### 1. What action are you requesting from the Board?

The Department of Community Justice (DCJ) requests the Board's approval of the 2011-2012 Community Corrections plan, which provides the basis for the county's community corrections grant from the state of Oregon (through the Department of Corrections). The Grant provides dollars to supervise, sanction and treat adult offenders on parole and post-prison; supervise and locally sanction offenders sentenced to one year or less in prison (the local control population). It also supports efforts of the Multnomah County Sheriff's Office (MCSO), Health Department, and Local Public Safety Coordinating Council (LPSCC).

### 2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Community Corrections Plan is required of all counties that participate in the SB 1145 formula to receive state funds to pay for adult supervision services, as part of the county/state partnership. The plan is relevant to DCJ Program Offers:

DCJ Program Offers: 50036, 50037, 50040A, 50041, 50042, 50043, 50044, 50045, 50047, 50050, 50052, 50053, 50057, 50058; MCSO Program Offers: 60040A-F, 60041A-H; and Corrections Health Program Offers: 40049, 40050A-C, 40051A-C

### 3. Explain the fiscal impact (current year and ongoing).

The fiscal impact of the approval of the Community Corrections plan will be Multnomah county will receive \$20,240,939, as per SB1145 formula, for adult felony supervision, local

control supervision and local control jail beds, and funds to operate the LPSCC. This is a one year plan for the biennial state funding and intergovernmental agreement with the state Department of Corrections.

**4. Explain any legal and/or policy issues involved.**

The Community Corrections plan was developed in accordance with the requirements of ORS 423.525 and 423.535, which require a community corrections plan as part of each county's application for state funding. ORS 423.560 specifies that each local public safety coordinating council is to develop and recommend a community corrections plan to the Board of County Commissioners. In addition, the Oregon Department of Corrections (DOC) and the statutes referenced above require that the Community Corrections plan for 2011-2012 include a letter of approval from the county governing board.

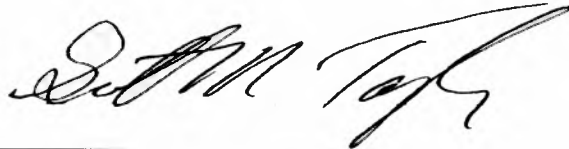

**5. Explain any citizen and/or other government participation that has or will take place.**

The Community Corrections Plan reflects the priorities of the Multnomah County Board of County Commissioners, Local Public Safety Coordinating Council and the LPSCC Court Work Group. It has been approved by LPSCC.
