The Multnomah County Charter Review Committee was convened on July 20, 1989. Its tasks are to review the county charter and recommend any proposed changes in the structure of county government to the voters in 1990. The rules for the composition of the current charter review committee were approved by the voters in 1984. There are two members appointed from each of the state senatorial districts in Multnomah County; however, one district has a majority of its citizens in Washington County, so it appoints only one member. Thus, the total is 13.

The committee has adopted a work plan with the goal of putting proposed amendments, if there are any, on the ballot in November, 1990. The committee is hearing testimony from the public and invited speakers through January, 1990. Meetings will be held in various areas in the county.

Following its information-gathering hearings, on February 17, 1990 the committee will identify the issues it wishes to further address. Additional issue-oriented meetings will be held in the spring. All meetings are open to the public and citizens are urged to participate. Any proposed amendments must be submitted 95 days prior to the election, so final committee decisions must be made by August 3, 1990.

Ann Porter is Chair and Bill Rapp is Administrator of the Committee. The office is on the 15th floor of the Portland Building. The telephone number is 248-3525.
