General Information

1. What action are you requesting from the Board?

No Board action required. This worksession is for follow-up items arising from prior worksessions or from Board questions or requests for information related to the Adoption Package.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The County had to adopt the FY 2012 Budget without final information about the State’s Budget. State funding makes up 25 -30% of the County’s budget. Now that the State has adopted its budget, the County will need to rebalance its budget to bring it into line with the State allocations. This worksession is for follow-up items arising from prior worksessions or from Board questions or requests for information related to the Adoption Package.

3. Explain the fiscal impact (current year and ongoing).

None. This is a Board briefing only.

4. Explain any legal and/or policy issues involved.

No legal or policy issues are involved in this presentation as this briefing is informational only.

None.
