General Information

1. What action are you requesting from the Board?

No action is necessary; this is a briefing about the Everybody Reads project of the Multnomah County Library.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The tenth annual Everybody Reads project has begun, with this year's selection *The Girl Who Fell From the Sky*, by Heidi W. Durrow. Through the support of the Library Foundation and Literary Arts, more than 2,300 students in Multnomah County will receive copies of the book and have the opportunity to hear the author speak.

"Everybody Reads" is a project designed to promote community reading and encourage people to talk to each other about issues that matter and create a stronger community through the power of books. This year's selection can be checked out, downloaded, or accessed as an audiobook. See your library or visit the website (multcolib.org) for more information.

3. Explain the fiscal impact (current year and ongoing).

None.

4. Explain any legal and/or policy issues involved.

5. Explain any citizen and/or other government participation that has or will take place.

None. Briefing is intended to prompt increased conversation with citizens and government representatives about this and other selections available through the library.
