3. Explain the fiscal impact (current year and ongoing).

This budget modification has no fiscal impact in the current year. Budgeted personnel costs are within the pay scales of the new classifications or other budgeted line items have been adjusted so that the changes are budget neutral.

The reclassification of position 717641 to a Program Specialist Sr decreased budgeted personnel cost by \$13,065, because the Program Specialist Sr is a lower paygrade than the Health Policy Analyst Sr. The decrease in cost is offset by an increase in Temporary, Non Base Fringe, and Non Base Insurance, for no net fiscal impact this fiscal year.

In subsequent fiscal years, the reclassified position will be subject to approved cost of living adjustments (COLA), step and merit pay increases in accordance with collective bargaining agreements and county personnel rules. Costs will be funded within the department's budget.
