General Information

1. What action are you requesting from the Board?

The Assessor is requesting the Board approve the transfer of tax foreclosed property to Linnton Community Center (LCC), a nonprofit corporation for social services.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The County has obtained title to certain real property through foreclosure for failure to pay lawfully imposed taxes and assessments.

Under ORS 271.330, the County may elect to donate property to a qualified, nonprofit corporation, provided such nonprofit corporation uses it for social services. LCC is a qualified nonprofit corporation under ORS 271.330, and has agreed to develop the Property after transfer under the terms of the Performance Agreement attached to the Resolution.

This action affects our Program Offer 72038 by removing a tax foreclosed property from County inventory and providing a location for LCC to construct a "community maker space" to house STEM focused projects for local teens.

3. Explain the fiscal impact (current year and ongoing).

NA

4. Explain any legal and/or policy issues involved.

For the property transfer to be lawful and remain in compliance with ORS 271.330, the property must be used and continue to be used for "social services" per the Performance Agreement (Exhibit A to the resolution).

5. Explain any citizen and/or other government participation that has or will take place.

LCC will measure the success of these programs by keeping participation records and tracking the numbers using and involved in these projects.
