:503-988-3043) Email: michael.cerbone@multco.us

I cannot find the actual proposed change nor ordinance anywhere on this site. Please advise.

Did you find it okay? It is listed as R.1. If you scroll down past Consent Agenda and Public comment, you will see it there. Each document is linked. Let us know if you need any help. I know finding documents can be frustrating. We have several meetings this week, which makes it a bit more confusing.

Thank you. Finally located it, and even found the maps showing rural...quite a bit to read through. Is there a request to change the rural designations? I see there is discussion about 9D, and I found 9 on page 10 of 123 in the PDF, but I don't see a "D" designation anywhere...another comment relates to 6A and 6B...I found 6 on page 6 of 123, but see no designations of A and B. Granted, I am inexperienced at looking at such information, but what am I missing?
