1990-91 SHERIFF'S OFFICE BUDGET MESSAGE

Statement by Sheriff Robert G. Skipper

April 4, 1990

Madam Chair, County Commissioners, and Citizens of Multnomah County;

I am grateful for many things this past year. First, my recovery from the accident that nearly took my life last July has taught me how precious our time is here on earth and in Multnomah County. And second, serving as your elected Sheriff has given me a purpose to utilize that "precious time" wisely.

While serving as Sheriff, the office has established an effective working relationship with the Board of County Commissioners, its staff, the Department Heads, and the Budget Office. We have continued our tradition of openness and dialogue with the citizens we serve. A sharing and responsive office is always in everyone's best interest and provides a format to resolve the complex issues facing us today.

Let me share some of our more significant achievements of this past year:

We recently concluded our first year as service provider to the Housing Authority of Portland in the Columbia Villa/Tammarack community through our Safety Action Team. During this first year we achieved all of the goals that we sought to accomplish. The Safety

Action Team increased the livability to those citizens residing at the Villa. We helped a community plagued with criminal problems, low self-esteem and a lack of direction organize itself into a neighborhood now bursting with pride for all it has accomplished. The Safety Action Team opened up communication channels between service agencies that had fallen silent. We have shown the children of the Villa that the police can be their friends. The Safety Action Team spent countless off-duty hours sharing the world outside the Villa with resident children, enjoying the circus, the zoo, salmon fishing in the ocean and many other family oriented activities.

In all, 21 different agencies are working with the Villa residents, largely because our office has provided security and safety to the area. We have acted as a service broker for city, county, state and federal agencies who serve the Villa population. Medical Personnel, Job Placement Counselors, Vocational Program Representatives, all now frequent the neighborhood with a sense of confidence. These agencies will help break the cycle of poverty that has gripped the residents of the Villa. This is the type of service the Sheriff's Office represents; STRONG LEADERSHIP THAT IS SENSITIVE AND EFFECTIVE IN THE COMMUNITY.

An accomplishment we credit to the Chair's Office, the Board of County Commissioners, the District Attorneys Office, the Citizens Crime Commission and to the voters of Multnomah County, was the overwhelming endorsement of the Jail Levy providing an additional

210 jail beds to the Inverness Jail. Ground-breaking will begin on these bed spaces soon and they will be ready for clients in July of 1991. As an enhancement to these additional jail beds, we negotiated a mutually beneficial contract with the United States Marshal Service to add 30 more beds by July 1991, bringing the total jail beds at Inverness to 500. This Community has come a long way in the continuing struggle to add adequate jail space in seeking that level of security we all expect in our neighborhoods. While we recognize that jail beds are not the only answer in addressing our community crime problems, they are however the driving force that supports the future successes of any alternative programs by ensuring acceptable and lawful behavior by the participants.

Education is an essential element of crime prevention. We at the Sheriff's Office are firm believers in that statement. This past year, we received a generous cash donation from the Soroptomists of Portland. With that donation and using additional monies seized from illegal drug operations we purchased a Robot to provide drug education to the grade schools. The Robot, recently named DEPUTY McSAFE in a county-wide school contest, has proven to be very effective in getting the children's attention and sharing with them the need to say NO to drugs and alcohol. We also acquired two drug detecting dogs, again using money seized from illegal drug operations. The dogs are utilized in local high schools who have solicited our help in educating their students on the dangers of drug use and eliminating any drug use at or near the school's campus. Still another youth education program we would like to begin this fall

is the DARE program. DARE stands for Drug Aware Resistance Education. One of our Deputies has attended the DARE training school and we have requested additional grant funding to implement the program which could be in place by September.

I have shared with you just a few of our year's successes. They are the result of hard work by employees of the Sheriff's Office and countless citizens who care about their community. I cannot say enough about the dedication of Sheriff's Office Personnel towards the task of protecting the public. I ask that you consider carefully our requests today and grant us the resources to continue to educate and safeguard the community.

Our mission remains to maintain and operate the correctional facilities and its ancillary programs, to provide adequate law enforcement to the unincorporated area, and to provide crime prevention through educational programs to all our citizens.

I consider all of my requests for the next fiscal year to be of the highest priority in order to meet the needs of our community.

Employee Profile for Proposed CSS Case Managers

Lynda Hutchings: Has a Bachelors Degree in Administration of Justice from Portland State University. She worked as a Counselor at the Council for Prostitution Alternatives for about two years. Lynda has worked in Pretrial Services for about six years. She has worked in Intake and PRSP.

Donna Pryal: Has a Bachelors Degree in Sociology from Portland State University. She worked as a Multnomah County Deputy for about 6 years. After working for Multnomah County she worked as a fraud investigator for the Bank of America. Donna has worked in Pretrial Services for about six months in Intake but she has also been trained as a Case Manager in PRSP.

Clyde Waymire: Has a Bachelors Degree in Administration of Justice from Portland State University. Clyde worked as a Resident Supervisor in the Clackamas County Restitution Center for about two years. He has worked in Pretrial Services for about two years and has been in both Intake and PRSP.

Jeremy Rauschert: Has an Associates Degree in Criminal Justice from Clackamas Community College. He worked for two years as a volunteer for Clackamas County Parole and Probation. While he was working for the Probation Department he developed and implemented a very successful employment program for probationers in Clackamas County. He has worked in PRSP as a Case Manager for about six months.

Julia Stone: Has a Bachelors Degree in Administration of Justice from Portland State University. She worked in Multnomah County as a Probation Officer for about five years. She also has experience as a DUII Diversion Evaluator and as a Drug and Alcohol Counselor. Julia has worked in Pretrial Services for about three years. She has been in PRSP as a Case Manager for about two years.

Steve Padilla: Has a Bachelors Degree in Economics and Sociology from Portland State University. He worked as a Behavioral Therapist for about three years at St. Mary's Boys Home before joining Pretrial Services. He has worked in Intake and PRSP.
