

**BEFORE THE BOARD OF THE MULTNOMAH COUNTY LIBRARY DISTRICT
FOR MULTNOMAH COUNTY, OREGON**

RESOLUTION NO. 2013-087

Establishing the Annual Fee for a Multnomah County Library District's Full Service Non-Resident Household Borrower's Card and Repealing Resolution No. 09-068.

The Multnomah County Library District Board finds:

1. Multnomah County Library is a partner in the Metropolitan Interlibrary Exchange (MIX), a reciprocal service agreement that allows residents of Multnomah County, Clackamas County Library District, Washington County, and Hood River County in Oregon, and residents of the Ft. Vancouver Regional Library District and the City of Camas, Washington, to obtain a library card from any of the MIX partner libraries free of charge.
2. Multnomah County Library District provides service to certain other non-residents who live outside the MIX service area by allowing them to purchase an annual household full-service non-resident library card.
3. The annual fee for a full-service non-resident household library card should be comparable to the library district tax assessment paid by a typical Multnomah County household.
4. The median assessed value of a home in Multnomah County is currently \$152,460.
5. The cost of the library district tax, levied at a rate of \$1.18 per \$1000 of assessed value for a home valued at \$152,460 is \$15 per month, or \$180.00 per year.

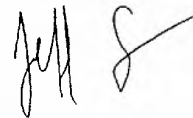

The Multnomah County Library District Board Resolves:

1. The annual fee for a full-service non-resident household library card for a household outside Multnomah County and the MIX service area is set at \$180, effective July 1, 2013.
2. The full-service non-resident household library card fee will be reviewed periodically to account for substantial changes in effective tax rate, assessed value growth or revisions to reciprocal borrowing agreements.

ADOPTED this 27th day of June, 2013.
